The Lost Art of Compassion: Discovering the Practice of ...

Insightful and accessible to all, *The Lost Art of Healing* describes how true healers use sympathetic listening and touch to hone their diagnostic skills, how language affects the perception of illness, how doctors and patients can cultivate a relationship of trust, and how patients can obtain the most complete and beneficial care through a combination of healing techniques and conventional practices.

The Lost Art of Compassion - Lorne Ladner - Paperback

For modern Westerners groomed to be competitive, insatiable, and as hyperactive as hamsters, *The Lost Art of Compassion* stops us dead in our frantic tracks. With a zenlike whack to the side of our heads, Ladner deftly applies the pragmatic methods of Buddhism to psychology, reminding us that genuine happiness won't come from our misdirected striving and craving.

The Lost Art of Compassion: Discovering the Practice of...

Dr. Lorne Ladner's *Lost Art of Compassion* is a major step forward in this monumental task. He is himself an experienced meditator, a deep explorer of the self. He is a keen scholar of both Western psychology and Tibetan Buddhist psy-chology. And he is a skillful practitioner of compassion in action in the

Michelle Reynolds, The Lost Art of Compassion

For those interested in psychology alone, the *Lost Art of Compassion* is fascinating (and again this is coming from someone who majored in the field). But his synthesis of psychology and Buddhism is remarkable and tremendously enlightening.

[The Lost Art of Compassion Quotes by Lorne Ladner](#)

Compassion is often seen as a distant, altruistic ideal cultivated by saints, or as an unrealistic response of the naively kind-hearted. Seeing compassion in this way, we lose out on experiencing the transformative potential of one of our most neglected inner resources.
