Anyone in The Lost
Conspiracy save
Frances Hardinge

would have you
believe this is
Arilou's tale, and
perhaps that really
is the conspiracy.
Each and every
character in The
Lost Conspiracy is
so strong, even
those we hardly
know we get to feel
so completely. We
know what certain
characters have
been through in the
way that Hathin
relates to them, we
see those who could

be more, and those
who are looking for
a challenge.
*The Lost Conspiracy
by Frances Hardinge -
AbeBooks*
Hardinge fills the
book with amazing
characters,
complicated villains
who don't know they
are villains, and a
plot centered on the
tension between
revenge and
forgiveness. The
writing is inventive
and poetic but the
plot never slows

down.
