And when a man from her past returns to offer a second chance at love, Ramona discovers that even the best recipe tastes better when you add time, care, and a few secret ingredients of your own.

Betty Fussell is an inspiring badass. She's not just the

award-winning author of numerous books ranging from biography and memoir to cookbooks and food history; not just a winner of the James Beard Foundation's Journalism Award who was inducted into their "Who's Who of American Food and Beverage" in 2009; and not just an extraordinary person whose fifty years' worth of essays on food, travel, and the arts have appeared in scholarly journals, popular magazines and newspapers as varied as *The New York Times*, *The New Yorker*, *The Los Angeles Times*, *Saveur*, and *Vogue*. This is a woman who at eighty-two years old (and despite being half-blind) went deer hunting for the very first time in the Montana foothills with her son, Sam (as described in her 2010 essay for the *New York Times Magazine*.) She got her deer. This is a woman who declared in a 2005 essay for *Vogue* that she had to teach herself Latin and German from scratch (on top of teaching herself how to cook) as a young twenty-one year old bride, because "housewifery wasn't enough." Indeed, for Fussell one subject is never enough. Counterpoint is thrilled to be publishing this selected anthology of her diverse

essays.

New York Times Bestseller Embrace Hygge (pronounced hoo-ga) and become happier with this definitive guide to the Danish philosophy of comfort, togetherness, and well-being. Why are Danes the happiest people in the world? The

answer, says Meik Wiking, CEO of the Happiness Research Institute in Copenhagen, is Hygge. Loosely translated, Hygge—pronounced Hoo-ga—is a sense of comfort, togetherness, and well-being. "Hygge is about an atmosphere and an experience," Wiking explains. "It is about being with the people we love. A feeling of home. A feeling that we are safe." Hygge is the sensation you get when you're cuddled up on a sofa, in cozy socks under a soft throw, during a storm. It's that feeling when you're sharing comfort food and easy conversation with loved ones at a candlelit table. It is the warmth of morning light shining just right on a crisp blue-sky day. The *Little Book of Hygge* introduces you to this cornerstone of Danish life, and offers advice and ideas on incorporating it into your own life, such as: Get comfy. Take a break. Be here now. Turn off the phones. Turn down the lights. Bring out the candles. Build relationships. Spend time with your tribe. Give yourself a break from the demands of healthy living. Cake is most definitely Hygge. Live life today, like there is no coffee tomorrow. From picking the right lighting to organizing a Hygge get-together to dressing hygge, Wiking shows you how to experience more joy and contentment the Danish way.
