Sunset lives a life of luxury with her beautiful ex-model mum, her world-famous rock star dad and her two little celebrity siblings. But life on the red carpet is no compensation for parents who constantly argue, intensive scrutiny from the media, and and having no real friends. Destiny, on the other hand, is an only child living on a rundown estate with a sickly but devoted mum who constantly tells her that she's really the daughter of a famous rock star . . . When the two girls meet in unlikely circumstances, they are surprised to find in each other something they've been missing all their lives . . .

Little Darlings Dramatists Play Service, Inc.

A USA Today and Globe and Mail bestseller! A novel of survival, love, loss, triumph—and the sisters who changed fashion forever Antoinette and Gabrielle “Coco” Chanel know they’re destined for something better. Abandoned by their family at a young age, they’ve grown up under the guidance of nuns preparing them for simple lives as the wives of tradesmen or shopkeepers. At night, their secret stash of romantic novels and magazine cutouts beneath the floorboards are all they have to keep their dreams of the future alive. The walls of the convent can’t shield them forever, and when they’re finally of age, the Chanel sisters set out together with a fierce determination to prove themselves worthy to a society that has never accepted them. Their journey propels them out of poverty and to the stylish cafés of Moulins, the dazzling performance halls of Vichy—and to a small hat shop on the rue Cambon in Paris, where a boutique business takes hold and expands to the glamorous French resort towns. But the sisters’ lives are again thrown into turmoil when World War I breaks out, forcing them to make irrevocable choices, and they’ll have to gather the courage to fashion their own places in the world, even if apart from each other.

“The Chanel Sisters explores with care the timeless need for belonging, purpose, and love, and the heart’s relentless pursuit of these despite daunting odds. Beautifully told to the last page.” —Susan Meissner, bestselling author of *The Last Year of the War*

Men on Boats Random House

THE MOST TALKED ABOUT BOOK OF THE YEAR "As filthy as it is funny, you won't be able to put it down" Dolly Alderton "Extremely funny, touching and wonderfully refreshing on women and sexual desire" Marian Keyes "You will be intoxicated by this witty and honest exploration of female desire" Elle "Insatiable is a story about loneliness and trying to fit in, about our desire to be loved and included, how it's easy to confuse being wanted with being used. It'll draw people in with the shagging, but people will stay because they're rooting for Violet." Evening Standard Stuck in a dead-end job, broken-

hearted, broke and estranged from her best friend: Violet's life is nothing like she thought it would be. She wants more - better friends, better sex, a better job - and she wants it now. So, when Lottie - who looks like the woman Violet wants to be when she grows up - offers Violet the chance to join her exciting start-up, she bites. Only it soon becomes clear that Lottie and her husband Simon are not only inviting Violet into their company, they are also inviting her into their lives. Seduced by their townhouse, their expensive candles and their Friday-night sex parties, Violet cannot tear herself away from Lottie, Simon or their friends. But is this really the more Violet yearns for? Will it grant her the satisfaction she is so desperately seeking? *Insatiable* is about women and desire - lust, longing and the need to be loved. It is a story about being unable to tell whether you are running towards your future or simply running away from your past. The result is at once tender and sad, funny and hopeful. * "This novel shines with dark humour, sharp intelligence, sizzling sex scenes, and a piercing portrayal of loneliness. Not even the most insatiable reader could ask for more." Katherine Heiny "Filthy, funny, and raw, *Insatiable* is utterly addictive" Louise O'Neill "Come for the absolute filth and stay for the empathetic and sensitive way that Daisy Buchanan writes about all the chaos and conflict of being a young woman in a hard-edged, hard-faced world." Red "A piercing insight into the unreal demands modern women place on themselves and told with real humour and energy, we love this book so much" Stylist "A raucous unravelling of female desire and bodily pleasures, in all their maddening complexity" Emma Jane Unsworth "Few books out in the early half of the year are as flat-out entertaining as Buchanan's fizzy, filthy story of a young woman's sexual awakening." i paper "I'd call *Insatiable* Jilly Cooper for the Instagram generation, but that wouldn't do this book justice" Lauren Bravo "Daisy brings characters to life like no other writer, pumping them full of humour, vulnerability and sexy sexy sex" Lucy Vine "Gloriously rude and brave about the nature of women's desire" Sophia Money-Coutts "I raced through this funny, filthy and utterly compelling debut about female sexuality, ambition and vulnerability... I'm still thinking about it long after turning the final page." Daily Mail "I can't believe this is a fiction debut - she writes stories like she's been doing it for fifty years" Laura Jane Williams "Insatiable is an unashamedly filthy and yet deeply sensitive exploration of female desire, aspiration and vulnerability, and Daisy is an exciting new voice in contemporary fiction." Hannah Beckerman "It reminded me of Bridget Jones's Diary - if Bridget were bisexual and Daniel Cleaver were a couple who were into group sex." Julie Cohen "Erica Jong for the Instagram age." Keith Stuart "Intelligent, observant prose that gives a snap-shot of life experienced by millennial women." Kate Sawyer "Like going for a drink with your wisest and smuttiest friend" Jessica Moor "Funny, filthy ... Buchanan offers astute social observation, while the development of Violet as an ardent

yet vulnerable heroine to root for makes her a millennial counterpart to Jilly Cooper's Bella or Octavia." *The Sunday Times*

An Interview with Jacqueline Wilson Random House

Soul Color is a ten-week watercolor painting course designed to cultivate mindfulness and creativity. Develop confidence to paint more intuitively, give yourself permission to enjoy the unexpected and make mistakes, deepen your meditation skills, and discover a new sense of reflective calm. Soul Color isn't a traditional "how-to" book. It is the outcome of several years of research and trial and error with students and friends who've come to Emma's workshops and classes.

WINNER OF THE COSTA NOVEL AWARD What if you had the chance to live your life again and again, until you finally got it right? During a snowstorm in England in 1910, a baby is born and dies before she can take her first breath. During a snowstorm in England in 1910, the same baby is born and lives to tell the tale. What if there were second chances? And third chances? In fact an infinite number of chances to live your life? Would you eventually be able to save the world from its own inevitable destiny? And would you even want to? Life After Life follows Ursula Todd as she lives through the turbulent events of the last century again and again. With wit and compassion, Kate Atkinson finds warmth even in life's bleakest moments, and shows an extraordinary ability to evoke the past. Here she is at her most profound and inventive, in a novel that celebrates the best and worst of ourselves.

Pentagon 9/11 Sphere

"Meticulously researched and beautifully crafted.... This is glorious work." – Washington Post "A gripping, deeply relevant book." – New York Times Book Review From Paulette Jiles, author of the critically acclaimed New York Times bestsellers *Enemy Women* and *Stormy Weather*, comes a stirring work of fiction set on the untamed Texas frontier in the aftermath of the Civil War. One of only twelve books longlisted for the 2009 Scotiabank Giller Prize—one of Canada's most prestigious literary awards—*The Color of Lightning* is a beautifully rendered and unforgettable re-examination of one of the darkest periods in U.S. history.

Discover more of Rumaysa's adventures in the enchanting sequel Rumaysa: Ever After.

Secrets Random House

Covering the same ground as the major motion picture *The Free State of Jones*, starring Matthew McConaughey, this is the extraordinary true story of the anti-slavery Southern farmer who brought together poor whites, army deserters and runaway slaves to fight the Confederacy in deepest Mississippi. "Moving and powerful." -- The Washington Post. In 1863, after surviving the devastating Battle of Corinth, Newton Knight, a poor farmer from Mississippi, deserted the Confederate Army and began a guerrilla battle against it. A pro-Union sympathizer in the deep South who refused to fight a rich man's war for slavery and cotton, for two years he and other residents of Jones County engaged in an insurrection that would have repercussions far beyond the scope of the Civil War. In this dramatic account of an almost forgotten chapter of American history, Sally Jenkins and John Stauffer upend the traditional myth of the Confederacy as a heroic and unified Lost Cause, revealing the fractures within the South.

The Last Thing She Ever Did Hachette UK

Public relations as described in this volume is, among other things, society's solution to

problems of maladjustment that plague an overcomplex world. All of us, individuals or organizations, depend for survival and growth on adjustment to our publics. Publicist Edward L. Bernays offers here the kind of advice individuals and a variety of organizations sought from him on a professional basis during more than four decades. With such knowledge, every intelligent person can carry on his or her activities more effectively. This book provides know-why as well know-how. Bernays explains the underlying philosophy of public relations and the PR methods and practices to be applied in specific cases. He presents broad approaches and solutions as they were successfully carried out in his long professional career. Public relations is not publicity, press agency, promotion, advertising, or a bag of tricks, but a continuing process of social integration. It is a field of adjusting private and public interest. Everyone engaged in any public activity, and every student of human behavior and society, will find in this book a challenge and opportunity to further both the public interest and their own interest.

Jacqueline Wilson X 10 Copy Boxed Set Random House

Oregon's Deschutes River. For years Liz and Owen have admired their neighbors, Carole and David, who seem to have it all: security, happiness, and a beautiful son, Charlie. Then Charlie vanishes without a trace. In a heartrending accident, Liz has changed the lives of everyone she loves-- and is concealing it. As two marriages buckle in grief and fear, Liz retreats into guilt and paranoia... and another neighbor has his own secrets, his own pain, and his own reasons for watching Liz's every move.

Totally Jacqueline Wilson Penguin

Lovable rogue and sleuth extraordinaire Sam Levitt is back in another beguiling, as-only-Peter-Mayle-can-write-it romp through the South of France. At the end of *The Vintage Caper*, Sam had just carried off a staggering feat of derring-do in the heart of Bordeaux, infiltrating the ranks of the French elite to rescue a stolen, priceless wine collection. With the questionable legality of the adventure--and the threat of some very powerful enemies!--Sam thought it'd be a while before he returned to France, especially with the charms of the beautiful Elena Morales to keep him in Los Angeles. But when the immensely wealthy Francis Reboul--the victim of Sam's last heist but someone who knows talent when he sees it--asks our hero to take a job in Marseille, it's impossible for Sam and Elena to resist the possibility of further excitement . . . to say nothing of the pleasures of the region. Soon the two are enjoying the coastal sunshine and the delectable food and wine for which Marseille is known. Yet as a competition over Marseille's valuable waterfront grows more hotly disputed, Sam, representing Reboul, finds himself in the middle of an increasingly intrigue-ridden and dangerous real-estate grab, with thuggish gangsters on one side and sharklike developers on the other. Will Sam survive this caper unscathed? Will he live to enjoy another bowl of bouillabaisse? All will be revealed--with luck,

savvy, and a lot of help from Sam's friends--in the novel's wonderfully satisfying climax.

Traces One World

When local author Dane Starbuck set out several years ago to write the biography of Pierre Goodrich, scion of one of Indiana's most prominent twentieth-century families, he soon discovered that it was impossible to really understand Pierre Goodrich without also closely examining his family. Starbuck's years of research culminated in *The Goodriches: An American Family*, now available from Liberty Fund. This work is a revealing window into the founding ideals of both Indiana and our country, and how our founders meant these ideals to be lived. *The Goodriches: An American Family* begins with the birth of James P. Goodrich in 1864 and continues through the death of his son Pierre F. Goodrich in 1973. As the story of two fascinating and fiercely individualistic men, it is compelling reading, but as author Dane Starbuck says in the preface, "the later chapters of this book are as much a social commentary on American life in the twentieth century as parts of a biography of two accomplished men." In his foreword to *The Goodriches: An American Family*, James M. Buchanan, Nobel laureate in economics and celebrated Liberty Fund author, says, "The Indiana Goodriches are an American family whose leading members, James and Pierre, helped to shape the American century. . . . This biography makes us recognize what is missing from the millennial setting in which we find ourselves. We have lost the 'idea of America,' both as a motivation for action and as a source of emotional self-confidence. We have lost that which the Goodriches possessed." What did the Goodrich family "possess" which made them so unique? A belief in the power of knowledge, the importance of education, and a strong work ethic combined to imbue the Goodrich family with a distinctive sense of civic duty. James Goodrich served as governor of Indiana from 1917 to 1921 and as adviser to Presidents Warren G. Harding, Calvin Coolidge, and Herbert Hoover. During his eulogy of James Goodrich, the Reverend Gustav Papperman explained, "The Governor felt that he had been given talents that were a trust, that he was to administer them faithfully. . . ." According to author Dane Starbuck, "Education was a large part of the Goodriches' work ethos. . . . The family viewed education as a process by virtue of which the individual remained informed, made better business decisions, learned the importance of citizenship, and was given an opportunity for individual self-improvement. Therefore, work and education became the centerpieces of the Goodrich family's ethical and practical life." In later years, Pierre Goodrich, successful businessman and entrepreneur, would set aside a portion of his estate to found Liberty Fund because he believed that the principles of liberty on which our nation was founded need to be constantly kept before the public.

The Chanel Sisters Harper Collins

THE FIRST NOVEL IN J. D. ROBB'S #1 NEW YORK TIMES BESTSELLING IN DEATH SERIES In the year 2058, technology completely rules the world. But for New York City Detective Eve Dallas, one irresistible impulse still rules the heart: passion... Eve Dallas is a New York police lieutenant hunting for a ruthless killer. In over ten years on the force,

she's seen it all—and knows her survival depends on her instincts. And she's going against every warning telling her not to get involved with Roarke, an Irish billionaire—and a suspect in Eve's murder investigation. But passion and seduction have rules of their own, and it's up to Eve to take a chance in the arms of a man she knows nothing about—except the addictive hunger of needing his touch.

In a galaxy at war, where Humans and Aliens are deadly enemies, the only people who can help him are an Alien starship crew - and an Alien warrior girl, with neon needles in her hair . . .

The Jacqueline Wilson Collection Doubleday Children's

"A searing and emotionally gripping account of a young black girl growing up to become a strong black woman during the most difficult time of racial segregation."—Professor Charles Ogletree, Harvard Law School "Provides important context for an important moment in America's history."—Associated Press When fourteen-year-old Carlotta Walls walked up the stairs of Little Rock Central High School on September 25, 1957, she and eight other black students only wanted to make it to class. But the journey of the "Little Rock Nine," as they came to be known, would lead the nation on an even longer and much more turbulent path, one that would challenge prevailing attitudes, break down barriers, and forever change the landscape of America. For Carlotta and the eight other children, simply getting through the door of this admired academic institution involved angry mobs, racist elected officials, and intervention by President Dwight D. Eisenhower, who was forced to send in the 101st Airborne to escort the Nine into the building. But entry was simply the first of many trials. Breaking her silence at last and sharing her story for the first time, Carlotta Walls has written an engrossing memoir that is a testament not only to the power of a single person to make a difference but also to the sacrifices made by families and communities that found themselves a part of history.

Phoenix Anchor

Ten explorers. Four boats. One Grand Canyon. **MEN ON BOATS** is the true(ish) history of an 1869 expedition, when a one-armed captain and a crew of insane yet loyal volunteers set out to chart the course of the Colorado River.
