Create a Life to Love Knopf

What if you could, with a little effort, finally find a path to self-love that suits you specifically? A path that will no longer lead you back to exes? A path that will no longer allow you to feel "stuck" in the same kind of poisonous relationships and situationships as everyone else around you? A path to finding out what it truly means to love YOUR self in such a way that it supercharges the love you give to others? We hear it and read about it all the time: "Love Yourself First." But HOW is the question that we all ask ourselves. Horacio Jones has expanded on the ideas that love comes in over 7 billion forms; we all learn and experience love in our own languages, and therefore our paths to healing and accepting ourselves are in different languages as well. There is no one-size-fits-all definition of love. Love is neither right or wrong, it just "is." And the purpose of this book is to shed light on the importance of living by not only your own love language, but also your own healing language. In *"I Am The Love Of My Life,"* Horacio Jones provide you with the enlightenment on finding YOUR own unique path to love YOUR own self. A must-read for anyone whose ever had one of those "why is it so hard to love myself" moments of self doubt.. This book will give you both new perspectives on self-appreciation principles as well as tactical thinking for figuring out what your own unique version of self-love looks like and how you can get there. Horacio Jones does an amazing job at speaking the truth in regards to relationships, situationships and love. This is a must read especially in today's society of "I don't want a relationship, but I don't want you to be single," and the very confusing "we are exclusive, but not officially together" type of dating. Welcome to the SECOND book written by Horacio Jones.

More Than I Love My Life Henry Holt

'EYEWITNESS GOLD' SUNDAY TIMES WHO - OR WHAT - WAS THE REAL LOVE OF FREDDIE MERCURY'S LIFE? THE SENSATIONAL NEW BIOGRAPHY OF QUEEN'S FRONTMAN Millions of Queen and screen fans who watched the Oscar-winning film Bohemian Rhapsody believe that Mary Austin, the woman he could never quite let go of, was the love of Freddie Mercury's life. But the truth is infinitely more complicated. Best-selling biographer and music writer Lesley-Ann Jones explores the charismatic frontman's romantic encounters, from his boarding school years in Panchgani, India to his tragic, final, bed-ridden days in his magnificent London mansion. She reveals why none of his love interests ever perfected the art of being Freddie's life partner. In *Love of My Life*, the author follows him through his obsessions with former shop girl Mary, German actress Barbara Valentin and Irish-born barber boyfriend Jim Hutton. She explores his adoration of globally famed Spanish soprano Montserrat Caballé. She delves into his intimate friendship with Elton John, and probes his imperishable bonds with his fellow band members. She deconstructs his complicated relationship with the 'food of love' - his music - and examines closely his voracious appetite for - what some would call his fatal addiction to - sex. Which of these was the real love of Freddie Mercury's life? Was any of them? Drawing on personal interviews and first-hand encounters, this moving book brings to the fore a host of Freddie's lesser-known loves, weaving them in and out of the passions that consumed him. The result, a mesmerising portrait of a legendary rock star, is unputdownable. *Love of My Life*, published during the year of the 30th anniversary of his death and that would have seen his 75th birthday, is Lesley-Ann's personal and compassionate tribute to an artist she has revered for as long as she has written about music and musicians.
