If Your Love Life Stinks, There's a Spiritual Reason Pan Macmillan

A remarkable novel of suffering, love, and healing—the story of three generations of women on an unlikely journey to a Croatian island and a secret that needs to be told—from the internationally best-selling author of *To the End of the Land* “ A magnificent book . . . The way Grossman writes about these regions is unique, with a deep understanding of our experience. ” —Josip Mlaki , Express (Croatia) More Than I Love My Life is the story of three strong women: Vera, age ninety; her daughter, Nina; and her granddaughter, Gili, who at thirty-nine is a filmmaker and a wary consumer of affection. A bitter secret divides each mother and daughter pair, though Gili—abandoned by Nina when she was just three—has always been close to her grandmother. With Gili making the arrangements, they travel together to Goli Otok, a barren island off the coast of Croatia, where Vera was imprisoned and tortured for three years as a young wife after she refused to betray her husband and denounce him as an enemy of the people. This unlikely journey—filtered through the lens of Gili ' s camera, as she seeks to make a film that might help explain

her life—lays bare the intertwining of fear, love, and mercy, and the complex overlapping demands of romantic and parental passion. More Than I Love My Life was inspired by the true story of one of David Grossman's longtime confidantes, a woman who, in the early 1950s, was held on the notorious Goli Otok (" the Adriatic Alcatraz "). With flashbacks to the stalwart Vera protecting what was most precious on the wretched rock where she was held, and Grossman's fearless examination of the human heart, this swift novel is a thrilling addition to the oeuvre of one of our greatest living novelists, whose revered moral voice continues to resonate around the world.

Losing the love of my life and the fight to honour his memory Random House

A man named Jesus, whom is considered the Christ by countless people around the world to this day, lost his life at the hands of barbarians while residing in Canaan, where he devoted his life to making those around him aware they had the potential to become gods. Despite the accumulation of so many technological innovations over the past two millennium that were supposed to ease the daily hardship of people everywhere, so more time could be devoted to pursuits that cultivate the mind, evidence indicates that the size of the Homo-sapien brain, male and female alike, has persistently decreased over this passage of time. The pain, and suffering, endured by Jesus was supposed to serve as a wake up call to the savages in his midst, and the generations to follow, that they had much to learn about what he means to be civilized, as we see amply evidence of to this very day. The Life and Loves of Freddie Mercury The Love of My Life A Novel

In this personal account, one man details how his past life sins had a direct effect on his love life. Frank Mares, a successful middle-aged businessman, was always mystified why his love life was snake bitten. Others thought of him as a considerate, funny guy with good looks, but every one of his long-term relationships with attractive women ended in a fiery wreck. After the death of his father, he started a meditation practice that inexplicably rewarded him with psychic abilities. With his new gift, he discovers that reincarnation is real and he recovers facts about nine of his past lives. Most of those lives involved violent, bloody deaths. Mares goes on a spiritual journey to find out why he kept dying violently and why he couldn't find the love he was looking for in his current life. The answers do not come easily, but by using a team of three world class psychics, he tracks down the shocking reason why the Universe is angry with his soul. The psychic team finds that within the soul of this normal, small businessman resides a brutal, stone killer from the 1600's, who surprisingly was the revered founder of a gentile noble family. The killer's portrait still hangs in his tourist destination castle outside of Prague, while Mares pays his Karmic bill. Mares hopes to salvage the dark time in his soul's past into something that could help others today. Specifically, he found that everyone's long term romantic relationships were preplanned before their births. This planning was done not so that you can find love and happiness, but rather so that your soul can learn spiritual lessons through heartache. By examining his past relationships with a new perspective, he saw how the Universe set him up for romantic doom through amazing coincidental encounters and by ruthlessly preventing more suitable girls from ever meeting him. If you read this book, you will never look at Love and Death in the same way again. In addition, some of your past romantic disappointments might now start to make sense.

What if you could, with a little effort, finally find a path to self-love that suits you specifically? A path that will no longer lead you back to exes? A path that will no longer allow you to feel "stuck" in the same kind of poisonous relationships and situationships as everyone else around you? A path to finding out what it truly means to love YOUR self in such a way that it superchargers the love you give to others? We hear it and read about it all the time: "Love Yourself First." But HOW is the question that we all ask ourselves. Horacio Jones has expanded on the ideas that love comes in over 7 billion forms; we all learn and experience love in our own languages, and therefore our paths to healing and accepting ourselves are in different languages as well. There is no one-size-fits-all definition of love. Love is neither right or wrong, it just "is." And the purpose of this book is to shed light on the importance of living by not only your own love language, but also your own healing language. In "I Am The Love Of My Life," Horacio Jones provide you with the enlightenment on finding YOUR own unique path to love YOUR own self. A must-read for anyone whose ever had one of those "why is it so hard to love myself"" moments of self doubt.. This book will give you both new perspectives on self-appreciation principles as well as tactical thinking for figuring out what your own unique version of self-love looks like and how you can get there. Horacio Jones does an amazing job at speaking the truth in regards to relationships, situationships and love. This is a must read especially in today's society of "I don't want a relationship, but I don't want you to be single," and the very confusing "we are exclusive, but not officially together" type of dating. Welcome to the SECOND book written by Horacio Jones.
