It is often said that Rumi (aka Jalal al-Din, 1207-73) is now the most popular poet in the United States. This conquest of the new world by a middle-eastern medieval writer who died before Chaucer was even born has been achieved with extraordinary speed in less than thirty years. The main key to Rumi's success is the spiritual appeal of his work. It combines lyrical beauty with philosophical profundity, a sense of rapture and an acute awareness of human suffering in ways which speak directly to contemporary audiences. Like the metaphysical poets, Donne, Vaughan and Herbert, Rumi yokes together everyday images with complex ideas. He talks about divine love in vivid human terms. As a religious teacher of the Dervish order, he expounds the mystical doctrines of Sufism which focus on the notion of union with the Beloved to whom many of the poems are addressed. Persian poetry of this period is not easy to translate. In order to give the greatest possible access to a wonderful poet this selection draws on a variety of translations from the early 20th century to the present,

ranging from scholarly renderings to free interpretations.

Cambridge University professor Reynold Nicholson once remarked that the 13th-century Persian poet Rumi is the "greatest mystical poet of any age." In Rumi's vision, love is the very matrix of existence; love is what moves life. His poetry expresses the deepest and the most inclusive layers of love, and thus connects us to an immense source of joy, compassion, creativity, and mystery. This book is a new anthology and an original translation of Rumi's poetry. It is divided into three parts. Part I contains two essays, one on Rumi's life ("A Messenger from the Sun") and the other on his poetic vision and thought ("The Path of Love in the Ocean of Life"), which together help the reader better situate his poetry. Part II presents 144+1 quatrains (Rubaiyat) of Rumi categorized into 12 thematic chapters: On the Pain and Joy of Longing; The Search; Who Am I?; The Beloved's Face; Die to Yourself; The Art of Living; Night Secrets; Water of Life; Fire of Love; Unity and Union; Peaceful Mind; and Rumi on His Life, Poetry and Death. These poems have been selected and translated from the authentic Persian editions of Rumi's *Divan-e Shams*. For readers interested in the cadence and rhythm of the poems in the original language the Persian reading (in English script) is also given under each translated poem. Part III is a selection of 12 wisdom stories from Rumi's own life (taken from a 14th-century biographical work on Rumi). A glossary of symbolic terms in Rumi's poetry, and references to the original sources of the translated poems are also given at the end of the book. This anthology brings fresh insight into the work and mind of a master poet who mapped the path of spiritual quest and union, and painted in words the art of loving.

In the Arms of the Beloved All Year Round with Rumi

Rowdy, ecstatic, and sometimes stern, these teaching stories and fables reveal new and very human properties in Rumi's vision. Included here are the notorious "Latin parts" that Reynold Nicholson felt were too unseemly to appear in English in his 1920s translation. For Rumi, anything that human beings do—however compulsive—affords a glimpse into the inner life. Here

are more than 40 fables or teaching stories that deal with love, laughter, death, much more.

betrayal, and the soul. The stories are exuberant, earthy, and bursting with vitality—much like a painting by Hieronymus Bosch or Chaucer's *Canterbury Tales*. The characters are guilty, lecherous, tricky, ribald, and finally possessors of opened souls. Barks writes: "These teaching stories are a kind of scrimshaw—intricately carved, busy figures, confused and threatening, and weirdly funny. This is an entertaining collection from one of the greatest spiritual poets of all time, rendered by his most popular translator. " The minute I heard my first love story, I started looking for you, not knowing how blind that was. Lovers don't finally meet somewhere. They're in each other all along. " --Rumi

Rumi's *Masnavi* is widely recognized as the greatest Sufi poem ever written, and has been called 'the Koran in Persian'. The thirteenth-century Muslim mystic Rumi composed his work for the benefit of his disciples in the Sufi order named after him, better known as the whirling dervishes. In order to convey his message of divine love and unity he threaded together entertaining stories and penetrating homilies. Drawing from folk tales as well as sacred history, Rumi's poem is often funny as well as spiritually profound. As Barks writes in his introduction to this collection, "Silence is a deeper way that lovers have found." Rumi's silence is that of the chef who hands you a spoon to let you taste, now that the recipe-reading is over. The silence becomes an inward communion, an experience beyond any doctrinal description. Somehow, in these poems, Rumi uses words to take us over into that silence.

Love - The Joy That Wounds Maypop Books

Rumi's poetry has been published in various English editions since the 19th century. And there has been no shortage of translators. Today, through the translations of Coleman Barks, he is the best-selling poet in the English language. The market for his poems is insatiable. He has a loyal following of English readers and serious devotees. Still, in English, Rumi's poems have often been rendered into a literal and academic prose that is awkward and wooden -- or into a New-Age idiom that bears little relationship to the author's original text or his context.

Professors Amin Banani and Anthony A. Lee come to the rescue with a masterful translation that bridges the academic demand for fidelity to

the original Persian text with a sensitive poetic translation that speaks to 21st-century readers. The book has three sections: 1) a general introduction to Rumi's poetry, 2) translations of 53 short poems, and 3) a groundbreaking essay by Banani on the position of Rumi in Islamic poetry and in world literature. The poems are presented as lessons on love. The reader is encouraged to treat them as koans to inspire spiritual contemplation.
