This second volume in the Palgrave Studies in Practice: Global Fashion Management series focuses on core strategies of branding and communication of European luxury and premium brands. Brand is a critical asset many firms strive to establish, maintain, and grow. It is more so for fashion companies when consumers purchase styles, dreams and symbolic images through a brand. The volume starts with an introductory chapter that epitomizes the essence of fashion brand management with a particular emphasis on emerging branding practices, challenges and trends in the fashion industry. The subsequent five cases demonstrate how a family workshop from a small town can grow into a global luxury or premium brand within a relatively short amount of time. Scholars and practitioners in fashion, retail, branding, and international business will learn how companies can establish a strong brand identity through innovative strategies and management.

Designing Luxury Brands Springer Science & Business Media

The definitive guide to managing a luxury brand, newly revised and updated What defines a luxury brand? Traditional wisdom suggests that it's one that's selective and exclusive—to such a degree that only one brand can exist within each retail category (automobiles, fragrances, cosmetics, etc.). But this definition is inherently restrictive, failing to take into account the way in which luxury brands today are increasingly identified as such by their placement in stores and how consumers perceive them. This revised and updated edition of Luxury Brand Management, the first comprehensive book on luxury brand management, looks at the world of branding today. Written by two renowned insiders, the book builds on this new, broader definition of luxury and examines more than 450 internationally known brands from a wide range of industries. Packed with new information covering the financial crisis's impact on luxury brands, and looking towards a new period of growth, the book reconciles management, marketing, and creation with real-life examples and management tools that the authors have successfully used in their professional careers. Includes dedicated chapters focusing on each of the main functions of a luxury brand, including brand creation, the complexity of managing brand identity, the convergence of arts and brands, and much more Addresses the practical functions that can make or break bottom lines and affect brand perception, such as distribution, retailing, logistics, and licensing Focuses on brand lifecycle, brand identity, and licensing issues A compelling and comprehensive examination of the different dimensions of luxury management in various sectors, this new edition of the classic text on brand management is essential reading for anyone working with or interested in making the most of a luxury brand in the postrecession world.

This volume explores the interconnection of social, political, technological and economic challenges that impact consumer relationships, new product launches and consumer interests. Featuring contributions presented at the 2019 Academy of Marketing Science (AMS) World Marketing Congress (WMC) held in Edinburgh, Scotland, the theme of this proceedings draws from the Scottish Enlightenment movement of the mid-Eighteenth Century, which centered on ideas of liberty, progress and the scientific method. The core values of this movement are being challenged by the rapidly changing, globally shifting and digitally connected world. The contributions presented in this volume reflect and reframe the roles of marketers and marketing in incorporating and advancing the ideas of the Scottish Enlightenment within contemporary marketing theory and practice. Founded in 1971, the Academy of Marketing Science is an international organization dedicated to promoting timely explorations of phenomena related to the science of marketing in theory, research, and practice. Among its services to members and the community at large, the Academy offers conferences, congresses, and symposia that attract delegates from around the world. Presentations from these events are published in this Proceedings series, which offers a comprehensive archive of volumes reflecting the evolution of the field. The series deliver cutting-edge research and insights, complementing the Academy's flagship journals, the Journal of the Academy of Marketing Science (JAMS) and AMS Review (AMSR). Volumes are edited by leading scholars and practitioners across a wide range of subject areas in marketing science.
