In the face of false teachings about Jesus, the apostle John took a direct approach. "I heard Jesus speak," he wrote. "I saw him . . . I even touched him." Just as we would write about someone we knew and loved, John told the early believers the truth about the Savior. But he didn't let them off the hook without an examination of their lives. Pastor John

MacArthur will take you through these short but impactful letters, passage by passage, so that you can better understand their message of forgiveness, how to uphold a biblical faith, and the real dangers of spiritual warfare. John was not alone in his concern about the influence of false teachers in the early church. Jude, a half-brother of Christ, also wrote to the believers. In his letter, he firmly urged all believers to fight for truth, and encouraged all followers of Jesus to stand firm in the faith.

In a world of divorce, casual sex, and homosexual unions, "family" once the bedrock of our culture is becoming a matter of uncertainty and argument.

From some quarters,

for men and women are ridiculed. And standing firm in a healthy, well-functioning family is harder than ever. So how can you have a happy home? How can you pass on strong morals to your children in a world going awry? By following God's divine plan for family life," writes Bible teacher, pastor, father, and grandfather John MacArthur in this book.

There's no magic formula. There's no gimmick. It's not about how many times you do something, or who is in charge of this or that, or what kind of processes or methods you use. It comes down to answering these questions: "Am I committed to obedience to the Spirit of God? Am I committed to the controlling influences of the Word of God? Am I going to live

---

out a Christian life?" If you can answer yes to all of those questions, then you are bound to have a successful, fulfilled, God-honoring family life.

The United States is considered a Christian country, yet its declining morals, its tolerance of sin, and its growing disdain for any association with the Bible proves otherwise.
