"THE
MAHABHARATA
ENDURES AS THE
GREAT EPIC OF
INDIA. While Jaya is
the story of the
Pandavas, told from
the perspective of the

victors of Kurukshetra,
Ajaya is the tale of the
Kauravas, who were
decimated to the last
man. From the pen of
the author who gave
voice to Ravana in the
national bestseller,
ASURA, comes the

riveting narrative which compels us to question the truth behind the Mahabharata. THE DARK AGE OF KALI IS RISING and every man and woman must choose between duty and conscience, honour and shame, life and death... o The Pandavas, banished to the forest following the disastrous games of dice, return to Hastinapura. o Draupadi has vowed not to bind her hair till she washes it in the blood of the Kauravas. o Karna must choose between loyalty and gratitude, friend and Guru. o Aswathama undertakes a perilous mission to the mountains of Gandhara, in search of the Evil One. o Kunti must decide between her firstborn and her other sons. o Guru Drona has to stand

with either his favourite disciple or his beloved son. o Balarama, having failed to convince his brother about the adharma of violence, walks the streets of Bharatavarsha, spreading the message of peace. o Ekalavya is called to make the ultimate sacrifice to uphold a woman ' s honour. o Jara, the beggar, sings of Krishna ' s love while his blind dog, Dharma, follows. o Shakuni can almost see the realization of his dream to destroy India. As the Pandavas stake their claim to the Hastinapura throne, the Kaurava Crown Prince, Suyodhana, rises to challenge Krishna. As great minds debate dharma and adharma, power hungry men prepare for an apocalyptic war.

The women, highborn and humble, helplessly watch the unfolding disaster with deep foreboding. And greedy merchants and unscrupulous priests lie in wait like vultures. Both sides know that beyond the agony and carnage the winner will take all. But even as gods conspire and men ' s destinies unfold, a far greater truth awaits. ***** One of the six most remarkable writers of India. DNA An Amazing read. The WEEK Unique voice of a rebellious author telling the story from the other side, a feat a few have dared or managed so well. Bihar Times" **Jungle book stories Penguin Books India 244 BC Asoka**

the Great Mahabharata; a secret that could destroy the world; a secret hidden away for over 2300 years... Present Day A retired nuclear scientist is murdered. He leaves only e-mails with clues for his nephew. He and his friends follow a trail through ciphers and 2000-year-old ruins. Pursued by

powerful dark forces, caught between the secrets of the past and the intrigues of the present, can they unravel the mystery before an unspeakable horror is unleashed on the world... CHRISTOPHER C DOYLE graduated from St. Stephens College, Delhi, with a degree in Economics and studied Business Management at IIM Calcutta. Since childhood, his literary

mentors have been Jules Verne, HG Wells, Isaac Asimov, Robert Heinlein, JRR Tolkein, Robert Jordan and Terry Brooks. Christopher has written articles on management and business for several publications, and is regularly invited to speak at conferences. He worked with leading multinationals before setting up a strategic consultancy in India in partnership with a US-based firm. He

is also a certified Executive Coach and works with senior executives to help them achieve better results in the workplace. Work aside, Christopher is a musician and lives his passion for music through his band called Mid Life Crisis which plays classic rock. He lives in Gurgaon with his wife, daughter and two dogs. The Mahabharata Secret is his

debut novel. An IIM graduate-turned-author, Christopher C Doyle is in the same league as Chetan Bhagat and Amish Tripathi Mahabharata Secret blends mythology and history with modern science and cutting edge technology A page turner with hi-octane suspense and intrigue Readership All fiction lovers, thriller junkies, history buffs, corporate yuppies,

educational institutes, libraries and general trade readers. The Hindu History John Wiley & Sons There is a gruesome killer on the loose in the streets of Kolkata. He thinks he is Duryodhana reborn. He has managed to kill his Draupadi, Sahadeva and Nakula. Will he get to the rest of the Pandavas? **The Book of Imaginary Beings** One Point Six Technology Pvt Ltd An epic fantasy based on the ancient Hindu classic finds young Rama, heir to the throne of Ayodhya, called upon by the legendary mage Vishwamitra when two powerful demons raise an army to

defeat the human world. 20,000 first printing.

*The
Mahabharata*
Harper
Collins
The
Mahabharata
is one of the
greatest
stories ever
told. Though
the basic
plot is
widely known,
there is much
more to the
epic than the
dispute
between
Kouravas and
Pandavas that
led to the

battle in Kurukshetra. It has innumerable sub-plots that accommodate fascinating meanderings and digressions, and it has rarely been translated in full, given its formidable length of 80,000 shlokas or couplets. This magnificent 10-volume unabridged translation of the epic is based on the Critical Edition

compiled at the Bhandarkar Oriental Research Institute. * The final volume ends the instructions of the Anushasana Parva. The horse sacrifice is held, and Dhritarashtra, Gandhari, Kunti, Vidura and Sanjaya leave for the forest. Krishna and Balarama die as the Yadavas fight among themselves. The Pandavas leave on the

great journey with the famous companion—Dharma disguised as a dog. Refusing to abandon the dog, Yudhishtira goes to heaven in his physical body and sees all the Kurus and the Pandavas are already there. * Every conceivable human emotion figures in the Mahabharata, the reason why the epic continues to hold sway over our imagination.

In this lucid, nuanced and confident translation, Bibek Debroy makes the Mahabharata marvellously accessible to contemporary readers.

The Mahabharata Secret

Scholastic Inc. This is one of the many inspiring books from the renowned "Motivator" Dr. G. Francis Xavier. Evidently, this harvest of stories has been

gleaned from lands he visited and books he read. Xavier, who conducts full-house personal growth courses has brought out this compendium in an interactive form, making the reader give the answers at the end of the story, which is a novel approach. Stories and examples are the best way

to inspire, and this volume can be gifted to anyone. It is useful for preachers, speakers and teachers. The book appeals to readers of all ages except the morose and irredeemable negaholics (negative thinking addicts) and anti-reading teenagers. It has stories to inspire and promises uninterrupted

d chuckles till the end. There are also quotations on success. *SECRET OF THE HIMALAYAN TREASURE* One Point Six Technology Pvt Ltd Since his childhood; Arun has secretly been in love with Susanna; his dangerously alluring neighbour; who becomes his friend despite the wide difference in their ages. But Susanna has a weakness for

falling in love with the wrong men. Over the years; Arun watches as Susanna becomes notorious as the merry widow who flits from one marriage to another; leaving behind a trail of dead husbands. It is only a matter of time before he too begins to wonder if there is any truth to the slanderous gossip surrounding the woman he is in love

with. In this gripping new novella of love and death; Bond revisits his previously published short story of the same name; included here in an appendix. This edition also features the screenplay *Saat Khoon Maaf*; based on this novella and written by award-winning film-maker Vishal Bhardwaj and Matthew Robbins. The Secret in

The Greatest
Story Ever
Told Dispute
over land and
kingdom may
lie at the

heart of this
story of war
between
cousins—the
Pandavas and
the
Kouravas—but
the
Mahabharata
is about
conflicts of
dharma. These
conflicts are
immense and
various,
singular and
commonplace.
Throughout
the epic,
characters
face them
with no clear
indications
of what is
right and
what is
wrong; there
are no
absolute
answers. Thus

every possible human emotion features in the Mahabharata, the reason the epic continues to hold sway over our imagination. In this superb and widely acclaimed translation of the complete Mahabharata, Bibek Debroy takes us on a great journey with incredible ease.

The Sixth String of Vilayat Khan

Twelve
This new

edition of Burton Stein's classic A History of India builds on the success of the original to provide an updated narrative of the development of Indian society, culture, and politics from 7000 BC to the present. New edition of Burton Stein's classic text provides a narrative from 7000 BC up to the twenty-first century Includes updated and extended coverage of the modern period, with a new chapter covering the

death of Nehru in 1964 to the present Expands coverage of India's internal political and economic development, and its wider diplomatic role in the region Features a new introduction, updated glossary and further reading sections, and numerous figures, photographs and fully revised maps Part of The Blackwell History of the World Series The goal of this ambitious series is to provide an accessible source of knowledge about

the entire human past, for every curious person in every part of the world. It will comprise some two dozen volumes, of which some provide synoptic views of the history of particular regions while others consider the world as a whole during a particular period of time. The volumes are narrative in form, giving balanced attention to social and cultural history (in the broadest sense) as well as to institutional development and political change. Each provides a systematic account of a very large subject, but they are also both imaginative and interpretative. The Series is intended to be accessible to the widest possible readership, and the accessibility of its volumes is matched by the style of presentation and production.

The Discovery of India
Juggernaut Books
Why is the number seven lucky--even

holy--in almost every culture? Why do we speak of the four corners of the earth? Why do cats have nine lives (except in Iran, where they have seven)? From literature to folklore to private superstitions, numbers play a conspicuous role in our daily lives. But in this fascinating book, Annemarie Schimmel

shows that numbers have been filled with mystery and meaning since the earliest times, and across every society. In *The Mystery of Numbers* Annemarie Schimmel conducts an illuminating tour of the mysteries attributed to numbers over the centuries. She begins with an informative and often surprising introduction to the origins of number systems: pre-Roman Europeans, for example, may have had one based on twenty, not ten (as suggested by the English word "score" and the French word for 80, *quatrevingt* --four times twenty), while the Mayans had a system more sophisticated than our own. Schimmel also reveals how our fascination with numbers has led to a rich cross-fertilization of mathematical knowledge: "Arabic" numerals, for instance, were picked up by Europe from the Arabs, who had earlier adopted them from Indian sources ("Algorithm" and "algebra" are corruptions of the Arabic
