A Malazan Tale of Bauchelain and Korbal Broach Tor Books

The epic new chapter in the history of Malaz—the new epic fantasy from Steven Erikson's friend and co-creator of this extraordinary and exciting imagined world. Darujhistan, city of dreams, city of blue flames, is peaceful at last; its citizens free to return to politicking, bickering, trading and, above all, enjoying the good things in life. Yet there are those who will not allow the past to remain buried. A scholar digging in the plains stumbles across an ancient sealed vault. The merchant Humble Measure schemes to drive out the remaining Malazan invaders. And the surviving agents of a long-lost power are stirring, for they sense change and so, opportunity. While, as ever at the centre of everything, a

thief in a red waistcoat and of rotund proportions walks the streets, juggling in one hand custard pastries, and in the other the fate of the city itself. Far to the south, fragments of the titanic Moon's Spawn have crashed into the Rivan Sea creating a series of isles...and a fortune hunter's dream. A Malazan veteran calling himself 'Red' ventures out to try his luck—and perhaps say goodbye to old friends. But there he finds far more than he'd bargained for as the rush to claim the Spawn's treasures descends into a mad scramble of chaos and bloodshed. For powers from across the world have gathered here, searching for the legendary Throne of Night. The impact of these events are far reaching, it seems. On an unremarkable island off the coast of Genabackis, a people who had turned their backs upon all such strivings now lift their masked faces towards the mainland and recall the ancient prophesy of a return. And what about the ex-Claw of the Malazan Empire who now walks the uttermost edge of creation? His mission—the success or failure of which the Queen of Dreams saw long ago—is destined to shape far more than anyone could have ever imagined. Vast legions of gods, mages, humans, dragons and all manner of creatures play out the fate of the Malazan Empire in this first book in a major epic fantasy series. The Malazan Empire simmers with discontent, bled dry by interminable warfare, bitter infighting and bloody confrontations with the formidable Anomander Rake and his Tiste Andii, ancient and implacable sorcerers. Even the imperial legions, long inured to the bloodshed, yearn for some respite. Yet Empress Laseen's rule remains absolute, enforced by her dread Claw assassins. For Sergeant Whiskeyjack and his squad of Bridgeburners, and for Tattersail, surviving cadre mage of the Second Legion, the aftermath of the siege of Pale should have been a time to mourn the many dead. But Darujhistan, last of the Free Cities of Genabackis, yet

holds out. It is to this ancient citadel that Laseen turns her predatory gaze.

However, it would appear that the Empire is not alone in this great game. Sinister, shadowbound forces are gathering as the gods themselves prepare to play their hand... Conceived and written on a panoramic scale, *Gardens of the Moon* is epic fantasy of the highest order--an enthralling adventure by an outstanding new voice. In Darujhistan, the saying goes that Love and Death shall arrive together, dancing... It is summer and the heat is oppressive, yet the discomfiture of the small rotund man in the faded red waistcoat is not entirely due to the sun. Dire portents plague his nights and haunt the city's streets like fiends of shadow. Assassins skulk in alleyways but it seems the hunters have become the hunted. Strangers have arrived, and while the bards sing their tragic tales, somewhere in the distance can be heard the baying of hounds. All is palpably not well. And in *Black Coral* too something is afoot. Memories of ancient crimes surface, clamouring for revenge and Anomander Rake, Son of Darkness, has come to right an ancient and terrible wrong. And so it would seem that Love and Death are indeed about to make their entrance... This is epic fantasy at its most imaginative, storytelling at its most exciting. ____ What readers are saying: ***** 'Epic action and breathless tension' ***** 'Dark and compelling . . . it was really hard to put down' ***** 'Innovative, unexpected . . . filled with laugh out loud humour, but also terribly poignant' Stonewielder Independently Published
