Ever since he first discovered Graham Greene's work, Pico Iyer has felt a haunting closeness with the English writer. In *The Man Within My Head*, Iyer follows Greene's trail from his first novel, *The Man Within*, to such later classics as *The Quiet American*, examining Greene's obsessions, his elusiveness, and his penchant for mystery. The deeper he plunges into this exploration, the more Iyer begins to wonder whether the man within his head might not be Greene but his own father, or perhaps ...

Pico Iyer, who has accumulated an increasingly complex and questioning body of writing himself,

and who spent a good portion of his youth commuting between frigid boarding schools in England and the incessantly sunny climes of his Los Angeles-based parents, writes of the man in his head with the charged perception of a long-lost son. Could he have chosen a more self-contradictory, shadowy father figure?

" The Man Within My Head " is the product of more than a decade of Pico Iyer ' s reflections about the dual influences his father and Greene exerted upon him.

The Man Within My Head: Amazon.co.uk: Iyer, Pico ...

Ostensibly "The Man Within My Head" is Iyer's meditation on Graham Greene, the writer nearest to his heart, but it is equally a meditation upon Iyer himself. Greene may be the man within his head, but why? What is it in us that makes a particular writer resonate in our souls? For Iyer Greene is his adopted father although the two never met.
