“Written with sardonic wit and penetrating intelligence, The Mansion of Happiness is a fascinating and startlingly original guide to the ways in which the human life-cycle has been imagined, manipulated, managed, marketed, and debased in modern times. Lepore weaves her way brilliantly along the mazy track that leads from the egg in which life 's game begins to the giant freezers in which certain crack-brained visionaries hope to defeat death itself.

The Mansion of Happiness by Jon Loomis - Goodreads

As much a meditation on the present as an excavation of the past, The Mansion of Happiness is delightful, learned, and altogether beguiling. In 1860, the year Abraham Lincoln was elected president, a lanky, long-nosed, twenty-three-year-old Yankee named Milton Bradley invented his first board game,...

In the 19th century, a Milton Bradley version of the British board game the Mansion of Happiness (known in recent decades as Life) became an enduring staple of American homes. The game raised in a playful way three perennial questions: how does life begin? what does it mean? and what happens when you're dead?

A highly selective and idiosyncratic collection of previously published work, The Mansion of Happiness is presented as “a history of ideas about life and death from before the cradle to

beyond the grave.” Lepore’s method is hardly systematic.

The Mansion of Happiness is a roll-and-move track board game, and, typical of such games, the object is to be the first player to reach the goal at the end of the board's track, here called The Mansion of Happiness .

The Mansion of Happiness: A History of Life and Death ...

The Mansion of Happiness depicted life as a struggle to practice virtue and avoid vice, thus eluding the game's lurking antagonist: Satan.

The Mansion of Happiness is an important addition to the effort.” — San Francisco Chronicle “Lepore has a brilliant way of selecting just the right historical detail to illuminate a larger point. . . . The most valuable lesson here is that of impermanence.

Everything changes. And although, as Lepore writes,...

The Mansion of Happiness - Simple English Wikipedia, the ...

The Mansion of Happiness was based on the Puritan world view. Even game mechanics were influenced by the Puritan view. A spinner or a top-like teetotum, for instance, was utilized in children's board games rather than dice, which were then associated with Satan and gambling. The game track is populated with virtuous deed spaces like...

The Mansion of Happiness: A History of Life and Death ...

Called the Mansion of Happiness, it — like the New Game of Human Life, a somewhat less thrilling predecessor — was based on the idea that life is a voyage in which travelers are buffeted between vice and virtue. In 1843 an American edition was issued. It quickly caught on, selling 4,000 copies in 10 months.
