The Mouth of the Gods

Big and bad enough to be

any girl's nightmare-or her best dream ever...Beyond your grasp. Those are the three words that come to mind, every time Ella sees Wolf at Club Atlantis. He earns the term Master, in and out of scene, yet there is something deeper and darker about him. She wants to dive into that abyss. Wolf sees the yearning. But the submissive he ultimately claims will become his servant, soul-bound to him for all eternity. Ella is a natural submissive, with

an endless desire to please. She's perfect for the role, really. Except Ella is a gift he doesn't deserve. However, vampires are wired one way-to take what they want, no matter what their conscience tells them. Even Wolf isn't strong enough to resist his nature...or the salvation Ella's love offers.

When Anwyn is viciously attacked and turned by a rogue vampire, Gideon and Daegan join forces to protect her through a dangerous transition. Loss left them only rage...Until they found each other... Cai doesn't want to be with anyone. He doesn't

want a damn servant, he doesn't want to be associated with damn vampires. Rand just wants to forget his human side, stay in his wolf form and find a satisfying and hopefully violent, bloody way to bring it all to an end. But when a young female vampire's life is at stake, the Vampire Council drafts Cai to enter a dark world he never wanted to visit again. Rand is too honorable to let him go alone, and the only way that can work is if he's Cai's fully marked servant, bound to the vampire for all

eternity. So fate decides these two lost souls need each other. Even if they have to tear each other apart to figure it out.

Joey W. Hill's Vampire Queen novels "keep the pages turning, your imagination running, [and] your dreams carnally vivid" (Bitten by Books). In her newest installment, a servant sentenced to death is sent into hiding and finds a passion she never expected in her new protector... Groomed from birth to be an Inherited Servant and serve only the

most powerful vampire Masters, Alanna never resented her destiny. Then she did the unthinkable: she betrayed her Master to the Vampire Council. Now death is her future, but until her Master is captured, she must be protected. The Vampire Council assigns her to Evan, a vampire whose wandering lifestyle makes him the perfect guardian... Alanna's training was for a vampire of power and ambition, not for someone like Evan who lives in mountainside shacks and caves. Even his servant, Niall, is rough mannered. But these two men are about to teach Alanna

something her rigorous training never did: how to feel, how to desire...perhaps even how to love. Then the Council captures her Master, and Alanna has no choice but to accept her destiny. But Evan and Niall are no strangers to defying fate—and they will stop at nothing to make Alanna theirs forever... The Mammoth Book of Vampire Stories by Women

An annotated cosmology of Anne Rice's Vampiredom from A(kasha) to Z(enobia)--all fifteen books of the Vampire Chronicles detailed, by a longtime Anne Rice reader and scholar; the who, what, where,

why, (and often) how of her beloved characters, mortal and 'im', brought together in a book for the first time. Illustrated by Mark Edward Geyer. An Alphabettery of Anne Rice's Vampire Chronicles gathers together, from all fifteen of the books in the series, the facts, details, story lines, genealogies of her characters, vampiric subjects, geographical influences, and cultural and individual histories, all of which Rice painstakingly researched and invented during her 40-year career--to date--through which she has enchanted and transported us.

Here are concise, detailed biographies of every character, no matter how central or minor to the cosmology. Revealed are the intricacies and interconnectedness of characters and subjects throughout. We see how Akasha (Queen of Egypt and the first vampire) is connected to Mekare (the inheritor of the title of the Queen of the Damned), etc., and how these characters connect back to the darkest rebel outlaw of them all, Lestat de Lioncourt ... And we see, as well, the ways in which Rice's vampires have evolved from warring

civilizations to isolated covens to a unified race of blood drinkers led by their hero-wanderer and sole monarch, Prince Lestat. For devoted and first-time Anne Rice readers alike, *An Alphabettery* of Anne Rice's *Vampire Chronicles* will be the holy grail of lore and revelation for those who have been, and continue to be, mesmerized by the worlds within worlds of these beloved tales of the undead.
