Uncommon Sense Multnomah

A husband-and-wife doctor team offers fresh and startling perspective on one of our most cherished and misunderstood institutions. Drs. Astro and Danielle Teller know better than most that finding the right partner in life doesn't always happen the first time around. Through their own divorces they learned how widely held cultural assumptions and misinformation that nobody thinks to question—what they refer to as “sacred cows”—create unnecessary heartache for people who are already suffering through a terrible time. Do you think, for example, that the divorce rate in the United States is rising? Or that children are harmed by divorce? Most people do, but it turns out that neither of these notions is supported by the data. Combining the rigor that has established them as leaders in their respective fields along with a dose of good-natured humor, the Tellers ask readers to take a fresh look at seven common sacred cows: the Holy Cow, the Expert Cow, the Selfish Cow, the Defective Cow, the Innocent Victim Cow, the One True Cow, and the Other Cow. This is not a book that is “for” marriage or “for” divorce, but “for” the freedom to decide

how to live most honestly and happily either as part of a couple or a single person.

Love Sense Penguin

This workbook is not a sweet, fluffy piece of candy that melts in your mouth and slips down your throat with a sigh of pleasure. Instead, it's more like a surgical scalpel that will cut deep to the core of who you are and what you've experienced, and it's going to hurt like crazy. But it will bring you deep healing and hope for a better future, and there are warm blankets of comfort laid out for you here and there along the way. You are going to take the manure the enemy put into your life, and you're going to make fertilizer. Fertilizer that will nourish the soil of your future and feed your new life. "For I am about to do something new. See, I have already begun! Do you not see it? I will make a pathway through the wilderness. I will create rivers in the dry wasteland." Isaiah 43:19

Adornment of the Spiritual Marriage Harmony

The summer after her first year of college, Isobel "Belly" Conklin is faced with a choice between Jeremiah and Conrad Fisher, brothers she has always loved, when Jeremiah proposes marriage and Conrad confesses that he still loves her.

The Marriage Bargain Penguin

Then try naming your loved one's... - Favorite candy - Most annoying habit - Worst dinner party story - Indefensible political views - Opinion about James Cameron's 1997 blockbuster Titanic Couldn't do it? How embarrassing for you Fortunately, Our Perfect Marriage can help. Part keepsake, part guided journal, part permanent record, this unique diary will capture every magical and mundane moment of your matrimony. From poignant fill-in-the-blank prompts (The First Time You Messed Up) to soul-searching scrapbooking exercises (The Story of Us as Told by Receipts), it's a must for any lucky couple teetering on the threshold of married bliss.

The Seven Principles for Making Marriage Work Tyndale House Publishers

Hadleigh Stevens finds her plan to find a husband disrupted when her brother's best friend, cowboy Tripp Galloway, who prevented her making a marital mistake ten years earlier, returns to Bliss County to save his father's ranch.

Is It Me? Making Sense of Your Confusing Marriage Taylor Trade Publishing

The sizzling first installment in the New York Times and USA Today bestselling Marriage to a Billionaire trilogy. To save her family home, impulsive bookshop owner Alexa McKenzie, casts a love spell, which conjures up an unexpected visitor - her best friend's older brother and the powerful man who once shattered her heart. Billionaire Nicholas Ryan doesn't believe in marriage, but in order to inherit his father's corporation, he needs a wife and needs one fast. When he discovers his sister's childhood friend is in dire financial straits, he offers Alexa an interesting proposal... A marriage in name only, the rules? Avoid entanglement. Keep things businesslike. Do not fall in love. The arrangement is only for a year so the rules shouldn't be that hard to follow... Except Fate has a way of upsetting the best laid plans... "Jennifer Probst has proved to be one of the most exciting breakout novelists in the romance genre." - USA Today

Marriage of a Thousand Lies Ibis Western Mystery Tradition

"This novel has all the funny banter and sexy feels you could want in a romantic comedy."—NPR A high stakes wager pits an aspiring entrepreneur against a ruthless CEO in this sexy romantic comedy. After her life falls apart, recruitment consultant Layla Patel returns home to her family in San Francisco. But in the eyes of her father, who runs a Michelin starred restaurant, she can do no wrong. He would do anything to see her smile again. With the best intentions in mind, he offers her the office upstairs to start her new business and creates a profile on an online dating site to find her a man. She doesn't know he's arranged a series of blind dates until the first one comes knocking on her door... As CEO of a corporate downsizing company Sam Mehta is more used to conflict than calm. In search of a quiet new office, he finds the perfect space above a cozy Indian

restaurant that smells like home. But when communication goes awry, he's forced to share his space with the owner's beautiful yet infuriating daughter Layla, her crazy family, and a parade of hopeful suitors, all of whom threaten to disrupt his carefully ordered life. As they face off in close quarters, the sarcasm and sparks fly. But when the battle for the office becomes a battle of the heart, Sam and Layla have to decide if this is love or just a game.

Uncivil Unions Moody Publishers

"What a strange invention marriage is!" wrote Kierkegaard. "Is it the expression of that inexplicable erotic sentiment, that concordant elective affinity of souls, or is it a duty or a partnership . . . or is it a little of all that?" Like Kierkegaard a few decades later, many of Germany's most influential thinkers at the turn of the eighteenth century wondered about the nature of marriage but rejected the easy answers provided by biology and theology. In *Uncivil Unions*, Adrian Daub presents a truly interdisciplinary look at the story of a generation of philosophers, poets, and intellectuals who turned away from theology, reason, common sense, and empirical observation to provide a purely metaphysical justification of marriage. Through close readings of philosophers like Fichte and Schlegel, and novelists like Sophie Mereau and Jean Paul, Daub charts the development of this new concept of marriage with an insightful blend of philosophy, cultural studies, and theory. The author delves deeply into the lives and work of the romantic and idealist poets and thinkers whose beliefs about marriage continue to shape ideas about gender, marriage, and sex to the present day.

That Question Book Harvard University Press

A New York Times Notable Book of 2011 A Publisher's Weekly Top 10 Book of 2011 A Kirkus Reviews Top 25 Best Fiction of 2011 Title One of Library Journal's Best Books of 2011 A Salon Best Fiction of 2011 title One of The Telegraph's Best Fiction Books of the Year 2011 It's the early 1980s—the country is in a deep recession, and life after college is harder than ever. In the cafés on College Hill, the wisened-up kids are inhaling Derrida and listening to Talking Heads. But Madeleine Hanna, dutiful English major, is writing her senior thesis on Jane Austen and George Eliot, purveyors of the marriage plot that lies at the heart of the greatest English novels. As Madeleine tries to understand why "it became laughable to read writers like Cheever and Updike, who wrote about the suburbia Madeleine and most of her friends had grown up in, in favor of reading the Marquis de Sade, who wrote about deflowering virgins in eighteenth-century France," real life, in the form of two very different guys, intervenes. Leonard

Bankhead—charismatic loner, college Darwinist, and lost Portland boy—suddenly turns up in a semiotics seminar, and soon Madeleine finds herself in a highly charged erotic and intellectual relationship with him. At the same time, her old "friend" Mitchell Grammaticus—who's been reading Christian mysticism and generally acting strange—resurfaces, obsessed with the idea that Madeleine is destined to be his mate. Over the next year, as the members of the triangle in this amazing, spellbinding novel graduate from college and enter the real world, events force them to reevaluate everything they learned in school. Leonard and Madeleine move to a biology Laboratory on Cape Cod, but can't escape the secret responsible for Leonard's seemingly inexhaustible energy and plunging moods. And Mitchell, traveling around the world to get Madeleine out of his mind, finds himself face-to-face with ultimate questions about the meaning of life, the existence of God, and the true nature of love. Are the great love stories of the nineteenth century dead? Or can there be a new story, written for today and alive to the realities of feminism, sexual freedom, prenups, and divorce? With devastating wit and an abiding understanding of and affection for his characters, Jeffrey Eugenides revives the motivating energies of the Novel, while creating a story so contemporary and fresh that it reads like the intimate journal of our own lives.

We'll Always Have Summer Simon and Schuster

"In this brilliant book, the authors build a fascinating bridge between science and the world of the senses, a bridge that holds great promise for overcoming the fragmentation and alienation that is so characteristic of our time." --Fritjof Capra, author of *The Tao of Physics* and *The Web of Life* "Likely to change many readers' comprehension of science." --Arthur Zajonc, author of *Meditation as Contemplative Inquiry: When Knowing Becomes Love* Having imagined a machine-like world, scientists now haunt this machine uneasily. Their plight is paradoxical: they have realized their world only through intense mental effort, yet this effort finds no legitimate place in the world it so painstakingly comprehends. It seems "objectivity" only comes at a cost. Why, for example, is science unable to describe a smile? Why is the moral life of a physicist regarded as his or her own private affair? This exclusion of human qualities from science has practical as well as theoretical consequences. If we systematically imagine a world in which

human beings don't exist, we will eventually create a world in which they cannot exist. Reclaiming the human sources of scientific insight, the authors of this book restore the scientist to the world given by science and celebrate the joyous marriage of sense and thought.

Making Marriage Simple Farrar, Straus and Giroux

Draws on extensive research, counseling workshops with couples and the authors' own 30-year relationship to distill basic, provocative truths about marriage and provide essential tools for rendering a marriage more rewarding and positive. 50,000 first printing.

The Book of Marriage Little, Brown Spark

Until very recently, no society had seen marriage as anything other than a conjugal partnership: a male–female union. *What Is Marriage?* identifies and defends the reasons for this historic consensus and shows why redefining civil marriage as something other than the conjugal union of husband and wife is a mistake. Originally published in the *Harvard Journal of Law and Public Policy*, this book's core argument quickly became the year's most widely read essay on the most prominent scholarly network in the social sciences. Since then, it has been cited and debated by scholars and activists throughout the world as the most formidable defense of the tradition ever written. Now revamped, expanded, and vastly enhanced, *What Is Marriage?* stands poised to meet its moment as few books of this generation have. Sherif Girgis, Ryan T. Anderson, and Robert P. George offer a devastating critique of the idea that equality requires redefining marriage. They show why both sides must first answer the question of what marriage really is. They defend the principle that marriage, as a comprehensive union of mind and body ordered to family life, unites a man and a woman as husband and wife, and they document the social value of applying this principle in law. Most compellingly, they show that those who embrace same-sex civil marriage leave no firm ground—none—for not recognizing every relationship describable in polite English, including polyamorous sexual unions, and that enshrining their view would further erode the norms of marriage, and hence the common good. Finally, *What Is Marriage?* decisively answers common objections: that the historic view is rooted in bigotry, like laws forbidding interracial marriage; that it is callous to people's needs; that it can't show the harm of recognizing same-sex couplings or the point of recognizing infertile ones; and that it treats a mere "social construct" as if it were natural or an unreasoned religious view as if it were rational.

The Marriage of Contraries HQN Books

This volume contains three of Jan van Ruysbroeck's best works:

The Adornment of the Spiritual Marriage, The Sparkling Stone, and The Book of Truth. These works are remarkable for their combination of lofty spiritual philosophy and robust common sense.

The Collected Works of Ken Wilber: The marriage of sense and soul : One taste Wm. B. Eerdmans Publishing

Couples spend an enormous amount of time and energy planning for the perfect wedding. But what about planning for the perfect marriage? In these times of rampant divorce and "relationship" crises, it makes sense to think seriously about the many challenges of married life that loom so large today. The Book of Marriage offers a treasury of marital wisdom from across the ages. Intellectually engaging, morally rich, and ideologically balanced, this anthology gathers some of the deepest, wittiest, and most edifying perspectives on the big questions of married life: Why get married at all? Can love last a lifetime? How do we handle money? Who's the boss? What about children? Conflict? Growing old? Illness and death? There is even a chapter on divorce -- one calculated to save a few marriages. To date there has been no single comprehensive book of source readings on marriage and family life. Assembled with the aid of noted scholars from various fields, this volume treats marriage as more than just a relationship -- as an institution, a vocation, and a source of great spiritual and emotional rewards. Each chapter introduces a different quandary of marriage and then culls the best from ancient and modern writings on the theme. The compendium of cultural wisdom on marriage ranges from the Bible and Eastern wisdom to Aristotle, St. Augustine, Maimonides, and Judith Wallerstein; from Homer, Shakespeare, Milton, and Jane Austen to Edward Albee, Gabriel Garcia Marquez, and Bill Cosby. An important resource for young adults, college students, engaged and married couples, educators, marriage counselors, therapists, pastors, and other family professionals, The Book of Marriage celebrates the diversity and essential humanity of the marital experience in a way that is accessible, entertaining, and eminently useful.

The Marriage You've Always Wanted Guilford Press

"What a gorgeous, heartbreaking novel."—Roxane Gay ?? A necessary and exciting addition to both the Sri Lankan-American and LGBTQ canons, SJ Sindu's debut novel offers a moving and sharply rendered? exploration of friendship, family, love, and loss. Lucky and her husband, Krishna, are gay. They present an illusion of marital bliss to their conservative Sri Lankan–American families, while each dates on the side. It's not ideal, but for Lucky, it seems to be working. She goes out dancing, she drinks a bit, she makes ends meet by doing digital art on commission. But when Lucky's grandmother has a nasty fall, Lucky returns to her childhood home and unexpectedly reconnects with her former best friend and first lover, Nisha, who is preparing for her own arranged wedding with a man she's never met. As the connection between the two women is rekindled, Lucky tries to save Nisha from entering a marriage based

on a lie. But does Nisha really want to be saved? And after a decade's worth of lying, can Lucky break free of her own circumstances and build a new life? Is she willing to walk away from all that she values about her parents and community to live in a new truth? As Lucky—an outsider no matter what choices she makes—is pushed to the breaking point, *Marriage of a Thousand Lies* offers a vivid exploration of a life lived at a complex intersection of race, sexuality, and nationality. The result is a profoundly American debut novel shot through with humor and loss, a story of love, family, and the truths that define us all.

The Marriage of Sense and Thought Crown Archetype
