Milliken and Mae have never left The Trench—it's all they've ever known. They were born in The Trench, and they'll die there, just like all their people do. The two girls, eight and eleven, are a part of The Trenchfolk, a sprawling settlement of people living inside the massive ice walls of a vast,

On Milliken's twelfth birthday, their father takes the two girls on an overnight skate down the trench—a coming-of-age ritual to teach them how to fish the frozen river, how to hunt the wild Trenchdogs that wander its frigid banks, and how to give proper thanks to their frozen Gods—The Colden Ones.
