How to Date a Werewolf: #1 Never call him 'Good Doggie.' I've got a problem. A big, hairy problem. An enforcer from the Werewolves Motorcycle Club broke into my house. He thinks I know the Werewolves' secret, and the pack sent him to guard me. #2 During a full moon, be ready to get freaky By the time he decides I'm no threat, it's too late. His wolf has claimed me for his mate. Too bad we can't stand each other... # 3 Bad girls get eaten in the bedroom ...until instincts take over. Things get wild. Naked under the full moon, this wolfman has me howling for more. # 4 Break ups are hairy Not even a visit from the mob, my abusive ex, my crazy mother and a road trip across the state in a hippie VW bus can shake him. #5 Beware the mating bite Because there's no running from a wolf when he decides you're his mate.

Reagan is the Supreme Alpha King with multiple personalities. His existence is not just a threat to his enemies alone but to the whole universe. He is the perfect monster crafted by doom, and fate couldn't be crueler by making the only woman he ever loved his ignition. She is his evil star, one that would bring forth his destiny, his push button, and she is his fated mate—the queen of darkness. A forbidden love that was never meant to be through millenniums, a love creation itself is against yet so strong. With the fate of the world at risk, an ultimate decision had to be made. An ardent love had to be forsaken, and two hearts became undeniable. Her selflessness may have been for the greater good, but he feels betrayed and hates her for it. Thus, he swore to make her suffer a life worst than death. 'Don't expect me to treat you like I once did because you lost the right to that kind of sentiment when you deserted what we once had!' 'I will do with you however I please, and you will

take it all without complaint!!' He spat. Will their love ever get the spark it needs for a fresh start? Will they pull through the ill fate that awaits them? Will they survive the new and old enemies that see them as threats and seek their downfall?

I've always known that Ryker is my fated mate. What I didn't know? Was that he's always known he's mine... Ryker Wolfson. Strong. Sexy. Powerful. Irresistible. For as long as I can remember, I've been waiting for the Luna Ceremony that would make him my bonded mate. Though it's not supposed to be possible, I've known since I was a kid that the future Alpha of the Mountainside Pack was fated to be mine. I figured my knowing had something to do with me being a rarity: a born female alpha. Turns out that I'm half right. It's not the female part, but an alpha thing. Because Ryker? For the last eleven years, he's known exactly who I am to him. Worse? The rejection that had me hiding out this past year was as planned as everything else he has his claws in. Ryker might've thought he was protecting me, but all he did was push me away--all because he forgot for a moment what I am. Omega Gem is history. Long live the Alpha of

Muncie. Only I'm in a bit of trouble these days. He might've spent years keeping my secret for me, but it's out now. An unforeseen betrayal in his pack has Ryker reeling, and me walking around with a big ol' target on my back. As if dealing with my infatuated roommate wasn't bad enough. Now I have a powerful wolf chasing after me, desperate to claim me during the next full moon. Not to mention the summons from my birth pack--and my old life. My sperm donor has discovered just how valuable I am, and since I've been "rejected" by Ryker, he wants me to go home for the first time since I was a pup. Yeah? Well, I want him to drop dead. And while I'm used to getting out of tougher scrapes than these, I'm beginning to see that--once again--I'm left with basically one option, and it isn't running away. It's Ryker. Maybe it's time that I accept that he's always been my mate... \*\* Always Her Mate is the second novel in the Claws and Fangs series. In a case of "better the devil you know", Gem realizes that Ryker is her best chance at avoiding being forced into a mating she doesn't want. It's tough, though. Because while she's always wanted him, her pride still can't get over his rejection...

"Do you realize that every cell in my body is screaming for me to sink my teeth into your neck?" I struggled against him, pushing at his chest. "Stop," I snarl. He just pushed me harder into the wall and kept going, "mark you, just so I can feel where you are all the time." "Ben." I growled in warning. "I can hear your heartbeat picking up when I'm in the room, do you have any fucking clue how much I want to rip your clothes off, suck your skin?" "Ben!" I cried, my voice rising, I didn't want to hear this. "And you know why?" "Ben!" I all but yelled, praying for him to shut it. "Because we're mates. We're mates Carrie. That's why. And I'm resisting every natural instinct I have every second I'm around you." Carrie Stewart is determined. Determined, not only to complete her mission, something she has been training for her entire life, but also to ensure her mission's total success. So when this head strong, snarky, sarcastic werewolf realizes her Sister's new fiance is her mate, she is determined to resist the bond at absolutely all costs. she will not yield to the connection . Her family comes first, even if he is the best thing for her. She's stubborn like that. Lots of twists, turns, some kidnapping, fairy queens, witches, alot of almost dieng, sexual tension, love triangles and one headstrong, impulsive, sarcastic wolf named Carrie.
