The Pilgrim Fathers Barbour Publishing

“The Women of the Mayflower” is a collection of excerpts revolving around the female passengers of the 'Mayflower', an English ship that transported early Pilgrims to the New World in 1620. The ship has since become an important part of American history and culture, as well as the subject of innumerable works of art, plays, films, poems, songs, books, etc. An interesting and insightful collection not to be missed by readers keen to hear the voice of the women in early American history. Contents

include: “Women Pioneers, by Mrs. John A. Logan”, “Matrons and Maidens Who Came in the Mayflower, by Annie Russell Marble”, “An Excerpt of Letter X, by Fredrika Bremer”.

**A Possum's Pilgrimage**  
Tate Publishing & Enterprises

O civilized humanity, world-wide, and especially to the descendants of the Pilgrims who, in 1620, laid on New England shores the foundations of that civil and religious freedom upon which has been built a refuge for the oppressed of every

land, the story of the Pilgrim "Exodus" has an ever-increasing value and zest. ...

**The Pilot of the Mayflower; a Tale of the Children of the Pilgrim Republic** Barbour Publishing

Time Period: 1620 Oct.-Nov. Imagine leaving the land you know and the friends you hold dear-and you'll begin to understand the whirlwind of emotion that awaits ten-year-old Sarah Smythe. This fictional Pilgrim aboard the Mayflower is moving from Holland to the New World-America-in the vanguard of a new nation of free people. Especially for girls ages eight

---

to twelve, this fascinating story shares the hopes and fears of a girl distant in time but close in spirit, while at the same time teaching important lessons of Christian faith and American history. "Sarah's New World" is perfect for recreational reading or homeschooling.

### **The Mayflower Landing**

Vintage Classic

Did you know that Plymouth was named by the explorer John Smith in 1608? Twelve years later, in 1620, the Pilgrims started their journey from Plymouth, England, and were blown off course, landing in Plymouth,

North America. As if it was a sign from God, the Pilgrims decided not to continue their journey but to settle right where they landed, starting one of the earliest American communities. This book traces the journey of the Pilgrims before the Mayflower even set sail. To understand what drove the Pilgrims into a form of self-exile, one must look further back to when King Henry VIII of England ruled. Religion was very important to the American settlers,

and when they were not allowed to practice it the way they wanted, the Separatists emerged, demanding their religious rights and freedoms. England wasn't ready to allow the Separatists the freedoms for which they asked, and they started thinking about leaving. Holland was a natural choice because it was one of the rare countries in Europe that allowed religious practice, at least in the way the Separatists saw as suitable. But even there, this

---

religious community didn't find what they were looking for. They remained there for only a decade and decided to move once more. It was then that they realized they were Pilgrims. They were travelers in search of their holy place, a land they could call home and shape it to their needs. At that time, the American continent was being explored, and it called to all those who needed a new life, a new adventure, and new opportunities. The Pilgrims rushed to the New World only to discover it wasn't so new, as there were native cultures there who were more or less willing to share their world with strangers. Read *The Pilgrims and Separatists* to find out: How did the Separatists come to be? What was their life in Leiden like? The Mayflower's journey across the ocean: How did the Pilgrims survive the first winter? How Squanto, a Native American, deserved the Pilgrims' respect and friendship? The origins of Thanksgiving: How the Native Americans accepted the settlers? How the Puritans joined the Pilgrims? What the great wars against the Native Americans were like? How religious intolerance among the early settlers almost destroyed them? And much more! So if you want to learn more about the Pilgrims, scroll up and click the "add to cart" button!

Taylor & Francis US

---

On September 6, 1620, the Mayflower sailed from Plymouth, England, to the New World, landing in what would become Massachusetts. Those on board were willing to face a dangerous voyage and an uncertain future in order to build a community where they could worship freely. They had planned to settle in the northern stretches of the territory known as Virginia, but fate and bad weather forced them to land instead in New England. The Mayflower's arrival marked the beginning of a new kind of settlement in America—one in which people came to the New World to build a life for themselves and their families. The arrival of the Pilgrims brought a distinctly different approach to life in New England, with an emphasis on hard work and strong religious beliefs whose influence would shape the region for generations. The Arrival of the Mayflower delves into the hardships and triumphs won by this hearty band of settlers, as they

---

escaped religious persecution in England to start their lives over in the New World.

Mayflower Bastard

London : [s.n.]

Leading into the 400th anniversary of the voyage of the Mayflower, Martyn Whittock examines the lives of the "saints" (members of the Separatist puritan congregations) and "strangers" (economic migrants) on the original ship who collectively became

known to history as "the Pilgrims." The story of the Pilgrims has taken on a life of its own as one of our founding national myths—their escape from religious persecution, the dangerous transatlantic journey, that brutal first winter. Throughout the narrative, we meet characters already familiar to us through Thanksgiving folklore—Captain Jones, Myles Standish, and Tisquantum (Squanto)—as well as new ones. There is Mary Chilton, the

first woman to set foot on shore, and asylum seeker William Bradford. We meet fur trapper John Howland and little Mary More, who was brought as an indentured servant. Then there is Stephen Hopkins, who had already survived one shipwreck and was the only Mayflower passenger with any prior American experience. Decidedly un-puritanical, he kept a tavern and was frequently chastised for allowing drinking on Sundays. Epic and

---

intimate, *Mayflower Lives* is a rich and rewarding book that promises to enthrall readers of early American history. *The Mayflower Bride* Macmillan "Vivid and remarkably fresh...Philbrick has recast the Pilgrims for the ages."--The New York Times Book Review Finalist for the Pulitzer Prize in History New York Times Book Review Top Ten books of the Year With a new preface marking the 400th

anniversary of the landing of the *Mayflower*. How did America begin? That simple question launches the acclaimed author of *In the Hurricane's Eye* and *Valiant Ambition* on an extraordinary journey to understand the truth behind our most sacred national myth: the voyage of the *Mayflower* and the settlement of Plymouth Colony. As Philbrick reveals in

this electrifying history of the Pilgrims, the story of Plymouth Colony was a fifty-five year epic that began in peril and ended in war. New England erupted into a bloody conflict that nearly wiped out the English colonists and natives alike. These events shaped the existing communities and the country that would grow from them. *The Pilgrims* Christian Liberty Press

Celebrate the 400th Anniversary of the Pilgrims' landing, 1620-2020! This book offers a fresh and engaging perspective on one of the most pivotal events in America's history. It provides young readers with a deeper understanding of how the Pilgrims' strength, tenacity and faith-filled perseverance not only led them to success in their own pursuit of a better life but also shaped the core values of America. Through delightful narration, vibrant illustrations and excerpts from real historical documents, children can form a deeper appreciation of how the Pilgrims' sacrifices paved the way to a nation built on the spirit of freedom and fearlessness. The use of passages from the journal of William Bradford ignites a love of history early on, demonstrates the value of journal-keeping, and encourages young readers to research their unique family histories and document their findings as they embark on unique adventures of their own.

*The Women of the Mayflower* BoD - Books on Demand

When the Mayflower embarked on her famous voyage to America in 1620, she was carrying 102 passengers. To most, they are simply known as the Pilgrims. Perhaps the name of Governor William Bradford, Elder William Brewster, or Captain Myles Standish are vaguely familiar; but the vast majority

---

of the Mayflower passengers have remained anonymous and nameless. In *The Mayflower and Her Passengers*, I have attempted to resurrect the unique individuality of each passenger by providing short biographies for each person or family group. Also included is a groundbreaking new biography of the Mayflower ship itself. [The Mayflower Pilgrims](#) St. Martin's Press  
The voyage of the

'Pilgrim Fathers' from Plymouth, England, and their settlement in Plymouth, New England, is iconic. Unfortunately. Why unfortunately? Because icons both simplify and glamorise. The Mayflower story is a gilded myth, a historical episode seen through the distorting lens of nationalism. Of all the accounts of New

World colonisation in the 16th/17th centuries this is the one that has come to typify those qualities today's US citizens admire and believe their nation stands for. And yet the 102 men, women and children who made that journey in the autumn of 1620 would not have recognised themselves in the heroes and heroines

---

portrayed in films and romantic novels over the last century or so. Derek Wilson strips away the over-painting from the icon in order to discover what motivated the Pilgrim 'Fathers' (a term not invented until 1840), and to explain them against the background of the age in which they

lived. He does this by exploring a series of probing questions, each of which narrows the focus until the travellers on the storm-tossed Mayflower stand before us clearly delineated. *The Mayflower* iUniverse Pilgrims, Native Americans, the Mayflower, the Mayflower Compact, and a possum in the
