Central to God’s character is the quality of holiness. Yet, even so, most people are hard-pressed to define what God’s holiness precisely is. Many preachers today avoid the topic altogether because people today don’t quite know what to do with words like “awe” or “fear.” R. C. Sproul, in this classic work, puts the holiness of God in its proper and central place in the Christian life. He paints an awe-inspiring vision of God that encourages Christian to become holy just as God is holy. Once you encounter the holiness of God, your life will never be the same.

I have written many books and articles on various topics but since 2013, I have devoted myself fully in writing the interpretation of the Holy Quran in English and with the grace of Allah, I have completed the whole Quran on 29th October 2020 with 84 books. I believe there is a great need in the whole world for the correct interpretation of the Holy Quran to be written in English. Currently, there is a great misunderstanding about Islam among Muslims and non-Muslims globally. The misunderstanding of the meaning of the Holy Quran among Muslims will lead to the wrong practice of Islam which leads to the wrong actions of Muslims. The wrong actions of Muslims will lead to misunderstandings about Islam among Muslims and non-Muslims. The wrong actions of the Muslims have led to many miseries and wars among Muslims. The wrong actions of Muslims have also led to many wars and clashes between Muslims and non-Muslims. In order to avoid miseries, wars and clashes from taking place between the whole mankind in the whole world, the whole mankind in the whole world need to understand the true teaching of Islam. There is no other way for the whole mankind to understand

the true teaching of Islam unless the whole mankind is able to read and understand the correct interpretation of the Holy Quran. The whole mankind is only able to read and understand the correct interpretation of the Holy Quran when it is written in the universal language of the world (English). For this very reason I have written the interpretation of the Holy Quran in English. Prof. Nasoha Bin Saabin

Whether one thinks that religion continues to fade or has made a comeback in the contemporary world, there is a common notion that religion went away somewhere, at least in the West. But William Cavanaugh argues that religious fervor never left it has only migrated toward a new object of worship. In *Migrations of the Holy* he examines the disconcerting modern transfer of sacred devotion from the church to the nation-state. In these chapters Cavanaugh cautions readers to be wary of a rigid separation of religion and politics that boxes in the church and sends citizens instead to the state for hope, comfort, and salvation as they navigate the risks and pains of mortal life. When nationality becomes the primary source of identity and belonging, he warns, the state becomes the god and idol of its own religion, the language of nationalism becomes a liturgy, and devotees willingly sacrifice their lives to serve and defend their country.

Cavanaugh urges Christians to resist this form of idolatry, to unthink the inevitability of the nation-state and its dreary party politics, to embrace radical forms of political pluralism that privilege local communities and to cling to an incarnational theology that weaves itself seamlessly and tangibly into all aspects of daily life and culture. William Cavanaugh continues to provide leadership and vision in the field of political theology. He addresses essential questions about the religious status of the nation-state, the political character of the church, and how the tradition of Christian political thought might be brought to bear upon contemporary politics. . . . Unfolds a theological response to present political conditions and a political response to our theological condition. Luke Bretherton King's College London Another vigorous but distinct voice in the burgeoning conversation about the role of religion generally and the church specifically in political life. . . . Worth a careful read. Robert Benne

All previous Biblical Hebrew lexicons have provided a modern western definition and perspective to Hebrew roots and words. This prevents the reader of the Bible from seeing the ancient authors' original intent of the

passages. This is the first Biblical Hebrew lexicon that defines each Hebrew word within its original Ancient Hebrew cultural meaning. One of the major differences between the Modern Western mind and the Ancient Hebrew's is that their mind related all words and their meanings to a concrete concept. For instance, the Hebrew word "chai" is normally translated as "life", a western abstract meaning, but the original Hebrew concrete meaning of this word is the "stomach". In the Ancient Hebrew mind, a full stomach is a sign of a full "life". The Hebrew language is a root system oriented language and the lexicon is divided into sections reflecting this root system. Each word of the Hebrew Bible is grouped within its roots and is defined according to its original ancient cultural meaning. Also included in each word entry are its alternative spellings, King James translations of the word and Strong's number. Indexes are included to assist with finding a word within the lexicon according to its spelling, definition, King James translation or Strong's number.

The Almighty: God's Holy Attributes & Their Meaning For Your Life is a 30-day devotional that draws the reader back to the timeless truths of God's character and nature and emphasizes the application of these rich truths into their daily life. Most Christians hear and sing descriptions for God such as "holy," "righteous," and "omnipotent," but the reality is these words hold little meaning. For most, it is difficult to grasp how God's attributes are more than an abstract concept. This is so because of the fragmentation that has slid into the church's teaching and discipleship. Instead of focusing on the splendor of God's greatness and goodness - and the pure meditation upon these truths alone - our teaching and discipleship

has gravitated toward a man-centered teaching; one that emphasizes principled Christian living with little to no thought upon God.

Consequently, the church knows little about who God is and our faith is at risk of becoming about humanity. The Almighty: God's Holy Attributes & Their Meaning For Your Life helps the reader connect seemingly esoteric concepts of God with principles for Christian living in a manner that is refreshingly practical. The book also includes a supplemental chapter "Meditating on God's Holy Attributes," over 100 definitions and concepts, and 250-plus references for further study.

The Pocket Dictionary of All the Proper Names Occuring in the Holy Scriptures, with the Meaning Or Signification of the Words in the Original Languages Liturgical Press

Believers need to understand that the God is the Standard for everything including the definition and meaning of words as revealed in the Bible especially in the New Testament Scriptures. There are many translated words from the original text of the New Testament such as love ("agape"), to love ("agapao"), good ("agathos" or "kalos"), righteous ("dikaios"), evil ("poneros" or "kakos"), faith ("pistis"), truth ("aletheia"), etc., that cannot be correctly understood when the meanings are taken from world dictionaries nor from experts in Hebrew and Greek languages. For example, the biblical meaning of love ("agape") is that The God is love (1 John 5:8,16). Mankind are NOT love! Accordingly, only One, the God is able to love ("agapao"), no mankind is able to love ("agapao"). This is the bible definition of love ("agape") and to love ("agapao"). This Book 26 reveals the biblical meaning of the translated words truth and the truth. Truth in the original Greek text is "aletheia." A typical world or mankind definition of truth is: truthfulness; constancy; actuality; accuracy or adjustment; an established fact; known facts; knowledge (Chambers Twentieth Century dictionary. New Edition, by M. Macdonald 1972), According to the world dictionary any one can speak the truth, while the biblical definition of "aletheia" or truth is that "the word of the God is truth." And that "Jesus Christ is the truth." This means any mankind who speaks accurately of what actually happens is only speaking a fact, but is not speaking "truth" because only the word of the God is "truth." Paul in Romans 3:4 revealed that the God came into being or exists as "true" ("alethes") but every mankind a "falsifier" ("pseustes"). This means that no mankind came/comes into being as "true" and therefore whatever any mankind speak cannot be "truth" ("aletheia") unless mankind speak "the word of the God" or mankind are led by the God through His Son, Jesus Christ by His Spirit to speak His word. The biblical definitions of "truth" ("aletheia") and "the truth" ("ho aletheia") are given in John 17:17 and John 14:6. "Truth" and "the truth" are also linked to the God and the Lord Jesus Christ and the Holy Spirit and also to holy, holiness, righteous, righteousness, love and faith and the gospel of

salvation. In fact only when true believers are made holy in "the truth" of the God will they be able to enter into the kingdom of the God or to receive everlasting life. This Book translates every scripture in the New Testament Greek Received Text concerning "truth" ("aletheia") and "the truth" ("ho aletheia") and its importance to the salvation of every true believer.

The Qur'an is the inimitable and direct Word of God. It was revealed to the Prophet Muhammad over twenty-three years, who faithfully transmitted it to humanity in the seventh century. Since then the text and meaning of the Qur'an has been preserved, word for word, exactly as it was fourteen hundred years ago. It is a Book of Guidance for all mankind with a central message of God's Oneness. Yet, it has several layers of meaning and beauty that are easily lost in translation. This splendid translation, originally prepared in 1934, aimed to help readers understand the meaning of the Qur'an but also to appreciate its beauty and catch something of the grandeur of the Arabic. This is a compact and revised edition of Abdullah Yusuf Ali's translation of The Meaning of the Holy Qur'an in modern English. It contains the complete translation of the Qur'anic text and retains essential notes of Yusuf Ali's exhaustive commentary on the Qur'an, which enables the reader to gain a better understanding of its message and helps to reveal some of the inexhaustible depth of knowledge it contains. One of the most widely-used and known translations of the Qur'an into modern English, with 472 notes and an introduction. Abdullah Yusuf Ali (1872 – 1953) was an Indian Islamic scholar. In 1938, Yusuf Ali's translation of the Qur'an was published in Lahore. His translation of the Qur'an is one of the most widely-known and used in the English-speaking world. He died in 1953 in London, United Kingdom.
