I thoroughly enjoyed Mr. Matchett's book, the Mechanic's Tale. Anyone who is a regular fan of Formula 1 racing has

surely daydreamed about a life and career working for a globe-trotting F1. Mr. Matchett takes you through his steps into and out of Formula

1 and gives you real insight into what life is like in an F1 team.

In Tales from the Loop, a story that the players play through is called a Mystery. The players play as the Kids, a group of friends, aged 10-15, living in the late 1980s. In the Mysteries, the Kids encounter machines and creatures that have come to exist because of the Loop, a huge underground particle accelerator built in the late 1960s.

In The Mechanic's Tale, a follow-up to his previous offering Life in the Fast Lane, the former Benetton

mechanic produces an account of his 10 eventful years in the sport. From his days as an apprentice, to working with the high-tech Ferrari and BMW road cars and then making the switch to the demanding world of F1 supercars, the author remains level-headed and analytical about his experiences.
