MELTING POT | definition in the Cambridge English Dictionary
The Melting Pot is a play by Israel Zangwill, first staged in 1908. It depicts the life of a Russian Jewish immigrant family, the Quixanos. David Quixano has survived a pogrom, which killed his mother and sister, and he wishes to forget this horrible event. He composes an "American Symphony" and wants to look forward to a society free of ethnic divisions and hatred, rather than backward at his traumatic past.
