Comprehending as capably as bargain even more than extra will manage to pay for each success. next-door to, the declaration as without difficulty as acuteness of this The Message Of New Testament Promises Kept Mark Dever can be taken as well as picked to act.

The Historical Reliability of the New Testament Abingdon Press

This book introduces the New Testament in two senses: it not only provides basic literary and historical information on each of the twenty-seven writings but also orients readers to the religious, theological, and ethical issues related to the message and meaning of Jesus Christ. The overall goal is to help interested readers of the New Testament become informed, responsible interpreters of these writings and thereby enrich their personal faith and understanding. By giving special emphasis to how the New Testament has helped shape the church's identity and theological outlook throughout the centuries, as well as the role it has played within the broader cultures of both East and West, this introduction also seeks to assist readers in exercising creative, informed leadership within their own communities of faith and in bringing a deeper understanding of early Christianity to their conversations with the wider public. Along with separate chapters devoted to each New Testament writing, there are chapters explaining how this collection of texts emerged as uniquely authoritative witnesses to the church's faith; why they were recognized as canonical whereas other early Christian writings were not; how the four canonical Gospels are related to one another, including a discussion of the Synoptic Problem; how the Jesus tradition — his teachings, stories from his ministry, and the accounts of his suffering, death and resurrection — originated and developed into Gospels written in narrative form; and how the Gospels relate to Jesus Christ as he was and is. Also included is a chapter on the writings of Paul and how they emerged as a collection of authoritative texts for the church. This chapter includes a discussion of ancient letter-writing, special considerations for interpreting the Pauline writings, and Paul's decisive influence within the history of the church and western culture.

*Focusing on the Message* Bob Jones University Seminary Publication

What is the gospel? It seems like a simple question, yet it has been known to incite some heated responses, even in the church. How are we to formulate a clear, biblical understanding of the gospel? Tradition, reason, and experience all leave us ultimately disappointed. If we want answers, we must turn to the Word of God. Greg Gilbert does so in *What Is the Gospel?* Beginning with Paul's systematic presentation of the gospel in Romans and moving through the sermons in Acts, Gilbert argues that the central structure of the gospel consists of four main subjects: God, man, Christ, and a response. The book carefully examines each and then explores the effects the gospel can have in individuals, churches, and the world. Both Christian and non-Christian readers will gain a clearer understanding of the gospel in this valuable resource.

The New Testament Wipf and Stock Publishers

Evangelicalism's most trusted biblical scholar here guides readers to a clearer understanding of the meaning of the New Testament. Proceeding book by book, F.F. Bruce presents the central themes of the New Testament in language simple enough to be understood by beginners yet rich enough to provide fresh insights for longtime students of the Bible. New cover design.

Introducing the New Testament Crossway

For far too many, the Old Testament remains almost a sealed book. And it isn't that it has been tried and found to be difficult, but rather that it has been thought difficult and simply not tried. Ellison's wide circle of readers will surely benefit from this primer for understanding the Old Testament as a whole. With his established reputation in Old Testament studies, he is uniquely qualified for what might seem a Herculean task, particularly when it has to be accomplished in 96 pages! Yet a brief survey of the Contents page will show that he has succeeded. As he says in his Introductory chapter: The Old Testament is incomplete without the New, for in all its portions it is looking forward to its fulfillment, but the New is also incomplete without the Old. To use it alone is like taking the roofs and towers of a great cathedral in isolation and suggesting that the walls exist only that they may support the roof.

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

*A Critical Introduction to the New Testament* Paulist Press

The undeniable emphasis that Jesus placed upon the Old Testament Scriptures is that they testify to Him. Of course they testify to all sorts of other things as well: godliness, faithfulness, the progress and regress of God's people, sinfulness, judgment, and so on. But Jesus, along with the apostles and the other authors of the New Testament, emphasized that the Old Testament, above all, is about Him. Why then is the first question we often ask

about a passage in the Old Testament, "What does this tell us about ourselves?" Surely, the first and main question we should ask is, "How does this passage testify to Christ?" In this book, Mark Dever has undertaken a difficult and important task. He has set out to crystallize the message of each Old Testament book, and he has endeavored to show something of the Christian value of each book. These sermons should not be regarded as models for routine preaching from the Old Testament, for rarely would the preacher try to cover a whole book in one sermon. But they do provide broad perspectives on the way the books point to Christ and are fulfilled by him. The preacher will need to extrapolate the principles of preaching Christ from the Old Testament and apply them to the textual units that are more appropriate for expository sermons. - Introduction.

*The Epistle of Paul the Apostle to the Romans* St. Martin's Press

This volume brings together some of Jeremiah's best-known works on historical Jesus research and core issues concerning Gospel tradition. It features foundational questions in historical Jesus research plus Aramaic backgrounds of the Gospels.

*Sheltering Mercy* Tyndale House Publishers, Inc.

*Emerging With Wings* is a love story. Danielle Bernock takes you with her on her raw yet graceful journey from an invisible cage full of agony and shame, to the incomprehensible joy of validation, love and the empowerment of personal freedom. She unveils how this cage was built as well as how she obtained her freedom. Many things she did not know kept her in the dark, one being the harmful effects of multiple childhood traumas that went unaddressed which fed that darkness and a pervasive fear. The love story reveals a LOVE that secretly carried and protected her despite the lies that grew in that darkness, organized for destruction. This LOVE came and never gave up. The LOVE of one she calls The Pursuer. You are invited into her story. Enter it, share its elegance and in it see The Pursuer for yourself, in your story, for your freedom.

*The Gospel According to John* Navpress Publishing Group

The Essence of the New Testament surveys all of the books in the New Testament, from Matthew to Revelation.

*Jesus and the Message of the New Testament* 4f Media

This second edition of *An Introduction to the New Testament* provides readers with pertinent material and a helpful framework that will guide them in their understanding of the New Testament texts. Many new and diverse cultural, historical, social-scientific, sociorhetorical, narrative, textual, and contextual studies have been examined since the publication of the first edition, which was in print for twenty years. The authors retain the original tripartite arrangement on 1) The world of the New Testament, 2) Interpreting the New Testament, and 3) Jesus and early Christianity. An appropriate book for anyone who seeks to better understand what is involved in the exegesis of New Testament texts today.

*The Theological Messages of the Old Testament Books* Canongate Books

A solid, well-done introduction to the New Testament for undergraduates that explores teaching on faith issues, as well as the theology and spirituality of the New Testament. Reflections, study questions, charts, and indexes are included. +

*The Acts of the Apostles* B & H Academic

This devotional journal combines text from *The Message Solo New Testament* with journaling space that encourages students to use lectio divina, or "divine reading," an ancient approach to exploring Scripture. One page contains a unique reading, and the other has space to write down your thoughts, impressions, and questions. Two attractive color combinations to choose from make this an ideal gift for students.

*What Is the Gospel?* Protea Boekhuis

*Sheltering Mercy* helps us rediscover the rich treasures of the Psalms--through free-verse prayer renderings of their poems and hymns--as a guide to personal devotion and meditation. The church has always used the Psalms as part of its prayer life, and they have inspired countless other prayers. This book contains 75 prayers drawn from Psalms 1-75, providing lyrical sketches of

---

what authors Ryan Smith and Dan Wilt have seen, heard, and felt while sojourning in the Psalms. While each prayer corresponds to a particular psalm and touches on its themes and ideas, it is not a new translation of the Psalms or an attempt to modernize or contextualize their content or language. Rather, the prayers are responses to the Psalms written in harmony with Scripture. These prayers help us quiet our hearts before God and welcome us into a safe place amid the storms of life. This artful, poetic, and classic devotional book features compelling custom illustrations and beautiful hardcover binding, offering a fresh way to reflect on and pray the Psalms.

Living the Message of the New Testament Canongate Books

The earliest of the four Gospels, the book portrays Jesus as an enigmatic figure, struggling with enemies, his inner and external demons, and with his devoted but disconcerted disciples. Unlike other gospels, his parables are obscure, to be explained secretly to his followers. With an introduction by Nick Cave

*Desiring God* B&H Publishing Group

Abridgement of An Introduction to the Old Testament. This abridged edition of an established major textbook brings the best of New Testament scholarship to the church and makes it accessible to the average reader. This book focuses on historical questions dealing with authorship, date, sources, purpose, and destination of the New Testament books. By focusing on the essentials, the authors ensure that each book is accurately understood within its historical settings. For each New Testament document, the authors also provide a summary of that book's content and discuss the book's theological contribution to the overall canon. This abridgement includes questions at the end of each chapter to facilitate group discussion and personal review. It will help a new generation of students and church leaders better grasp the message of the New Testament
