Eugene Peterson instilled the love of the local church in his family, and especially his son, pastor Eric E. Peterson. This collection of letters, written over several years by Eric, offers a poignant, pastoral vision for what the people of God are to be about in their personal lives and their life together. You'll find this wisdom for one local church to be warm, winsome, knowing, understanding, and universally relevant. Eric E. Peterson addresses essential questions such as

“ What is a church? What should a church be doing? What do we owe each other? What can we expect from one another? How do we follow Christ together? ” A pastor in the state of Washington, he wrestled with how to grow his infant church into a mature Christian community. This book was born in the midst of a church coming to life, and is a compelling read for any pastor, church leader, or congregant. Purchase individually or together with Letters to a Young Pastor, a book that contains letters written back and forth between Eugene Peterson and his son, Eric E. Peterson.

The ONE Thing Cambridge University Press

"In writing *No More Vietnams*, Richard Nixon—with the unique perspective of the man who served us America's commander-in-chief during the war's most difficult stage—has set out to dispel the myths of Vietnam, to show why we failed in Vietnam, and to contribute to the development of policies that will help avoid such failures in the future. In doing so, President Nixon analyzes the role that four presidents, the military, the Congress, the media, and the antiwar movement played in the Vietnam debacle." -- Front jacket flap

SOLO Devotions for New Believers pairs Scripture with undated devotions to encourage new Christians in their faith. The Daily Show (The Book) Tyndale House

From the translator of *The Message*, thirty-one ruminations drawn from the gospels of Matthew, Mark, Luke, and John. Eugene Peterson was quite concerned about the language we use between Sundays. He strived for a continuity of language between the words we use in Bible studies and the words we use when we are out hiking, at work, or eating dinner with family. He illustrated this passion in his writings and weekly sermons. A Month of Sundays is a devotional collection featuring excerpts of Eugene's Sunday sermons arranged into thoughtful readings for every day of the month, drawn from the books of Matthew, Mark, Luke, and John. The four gospels give us snapshots of the earthly life and ministry of Jesus. Dig deep into Eugene Peterson's thoughts regarding select passages, and discover clarity, insight, and wisdom in his distinctive style of earthy spirituality.

The Message: Solo: Devotions for New Believers Navpress Publishing Group

A collection of devotions for each day of the year contains brief passage of scripture along with commentary about the nature of God and the best way to live in accordance with Christian principles. On the Move! NavPress Publishing Group If you're like most women, you want to soak in God's presence daily in a meaningful way, but sometimes the busyness of life gets in the way. You need a devotional that understands the demands of being a modern woman, one that is biblically based and relevant to your life. You need SOLO for Women. Written for women on the go, by women on the go, this devotional offers 180 readings that revolve around real heart issues. Carefully selected passages from *The Message*, Eugene H. Peterson's contemporary Bible

translation, are paired with contemplative devotions that use the lectio divina method of study. This classic approach allows you to truly experience God's Word by reading, thinking about, praying through, and living out Scripture. To track your daily journey with God, each devotion includes journaling space to interact and respond to what you have read. So slow down, take a deep breath, and let this devotional strengthen your faith in a fresh and unique way.

The Message - Solo Knowthis Media

NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning *The Daily Show* with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, *The Daily Show* with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers—including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of *The Daily Show*'s most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics—a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of

incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, *The Daily Show* has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

Molecular Biology of the Cell Simon and Schuster

Having left his job in 2007 and not knowing where the Lord would take him, the author and his family began a journey of spiritual growth and insight they had never expected or experienced before.

The Message David Goggins

Brain injury plunged Lia into a world of distortion and chaos, where her own thoughts and senses could no longer be trusted. Searching for medical help, she found doubt and manipulation instead. But *I'm Not Depressed* is a bleak but ultimately hopeful tale, and a slap in the face to the culture of psychobabble.

Unique, contemplative reading journal with the "Read, Think, Pray, Live" theme.

Can't Hurt Me The Message

There are many things in this world the average person cannot see...but a chosen few can. Such is the case with Lala, the five-year-old Mexican-American child at the heart of this unique coming-of-age novel. *Divine Sight* finds Lala at a critical point in her life, where she is learning how to deal with the different perspectives of her multicultural, multigenerational family and coming to terms with her sixth sense of second sight. Set in the 1950s and spanning both the United States and Mexico, the story is told through a series of vignettes written in Lala's voice. Each chapter casts Lala against a challenging situation and shows how she, with the aid of her family members and otherworldly allies, works to overcome it and becomes more comfortable in her own skin—as a medium between two worlds and two cultures. A truly touching and thoughtful tome, *Divine Sight* explores many common, and uncommon, themes from an encouraging and empowering angle. It speaks volumes about cultural and spiritual understanding and tells a tale of hope and helpfulness that's sure to appeal to open-minded readers who want to better understand and appreciate life's many marvels.

A TIME Magazine Top 10 Nonfiction Book of 2012

A New Yorker Best Book of the Year

Los Angeles Magazine's #1 Music Book of the Year

This revelatory book of music history examines what is perhaps the best known and most-popular symphony ever written—and its famous four-note opening. Reaching back before Beethoven's time, Matthew Guerrieri uncovers premonitions of the opening notes in the rhythms of ancient Greek poetry and the music of the French Revolution. He discusses the Fifth's impact when it premiered, tracing the artistic, philosophical, and political reverberations across Europe to China, Russia, and the United States, from Romanticism to ring tones, from propaganda to pop. This fascinating piece of musical detective work is a treat for music lovers of every stripe.
