I knew when I chose the Midnight Mayor that it was the second in the series, but a number of reviews of Kate Griffin's first Matthew Swift novel, made me think it would put me off them altogether. I found some of Matthew Swift's internal dialogue tedious, but that is probably the trouble with having two beings inhabiting one body.

Matthew Swift (Literature) - TV Tropes

I so love Mathew Swift. He is snarky, creepy, cool, and wonderful all at the same time. The only sad part about this book, is that I've read the first book, so the universe is not new this time. This time around, Mathew becomes the Midnight Mayor (wasn't his choice...) and must do battle with a city destroying entity.

Enter the London of Matthew Swift, where rival sorcerers, hidden in plain sight, do battle for the very soul of the city, from a World Fantasy Award-winning author. Two years after his untimely death, Matthew Swift finds himself breathing once again, lying in bed in his London home. Except that it's no longer his bed, or his home.

Covid UK news – Massive UK-wide TOTAL LOCKDOWN could be ...

Matthew Swift is a sorcerer of the streets, killed and resurrected in his debut novel A Madness of Angels, he is now more than what he once was. At the outset of the second novel featuring Swift – The Midnight Mayor – Swift is the number one suspect in the murder of the titular character. The Midnight Mayor, you see, is something Swift didn't believe existed.
