The Vanishing Half Penguin UK

"It is hard to imagine a better novel for a book club discussion...A thoughtful and gripping family tale that will haunt readers long after finishing it." —Kirkus Reviews, STARRED As a young mother with a toddler and a live-in boyfriend, Maggie Fisher's job at a checkout counter in downtown Phoenix doesn't afford her much financial flexibility. She dreams of going to college and becoming a teacher, options she squandered when she fled her family home as a teenager. When Maggie stumbles onto an ad offering thousands of dollars to women who are willing to gestate other people's babies, she at first finds the concept laughable. Before long, however, she's been seduced by all the ways the extra money could improve her life. Once she decides to go for it, it's only a matter of months before she's chosen as a gestational carrier by Chip and Donovan Rigsdale, a married couple from New York. After delivering twin babies and proudly handing them off to the Rigsdales, Maggie finally gets her life on a positive trajectory: she earns her degree, lands a great job, and builds a family of her own. She can't fathom why, ten years after the fact, the fertility clinic is calling to ask for a follow-up DNA test. High-energy and immensely readable, *He Gets That* from Me explores what it really means to be part of a family.

From the Notebooks of Melanin Sun MIRA

Arley Mowbray is young, smart, and lonely. Very lonely. And then she strikes up a correspondence with a prison inmate—and, under the spell of his poetic, seductive letters, falls helplessly, stubbornly in love. Annie Singer is a tough, dedicated Texas lawyer hired to help Arley unite with her beloved. She does so, but against her own better judgment—and soon she's caught up in this disturbing and dangerous romance, and in her feelings for Arley, who's become the daughter she never had. When Dillon LeGrande comes after the girl he loves, Arley finds herself both aching for his touch and fearing for her life. And Annie begins to question her own choices—and to wonder what price she would pay for passion.

The Good Son The Midnight Twins

In the third book of the *Midnight Twins* trilogy, Mally and Merry's supernatural dream visions are put to the test when their baby brother is kidnapped? and by someone who has grown very close to the Brynn family. Meanwhile, Meredith is distracted by the strange new boy in town. But there's one problem with her new romance: he's a ghost from the past, a boy who actually died in the Vietnam War and is struggling with his soul. Mallory must help her sister let go of a love that was never meant to be?and the twins must come together and use their powers to save their baby brother.

Brown Girl Dreaming Random House

Three-time Newbery Honor author Jacqueline Woodson explores race and sexuality through the eyes of a compelling narrator Melanin Sun has a lot to say. But sometimes it's hard to speak his mind, so he fills up notebooks with his thoughts instead. He writes about his mom a lot--they're about as close as they can be, because they have no other family. So when she suddenly tells him she's gay, his world is turned upside down. And if that weren't hard enough for him to accept, her girlfriend is white. Melanin Sun is angry and scared. How can his mom do this to him--is this the end of their closeness? What will his friends think? And can he let her girlfriend be part of their family?

Mitchard's 'Still Summer' plunges into terror By Carol Memmott, USA TODAY Secure your life preserver. Tie yourself to the mast. It's late August, but it's still summer, and Jacquelyn Mitchard is taking you on a thrill ride you won't forget. Mitchard made her mark in the literary world in 1996 when *The Deep End of the Ocean* was chosen as the first pick for Oprah Winfrey's now-legendary book club. Since then, she has written six other novels, but none matches the suspenseful pitch of *Still Summer*. It's a tale of terror on the high seas, but this is no *Pirates of the Caribbean* wannabe. Readers know something terrible is going to happen, but Mitchard ratchets up the suspense by allowing her story to unfold at a leisurely pace. She painstakingly fleshes out her characters, because as readers will discover, their temperaments and personalities are as crucial to the story as the mounting disasters. Tracy Kyle, Holly Solvig and Olivia Montefalco, lifelong friends in their early 40s, charter a yacht and two-man crew for a sailing vacation that will take them from St. Thomas to Grenada. The trip starts out as an innocent adventure in paradise until two accidents in quick succession strand the women without their crew. What else can go wrong? In a word, everything. The engine conks out, the sails are torn, lack of electricity spoils their food and limits their drinking water - and then there's the injury to Holly's leg. Nature's fury, murderous drug dealers and, possibly most deadly of all, their own frailties and secrets are added to the list. Readers will wring their hands with

frustration, weep with sadness and second-guess the choices these women make. But since characters must do the bidding of the authors who create them, we can only sit back - or sit on the edge of our seats - and let Mitchard's terror-filled tale wash over us.

All We Know of Heaven Henry Holt and Company

Bridget Flannery and Maureen O'Malley have been BFFs since forever. Then a brief moment of inattention on an icy road leaves one girl dead and the other in a coma, battered beyond recognition. Family and friends mourn one friend's loss and pray for the other's recovery.

Then the doctors discover they have made a terrible mistake. The girl who lived is the one who everyone thought had died. Based on a true case of mistaken identity, *All We Know of Heaven* is a universal story that no one can read unmoved: a drama of ordinary people caught up in an unimaginable tragedy and of the healing power of hope and love.

Voices of Hope for Mental Illness W. W. Norton

While juggling friendship issues (her best friend isn't speaking to her), a love triangle-turned-square (okay, maybe she shouldn't have kissed her best friend's boyfriend...but it was totally an accident!...sort of), and escalating mayhem in her small religious town (uh-oh...what would Jesus do?), Emma realizes she has to stop trying to please everyone around her and figure out what she wants for herself. It's time to start asking, "What would Emma do?"

Ruby and Garnet are ten-year-old twins. They're identical, and they do EVERYTHING together, especially since their mother died three years earlier - but they couldn't be more different. Bossy, bouncy, funny Ruby loves to take charge, and is desperate to be a famous actress, while quiet, sensitive, academic Garnet loves nothing more than to curl up with one of her favourite books. And when everything around the twins is changing so much, can being a double act work for ever?

The Midnight Twins Yearling

Grace Masters always dreamed of a family she could call her own and always knew that for her, those dreams would never come true. Yet here she is, in an old Victorian home, living and loving under the cover of night. Who knew the source of her lifelong torment was really her gift as a Daughter of Man or that this gift could be controlled and used for something good? Who knew there was another race called the Paenitentia who live side by side with humans? Who knew that demons were real? Grace certainly didn't until one fateful night when her world falls apart and comes together again in a place where she finally belongs. Sometimes a person just knows when something is right and destined to be. Sometimes convincing someone else of that fact is a little more difficult. Canaan ad Simeon is that someone else. Canaan is Liege Lord to a House of Guardians whose job is to protect the Race from a demon threat many no longer believe in. Already breaking away from the outdated traditions that are depleting their numbers and threatened by a hierarchy resistant to change, the last thing Canaan needs is to fall for this innocently sexy Daughter of Man. But fall he does, with a mixture of comedy, drama and romance that will touch your heart.

Fans of Katherine Arden's *Small Spaces* and Victoria Schwab's *City of Ghosts* series will lose themselves in this mesmerizing and century-spanning tale. Eleven-year-old Fiona has just read a book that doesn't exist. When Fiona's family moves to a new town to be closer to her older sister's figure skating club—and far from Fiona's close-knit group of friends—nobody seems to notice Fiona's unhappiness. Alone and out of place, Fiona ventures to the town's library, a rambling mansion donated by a long-dead heiress. And there she finds a gripping mystery novel about a small town, family secrets, and a tragic disappearance. Soon Fiona begins to notice strange similarities that blur the lines between the novel and her new town. With a little help from a few odd Lost Lake locals, Fiona uncovers the book's strange history. Lost Lake is a town of restless spirits, and Fiona will learn that both help and danger come from unexpected places—maybe even from the sister she thinks doesn't care about her anymore. *New York Times* – bestselling and acclaimed author Jacqueline West weaves a heart-pounding, intense, and imaginative mystery that builds anticipation on every page, while centering on the strong and often tumultuous bond between sisters. Laced with suspense, *Long Lost* will fascinate readers of Trenton Lee Stewart's *The Secret Keepers* and fans of ghost stories.

He Gets That from Me Dell Publishing Company

We hear about inadequate mental health care. We ask questions regarding a link between mental illness and violence. We do NOT hear as much about the stigma of mental illness that complicates one's ability to cope with a diagnosis that becomes a label, resulting in "self-stigma," discouraging individuals from seeking and/or complying with treatment. Too often community members only "experience" mental illness through dramatic or dire media stories that fail to inform us about the real

world of mental illness. Thus, stigma feeds, and is fed by, myths and misunderstandings leading to a community sense of hopelessness and fear of mental illness. In contrast, Geel, a stigma-free community in Belgium, has a centuries' old history of accepting those with mental illness - even as boarders in their own homes. Geel acknowledges the human needs of those with mental illness and responds to those needs by providing social opportunities and meaningful work, within the community. While the U.S. does not have the same history as Geel, we do have programs that offer a fostering environment, offering hope for those with a diagnosis of mental illness as well as for the communities in which they live. In a language and style that can be understood by anyone and everyone, the author shares what she's learned and experienced regarding tolerance and inclusion - in Geel and in our own country - offering individuals and communities an opportunity to hear the encouraging "voices of hope for mental illness." When the general population is freed of myths and misunderstandings regarding mental illness, we can focus on mental health fostered by community care that thrives in "caring communities."
