Toast on Toast is the must-have book for all budding actors - and non-actors too. In this part memoir, part 'how to act' manual, Steven Toast draws on his vast and varied experiences, providing the reader with an invaluable insight into his journey from school plays to RADA, and from 'It's a Right Royal Knockout' to the Colony Club. Along the way, he reveals the secrets of his success. He discloses how to brush up on and expand your technical and vocal skills, how to nail a professional voiceover, and how to deal with difficult work experience staff in a recording studio. He also reveals the dangers of typecasting, describes the often ruthless struggle for 'top billing', and shares many awesome nuggets of advice. The end result is a book that will inspire and educate anyone who wants to tread the floorboards. It will also inform (and entertain) anybody who simply wants to discover what a jobbing

actor's life is actually like.

The Summer I Robbed A Bank
Delacorte Press

In 50 BCE, Morrigan, the goddess of war, has become restless as a long-lasting peace settles over Ireland. Deciding the time of peace must end, she chooses Setanta, the nephew of the king of the north, to become her ward. After a young Setanta slays the demon-hound of Cullan, he becomes known as Cú Cullan—The Hound of Cullan. As Cú Cullan grows older, it is apparent that an extraordinary power lies within him . . . and a great darkness. When he chooses the quiet life of a farmer over the sword, Morrigan, angry at the betrayal, instigates an invasion of his homeland and Cú Cullan must challenge fate itself to keep the goddess at bay. This exciting, ancient tale is retold for a contemporary audience by master storytellers Paul J. Bolger (Cool World, The Land Before Time, The Pirates! In an Adventure with Scientists!), Barry Devlin (Horslips: The Táin, U2: Making of Rattle & Hum, A Man of No Importance), and Dee Cunniffe (The Paybacks, Redneck).

Gordy LaSure's passionate about film. He eats film, he drinks film, and sometimes he'll even watch a film. But most of all he loves talking to people about film: whether a comely student with low confidence and a father complex, a Studio 'development' exec who doesn't trust his own judgement, or the countless

people Gordy LaSure's encountered in his capacity as the web moderator on an Excessive Sweating Discussion Forum. Gordy LaSure's always talking about films and how they'd be a shit ton better if only people would pull their asses out of their ears and listen to Gordy LaSure. The voyage of this book can be categorised as an attempt to understand How In Hell Film Works. Why are some films bad, and some films terrible? How come just a handful of films (Titanic, Porky's, Dirty Harry) are any good at all? Gordy'll tell you How and Why, and he'll give you a slug of Wherefore on the side. And he doesn't shoot from the hip; he shoots from the gut. Tasteful Nudes Dark Horse Comics What makes a great friend? Has Facebook ruined dating? What's the secret to effortless style? Hello! This is a book written by proper best friends—us!—who have been hanging out together for more than a decade. We thought that if we shared some of our own experiences and views on friendship, relationships, leaving home, studying, or

starting a new job, then it might help you on your own journey. Inside you'll find loads of stories—some funny, some sad, and some that make us cringe with embarrassment—as well as tips and advice on things like dating and looking good. We've included our best photos from over the years (even the dodgy ones!) and drawings that Fearne has done especially. Let's face it, life isn't easy at times so we hope that this book will make you laugh, entertain you, but most of all that it might be a bit like talking to your very best friend.

This fully illustrated, totally wacky handbook is about an everyman who is afraid of everything! Dr. Noel Zone, the greatest (and only) dangerologist in the world, is ready to teach readers how to

avoid danger at all costs--from sneaky snakes posing as toothbrushes, to sharks hiding in toilets, to robots disguised as kindly grandmas. After all, DANGER IS

EVERYWHERE, and we need to be prepared! With art on every page, this hilarious and truly creative handbook will have readers laughing out loud (very safely) from start to finish. Tiny Acts of Rebellion Penguin UK

Set in sun-drenched Cape Town, South Africa, this book features two full-length stories, "The Leaking Cello Case" and "John Wesley Harding," rife with mystery, suspense, action, adventure, conspiracy theories, cool cars and excellent weed. Joe Daly brings a refreshingly original -- and utterly hilarious -- voice to the comics medium, a dry, deadpan wit anchored in everyday reality combined with unnervingly deranged plots, rendered with a hyper-detailed, half-realistic and half-cartoony Tintin-style crispness.

The Mighty Book of Boosh

Random House

The "masterfully chilling" novel that inspired the hit AMC series (Entertainment Weekly). The men on board the HMS Terror — part of the 1845 Franklin Expedition, the first steam-powered vessels ever to search for the legendary Northwest Passage — are entering a second summer in the Arctic Circle without a thaw, stranded in a nightmarish landscape of encroaching ice and darkness. Endlessly cold, they struggle to survive with poisonous rations, a dwindling coal supply, and ships buckling in the grip of crushing ice. But their real enemy is even more terrifying. There is something out there in the frigid darkness: an unseen predator stalking their ship, a monstrous terror clawing to get in. "The best and most unusual historical novel I have read in years." —Katherine A. Powers, Boston Globe

Jeremy James are much-loved pensioners—all pledging allegiance to his cause. But no one knew what his cause was. Soon he was proclaimed Leader. Increasingly obsessed and possibly power-crazed, Danny risked losing his sanity and his loyal girlfriend. But who could deny the attraction of a global following of devoted joinees? A book about dreams, ambition, and the responsibility that comes with power, *Join Me* is the true story of a man who created a cult by accident, and is proof that whilst some men were born to lead, others really haven't got a clue.

This Mitchell and Webb Book Simon and Schuster Richard Ayoade - in this foren, perhaps one of the most 'insubstantial' people of our age, takes us on a journey from Peckham to Paris by way of Nevada and other places we don't care about. It's a journey deep within, in a way that's respectful and non-invasive; a journey for which we will all pay a heavy price, even if you've waited for the smaller paperback edition. Ayoade argues for the canonisation of this brutal masterpiece, a film that celebrates capitalism in all its victimless glory; one we might imagine Donald Trump himself half-watching on his private jet's gold-plated flat screen while his other puffy eye scans the cabin for fresh, young prey."
