The Milkman In Night Andrey Ten years on from the English-language publication of his debut, *Death and the Penguin*, comes Andrey Kurkov's ninth book. The Milkman in the Night (translated from the Russian by Amanda Love Darragh) tells of three main characters whose lives intertwine in contemporary Kiev: Dmitry, the airport sniffer-dog handler who finds a case of ampoules containing a substance which has a remarkable effect on those who consume it; Irina, the single mother who sells her breast milk for a living; and ...

The Milkman in the Night - Andrey Kurkov
' The Milkman in the Night ' by Andrey Kurkov Posted by myvolumeblog on November 25, 2019 A curious and entirely original novel. I mean who would think that there could be such a thing as a clandestine political network that feeds on cheese made from human breast milk and a night time warrior for justice that ' s actually a drug-fueled fluffy cat.
