The Milkman in the Night follows the doings of a number of different characters on several separate plotlines. Irina is a young Ukranian mother who ekes a subsistence living as a wet nurse. Semyon is a security guard who has a sleepwalking problem and Dima is an airport sniffer-dog handler and cat-murderer who has made a potentially profitable discovery.

Amazon.com: Customer reviews: The Milkman in the Night

"The Milkman in the Night" is, simultaneously, a mystery novel, a piece of political satire, a richly entertaining visit to post-Soviet Ukraine, a comedy, a romance, a bit of magical realism, and more.

' The Milkman in the Night ' by Andrey Kurkov Posted by myvolumeblogon November 25, 2019 A curious and entirely original novel. I mean who would think that there could be such a thing as a clandestine political network that feeds on cheese made from human breast milk and a night time warrior for justice that ' s actually a drug-fueled fluffy cat.

Ten years on from the English-language publication of his debut, *Death and the Penguin*, comes Andrey Kurkov ' s ninth book. The Milkman in the Night (translated from the Russian by Amanda Love Darragh) tells of three main characters whose lives intertwine in contemporary Kiev: Dmitry, the airport sniffer-dog handler who finds a case of ampoules containing a substance which has a remarkable effect on those who consume it; Irina, the single mother who sells her breast milk for a living; and ...
