<p>their education, intelligence, skills, timing, work habits, contacts, luck, or their choice of jobs, businesses, or investments? The shocking answer is: None of the above! In his groundbreaking <i>Secrets of the Millionaire Mind</i>, T. Harv Eker states: "Give me five minutes, and I can predict your financial future for the rest of your life!" Eker does this by identifying your "money and success blueprint." We all have a personal money blueprint ingrained in our subconscious minds, and it is this blueprint, more than anything, that will</p>	<p>determine our financial lives. You can know everything about marketing, sales, negotiations, stocks, real estate, and the world of finance, but if your money blueprint is not set for a high level of success, you will never have a lot of money—and if somehow you do, you will most likely lose it! The good news is that now you can actually reset your money blueprint to create natural and automatic success. <i>Secrets of the Millionaire Mind</i> is two books in one. Part I explains how your money blueprint works. Through Eker's rare</p>	<p>combination of street smarts, humor, and heart, you will learn how your childhood influences have shaped your financial destiny. You will also learn how to identify your own money blueprint and "revise" it to not only create success but, more important, to keep and continually grow it. In Part II you will be introduced to seventeen "Wealth Files," which describe exactly how rich people think and act differently than most poor and middle-class people. Each Wealth File includes action steps for you to practice in the real world in</p>

order to dramatically increase your income and accumulate wealth. If you are not doing as well financially as you would like, you will have to change your money blueprint. Unfortunately your current money blueprint will tend to stay with you for the rest of your life, unless you identify and revise it, and that's exactly what you will do with the help of this extraordinary book. According to T. Harv Eker, it's simple. If you think like rich people think and do what rich people do, chances are you'll get rich too!	<i>You Can from Your Money and Your Life</i> Viperion Publishing Corp A one hundred percent proven plan for one hundred percent growth. <i>One of the World's Greatest Entrepreneurs Shares His Secrets</i> McGraw Hill Professional The Millionaire FastlaneCrack the Code to Wealth and Live Rich for a LifetimeViperion Publishing Corp Earn the Right to Win AB Publishing, The Rights Company What if Life	Wasn't About 50 Years of Wage-Slavery, Paying Bills and then Dying? <p>Bach ' s Automatic Millionaire promotes a revolutionary system for making even the most undisciplined money managers rich. The Automatic Millionaire shows readers how to change their financial practices and even their lives, the simple and automatic way. The book begins with a powerful story about an average Canadian couple — he ' s a low-level manager, she ' s a beautician — whose joint income never exceeds \$55,000 a year, yet who somehow manage to own two homes debt-free, put two kids through college, and retire at fifty-five</p>	<p>with more than \$1 million in savings. The incredible message Bach delivers is that the key to getting rich is “ automating ” the way to wealth by “ paying yourself first, ” using automatic funded retirement accounts and money market accounts to secure the future and pay for the present. A concise guide that ' s a fixture on bestseller lists, The Automatic Millionaire introduces readers to a system that is powerful and simple — an automatically effective, life-debt-changing system that delivers.
