Top Ten Arguments for Raising the Minimum Wage | Common ...

Minimum Wage Laws Are Immoral and Harmful Ethics, 2015 "Far from being raised, all minimum wage laws should be condemned as immoral and abolished." In the following viewpoint, Ari Armstrong argues that the demand to raise the minimum wage is misguided and shows what is wrong with having a minimum wage at all. He claims that a

They could find "no evidence" that minimum wage increases lowered poverty rates. There are many reasons for this. First, the minimum wage increases were "not well targeted to the working poor." Second, only a small percentage of workers who would gain from an increase in the minimum wage live in poor households.
