Begin your day the right way with this blueprint for maximizing productivity, perfecting your schedule, and making more time to enjoy life. The 5 A.M. Miracle is a resource guide for high-achievers. It provides a seven-step blueprint for anyone

looking for a structured system that will hone their passions, clarify their big goals, and produce real, amazing results. Productivity coach Jeff Sanders is a big fan of early mornings. But his blueprint is about more than just waking up early. It's about intentionality. In The 5 AM Miracle, Jeff breaks down an easy-to-follow system of healthy habits, daily routines, and

productivity strategies. It's more actionable content than you could possibly imagine. He then summarizes this multitude of ideas into a clear, thirty-day action plan. Grow Yourself First to Grow Your Business Fast W. W. Norton & Company
The earliest of the four Gospels, the book portrays Jesus as an enigmatic figure, struggling with enemies, his inner and external demons, and with his devoted but disconcerted disciples. Unlike other gospels, his parables are obscure, to be explained secretly

to his followers. With an introduction by Nick Cave

The role of the Shanghai Cooperation Organization (SCO) in regional politics and the significance of the organization for U.S. interests

are widely misunderstood. The organization is emphatically not a military bloc, and yet engages in joint activities which resemble military cooperation to U.S. eyes. It is, in theory, open to new members; but at present is highly unlikely to accept any. Its rhetoric firmly opposes U.S. presence and activity on the territory of member states, and yet individual member states leverage basing agreements with the U.S. to their advantage. The author reviews SCO's history and stated aspirations, and

measures these against actual achievements. He concludes that, with the notable exception of the Regional Anti-Terrorist Structure (RATS), the great majority of SCO accomplishments are of little significance other than to provide an additional multinational vehicle through which China and in particular Russia can seek to counter U.S. and Western activity in Central Asia. "A can't-put-it-down modern Western." —Kirk Siegler, NPR Longlisted for the PEN/ESPN Award for Literary Sports Writing The Last Cowboys is Pulitzer Prize-winning reporter John Branch 's epic tale of one American family struggling to hold on to the fading vestiges of the Old West. For generations, the Wrights of southern Utah have raised cattle and world-champion saddle-bronc riders—many call them the most successful rodeo family in history. Now they find themselves fighting to save their land and livelihood as the West is transformed by urbanization,

battered by drought, and rearranged by public-land disputes. Could rodeo, of all things, be the answer? Written with great lyricism and filled with vivid scenes of heartache and broken bones, The Last Cowboys is a powerful testament to the grit and integrity that fuel the American Dream.

The Anatomy of Choice and the Four Characters That Drive Our Life Hal Elrod International, Incorporated

When a career-ending injury left elite athlete and professional football player Lewis Howes out of work and living on his sister ' s couch, he decided he needed to make a change for the better. He started by reaching out to people he admired, searching for mentors, and applying his past coaches ' advice from

sports to life off the field. Lewis did more than bounce back: He built a multimillion-dollar online business and is now a sought-after business coach, speaker, and podcast host. In *The School of Greatness*, Howes shares the essential tips and habits he gathered in interviewing “ the greats ” on his wildly popular podcast of the same name. In discussion with people like Olympic gold medalist Shawn Johnson and Pencils of Promise CEO Adam Braun, Howes figured out that greatness is unearthed and cultivated from within.

The masters of greatness are not successful because they got lucky or are innately more talented, but because they applied specific habits and tools to embrace and overcome adversity in their lives. A framework for personal development, *The School of Greatness* gives you the tools, knowledge, and actionable resources you need to reach your potential. Howes anchors each chapter with a specific lesson he culled from his greatness “ professors ” and his own experiences to teach you how

to create a vision, develop hustle, and use dedication, mindfulness, joy, and love to reach goals. His lessons and practical exercises prove that anyone is capable of achieving success and that we can all strive for greatness in our everyday lives.
