How can the gospel be the plan of happiness if I feel so miserable trying to live it? In *Confessions of a Molly Mormon*, Elona debunks many of the faulty beliefs that led her down a path of deepening despair as she struggle to make herself and her family good enough to someday enter the celestial kingdom. During her darkest hour, God sent comfort in an unexpected way and set her feet on a glorious new path of freedom and joy. Learning how to stay on that path, and helping others discover it, has become Elona's quest.

In *The miracle of forgiveness*, Spencer W. Kimball gives a penetrating explanation of repentance and forgiveness and clarifies their implications for church members.

[The Miracle of Forgiveness](#) Bookbaby

As only Spencer W. Kimball could. From the heart, from the scriptures, from history he guides us through the answer to this question: Why do bad things happen to good people?

[The Plan of Salvation](#) Baker Books

The Church of Jesus Christ of Latter-Day Saints currently boasts millions of members, thousands of missionaries, and congregations on every continent as well as in the vast majority of the world's countries. It's clear that their influence is still growing in our communities, places of business, and in the political arena. It's also clear that Christians need to be prepared to answer questions from Mormon friends, neighbors, co-workers, and from fellow believers as well. In this updated and expanded edition of McKeever's popular and practical book, authors Bill McKeever and Eric Johnson provide ready responses to the common questions Mormons ask. With more than six decades of combined experience, the authors tackle such tough questions as: Why don't you accept Mormons as Christians? Do you believe Mormonism is a cult? If the LDS church is not true, which church is? How can you explain the many contradictions found throughout the Bible? After offering analysis and responses to these and other questions, McKeever and Johnson provide helpful appendices that summarize Mormon beliefs, provide 101 Bible references to use in conversation, and expose common logical fallacies. Originally published in the 1980s, this volume has been--and will continue to be--a classic resource to help Christians become more successful in sharing their faith with Mormons.

*Confessions of a Molly Mormon* Bookcraft, Incorporated

This book describes a contemporary theological development in Mormonism--which I have called Mormon neo-orthodoxy--and examines the cultural milieu out of which it emerged. Affirming the fundamental doctrines of the sovereignty of God, the depravity of human nature, and salvation by grace, Mormon neo-orthodoxy may be closer to Protestant fundamentalism and neo-orthodoxy than to what I and others esteem to be traditional Mormon thought. Like these Protestant movements, Mormon neo-orthodoxy is a response to the experience of "modernity"--the secularization of society and culture. Thus Protestant neo-orthodoxy and Mormon neo-orthodoxy are crisis theologies.

[Teachings of Presidents of the Church: Spencer W. Kimball](#) Zondervan

The President of The Church of Jesus Christ of Latter-day Saints discusses morality, testimony, being a missionary, service to others, profanity, personal journals, tithing, administration to the sick, and planning your life.

*Gospel Problems* Shadow Mountain

How do you share the gospel with those who don't think they need it? Someone you know is a Mormon—a family member, a coworker, a friend, or a

neighbor—and you long to present the truth about Jesus and what God's Word teaches. But where do you start? How can you convey what's on your heart in a way that will be well received? Every relationship and situation is unique, and that's why these essays from respected scholars, apologists, and pastors—including Sandra Tanner, Robert Bowman, David Geisler, Bill McKeever, Mark Mittelberg, J. Warner Wallace, Lynn Wilder, and others—lays out a variety of creative methods for sharing the gospel effectively so you can... initiate authentic conversations respond with compassion and clarity to Mormon teachings understand your Mormon friends and find ways to keep the dialogue going Speaking the truth to Mormons can feel daunting when you're unprepared. Let the suggestions in this book give you solid ideas for reaching those who are lost but don't realize it.

*Hidden Wedges The Miracle of Forgiveness*

Many of us have been taught that forgiveness is a choice and we are to choose to forgive. As a result, we may try to muster up enough willpower to offer forgiveness to someone who has wounded us. It can make us feel good about ourselves for a while, until that determination to forgive subsides and we are faced with those same feelings of unforgiveness all over again. Nancy sees forgiveness as being a miracle not a choice. While we cannot create miracles, we can experience them - even the miracle of forgiveness. This book takes a powerful look at the miracle of forgiveness, and how that miracle can become our reality. In the end we will not be asking ourselves, "Do I choose to forgive?" but rather, "Am I able to forgive?" We will learn to look to God - the one who is able to make us able.

[Faith Precedes the Miracle](#) Cfi

The First Presidency and the Quorum of the Twelve Apostles have established the Teachings of Presidents of the Church series to help you deepen your understanding of the restored gospel and draw closer to the Lord through the teachings of latter-day prophets. As the Church adds volumes to this series, you will build a collection of gospel reference books for your home. This book features the teachings of President Spencer W. Kimball, who served as President of The Church of Jesus Christ of Latter-day Saints from December 30, 1973, to November 5, 1985.

"That Leviathan, Whom Thou Hast Made" won the 2010 Nebula Award for Best Novelette, awarded by the Science Fiction and Fantasy Writers of America, and was a nominee for the Hugo Award for Best Novelette, awarded at the World Science Fiction Convention. The story was originally published in the September 2010 issue of *Analog Science Fiction & Fact*. Harry Malan is the president of a Mormon congregation on a station in the center of the Sun, where humans interact with "swales"--gigantic star-dwelling plasma beings. When a Mormon swale has a problem, Harry is determined to resolve it, even if it means confronting Leviathan, the largest swale.

THE STORY: This groundbreaking Obie-winning Off-Broadway smash also won multiple awards for its hit film adaptation. It tells the story of internationally ignored song stylist Hedwig Schmidt, a fourth-wall smashing East German rock 'n' roll godde

*Tragedy Or Destiny?* Deseret Book Company

As one of the LDS Church's most widely recognized scholars, Hugh Nibley is both an icon and an enigma. Through complete access to Nibley's correspondence, journals, notes and papers, Petersen has painted a portrait that reveals the man behind the legend. Starting with a foreword written by Zina Nibley Petersen (the author's wife and Nibley's daughter) and finishing with appendixes that include some of the best of Nibley's personal correspondence, the biography reveals aspects of the tapestry of the life of one who has truly consecrated his talents to the service of the Lord. The story begins prior to Hughs birth with a prophetic

blessing from John R. Winder, who was then serving both as the president of the Salt Lake Temple and as first counselor to Church President Joseph F. Smith, foretelling the importance of Hughs work here on earth. It continues through Nibley's mission to Germany, his assignment to Army Intelligence for the 101st Airborne Division during World War 2 and landing on Utah beach on D-Day. After the war the story turns to Hughs life working for the Improvement Era under Elder John A. Widtsoe, his promise to Elder Widtsoe that he would marry the first girl he met at Brigham Young University, and his subsequent marriage. It continues through Hughs years of teaching at BYU, his study of many ancient texts, and his writing. Hughs has significantly influenced the direction the Church has taken in its approach to the Book of Mormon, the Pearl of Great Price, and the temple. He has touched many individual lives as he has urged the Saints to take the law of consecration more seriously, to respect the environment, and to work for peace. Finally, he has set a wonderful example of faithful discipleship, all while demonstrating how taking the gospel seriously liberates believers to feel joy, laugh at themselves, and relish the gifts of mortality.

President Spencer W. Kimball speaks to the BYU studentbody in the Marriott Center, discussing marriage (and divorce) from the eternal viewpoint.

*That Leviathan, Whom Thou Hast Made* Bookcraft, Incorporated

"The Mormon Church entered the public square on LGBT issues by joining forces with traditional-marriage proponents in Hawaii in 1993. Since then, the church has been a significant player in the ongoing saga of LGBT rights within the United States and at times has carried decisive political clout. Gregory Prince draws from over 50,000 pages of public records, private documents, and interview transcripts to capture, in detail hitherto unavailable, the past half-century of the Mormon Church's focus on homosexuality. Initially that principally involved only its own members, but with its entry into the Hawaiian political arena, the church signaled an intent to shape the outcome of the marriage equality battle. That involvement reached a peak in 2008 during California's fight over Proposition 8, which many came to call the "Mormon Proposition." The church's activism against gay rights has continually resulted in outcomes that it likely did not intend, including not only public backlash but also reactive court decisions and mass resignations of church members"--Provided by publisher.

[The Miracle of Forgiveness](#) Neal A. Maxwell Institute for Religious Scholarship

Evan Smith believed the anti-gay messages he heard in church during his childhood, which contributed to some negative views he held toward LGBTQ people. Later, as a bishop and then a counselor in a stake presidency, his heart softened as church members came to him seeking guidance about feeling attracted to others of the same gender. Evan's investigating and study became personal when his own son came out as gay. In this topically navigable book, Evan tackles the issues with a lawyer's mind and a penetrating analysis of scriptures and church doctrine. He addresses such questions as these: "What insights apply from the end of polygamy and the race-based priesthood/temple ban?" "Why do I stay in the church?" and, most importantly, "What words are hurtful/helpful to LGBTQ people and their families?"
