The Misanthrope Library of America
"The School for Lies, an adaptation of Moliere's Le Misanthrope, received its world premiere at Classic Stage Company in New York City (Brian Kulick, artistic director; Jessica R. Jenen, executive director; Jeff

Griffin, general manager) on April 28, 2011."
The Misanthrope and Other French Classics
Dramatists Play Service, Inc.

In this witty, cutting version of Le Misanthrope, Moliere's angry hero Alceste becomes Alan - journalist, intellectual and free spirit - who finds himself adrift in a social whirl of false flattery and schmooze. In a world where nobody calls a spade a spade (or even knows what a spade is for), how can the cantankerous but high-minded Alan secure the affections of Celia - a spoiled, feckless, fickle socialite, who happens to be the love of his life?

It Doesn't Matter Which Road You Take
Penguin Classics

'Crimp has treated Molière the way Molière had treated Plautus: he has seized on the timeless core of the story and recast it with wit and respect. The result is both a genuinely

new version of Molière's play and a homage to it. The writing is cool, sharp and ferociously funny... A thrillingly sophisticated modern version of a classical play.' Sunday Times

Alceste abhors hypocrisy and the well-rehearsed, sycophantic pleasantries of the chattering classes. But having savaged Covington - a theatre critic who thinks he can write plays - Alceste goes on to attack Jennifer, the woman he really loves. What if his determination to tell the truth proves more destructive than their instinct to avoid it?

Molière's greatest comedy, *Le Misanthrope* (1666), with its fierce argument between conformity and non-conformity, is reworked in this blistering contemporary version. Martin Crimp's version of *The Misanthrope* premiered at the Young Vic Theatre, London, in February 1996 and was revived at the Comedy Theatre, London, in November 2009.

The Misanthrope and Other Plays Oberon Books

The classic comedy about seventeenth-century French society—and a man who despises everyone. This play in verse, which debuted in 1666 in Paris, lives on as one of the greatest masterpieces of stage comedy. It follows Alceste—who constantly bemoans the flaws, foibles, and hypocrisies of the human race—and his competition with many other suitors

for the hand of the alluring and flirtatious Celimene. In addition to its sheer entertainment value as an intriguing tale of romantic rivalries, *The Misanthrope* sparks debate on questions of honesty, idealism, and social niceties to this day.

The Misanthrope and Other Plays by Moliere Grove Press

Two classic plays translated by a Pulitzer Prize-winning poet into English verse. In *The Misanthrope*, society itself is indicted and the impurity of its critic's motives is exposed. In *Tartuffe*, the bigoted and prudish Orgon falls completely under the power of the wily Tartuffe. Introductions by Richard Wilbur.

Paris to the Moon Createspace Independent Publishing Platform

The 'greatest hits' of French classical theatre, in vivid and acclaimed new Penguin translations by John Edmunds and with editorial apparatus by Joseph Harris. The plays in this volume - *Cinna*, *The Misanthrope*, *Andromache* and *Phaedra* - span only thirty-seven years, but make up the defining period of French theatre. In Corneille's *Cinna* (1640), absolute power is explored in ancient Rome, while Molière's *The*

Misanthrope (1666), the only comedy in this collection, sees its anti-hero outcast for his refusal to conform to social conventions. Here also are two key plays by Racine: *Andromache* (1667), recounting the tragedy of Hector's widow after the Trojan War, and *Phaedra* (1677), showing a mother crossing the bounds of love with her son. This translation of *Phaedra* was originally broadcast on Radio Three with a cast including Prunella Scales and Timothy West, and was praised by playwright Harold Pinter. This is the first time it has been published. The edition also includes an introduction by Joseph Harris, genealogical tables, pronunciation guides, critiques and prefaces, as well as a chronology and suggested further reading. After a varied career as an actor, teacher, and BBC TV national newsreader, John Edmunds became the founder-director of Aberystwyth University's department of Theatre, Film and Television Studies. Joseph Harris is Senior Lecturer at Royal Holloway, University of London and author of *Hidden Agendas: Cross-*

Dressing in Seventeenth-Century France (2005).

Five Plays Courier Corporation

Six plays deal with unions, an anti-Nazi group, work, loneliness, the depression, and the American obsession with success

Selected Letters Digireads.com Publishing

This volume brings together five of Molière's finest and best-known plays. The three verse plays, The Misanthrope, Tartuffe and The School for Wives, have been skilfully turned into sparkling English couplets by Richard Wilbur's 'brilliant rhymed translation' Sunday Telegraph; while the playwright Alan Drury has translated the two prose comedies, The Miser and The Hypochondriac ('a cherubically funny translation' Independent).

The School for Lies The Misanthrope, Tartuffe, and Other Plays Don Juan, the "Seducer of Seville," originated as a hero-villain of Spanish folk legend, is a famous lover and scoundrel who has made more than a thousand sexual conquests. One of Molière's best-known plays, Don Juan was written while Tartuffe was still banned on the stages of Paris, and shared much with the outlawed play. Modern directors transform Don Juan in every new era, as each director finds something new to highlight in this timeless classic. Richard Wilbur's flawless translation will be the standard for generations to come, as have his translations of Molière's other plays. Witty, urbane, and poetic in its prose, Don Juan

is, most importantly, as funny now as it was for audiences when it was first presented.

The Misanthrope and Other Plays Simon and Schuster

The Misanthrope * The Doctor in Spite of Himself * The Miser * The Would-Be Gentleman * The Mischievous Machinations of Scapin * The Learned Women * The Imaginary Invalid "The comedy," Molière once quipped, "is excellent, and they who deride it deserve to be derided." Written during the triumphant final years of Molière's career, these seven works represent the mature flowering of his artistry and the most profound development of his vision of humanity. They are essential to appreciating the full genius of this greatest and best-loved French comic author. With an Introduction by Donald M. Frame and an Afterword by Lewis C. Seifert

Penguin Classics Introduction to The Misanthrope and Other Plays by

Molière (Penguin Classics) Penguin
For the 400th anniversary of Molière's birth, Richard Wilbur's unsurpassed translations of Molière's plays--themselves towering achievements in English verse--are brought together by Library of America in a two-volume edition One of

the most accomplished American poets of his generation, Richard Wilbur (1921-2017) was also a prolific translator of French and Russian literature. His verse translations of Molière's plays are especially admired by readers and are still performed today in theaters around the world. "Wilbur," the critic John Simon once wrote, "makes Molière into as great an English verse playwright as he was a French one." Now, for the first time, all ten of Wilbur's unsurpassed translations of Molière's plays are brought together in two-volume Library of America edition, fulfilling the poet's vision for the translations. The second volume includes the elusive masterpiece, The Misanthrope, often said to occupy the same space in comedy as Shakespeare's Hamlet does in tragedy; the fantastic farce Amphitryon, about how Jupiter and Mercury commandeer the identities of two mortals ; Tartuffe, Molière's biting satire of religious hypocrisy; and The Learned Ladies, like Tarfuffe, a drama of a household turned suddenly upside down. This volume includes the original introductions by Richard Wilbur and an introduction by Adam Gopnik on the exquisite art of Wilbur's translations.

A Play HarperCollins

Unlock the more straightforward side of The Misanthrope with this concise and insightful summary and analysis! This engaging summary presents an analysis of The Misanthrope by Molière, a comedy of manners which satirises the hypocrisy and falseness of 17th-century aristocratic society in France. Alceste, the misanthrope of the title, prides himself on his total honesty and frankness, but this puts him at odds with the play's other characters and the woman he loves, the beautiful but hypocritical Célimène. Although the play features many humorous situations, it also stands out for its more poignant elements and close attention to character development. The Misanthrope is widely considered to be a masterpiece, and today is one of Molière's best-known works. Molière, who also wrote Dom Juan, Tartuffe and The Miser, among other works, is viewed as one of France's greatest authors, and his plays are still performed today. Find out everything you need to know about The Misanthrope in a fraction of the time! This in-depth and informative reading guide brings you: • A complete plot summary • Character studies • Key themes and symbols • Questions for further reflection Why
