A Duet for Home Yearling

From the New York Times bestselling creator of the Vanderbeekers series comes a triumphant tale of friendship, healing, and the power of believing in ourselves told from the perspective of biracial sixth-graders June and Tyrell, two children living in a homeless shelter. As their friendship grows over a shared

love of classical music, June and Tyrell confront a new housing policy that puts homeless families in danger. It's June's first day at Huey House, and as if losing her home weren't enough, she also can't bring her cherished viola inside. Before the accident last year, her dad saved tip money for a year to buy her viola, and she's not about to give it up now. Tyrell has been at Huey House for three years and gives June a glimpse of the good things about living there: friendship, hot meals, and a classical musician next door. Can he and June work together to oppose the government, or will families be forced out of Huey House before they are ready?

“I only know one man who might be able to tell me where I come from, and that man is a liar and a fraud.” As far back as he can remember, the orphan

Grady has tramped from village to village in the company of a huckster named Floyd. With his adolescent accomplice, Floyd perpetrates a variety of hoaxes and flimflams on the good citizens of the Corenwald frontier, such as the Ugliest Boy in the World act. It’s a hard way to make a living, made harder by the memory of fatter times when audiences thronged to see young Grady perform as “The Wild Man of the Feechiefen Swamp.” But what can they do? Nobody believes in feechiees anymore. When Floyd stages an elaborate plot to revive Corenwalders’ belief in the mythical swamp-dwellers known as the feechiefolk, he overshoots the mark. widespread panic. Eager audiences become angry mobs, and in the ensuing chaos, the Charlatan's Boy discovers the truth that has evaded him all his life—and will change his path forever.

Author Jim Burns believes the key to instilling in children a healthy, values-centered view of sexuality is to start the discussion early--being open and honest at every stage. The Pure Foundations series is already guiding parents

of preteens and teens through potentially awkward conversations. Now two fully illustrated books--one for pre-readers and one for early readers--complete the series. How *God Makes Babies* is an age-appropriate introduction to basic sexuality, helping children ages 6 to 9 understand that God created males and females differently and with a purpose, emphasizing that God is a part of each family from conception to death.
