Relic Forge Books

As seen on the Discovery ID TV series *Murder is Forever*, these two true-crime thrillers follow a lawyer struggling to stop a killer and a detective angling to solve a double homicide. *Home Sweet Murder* (with Andrew Bourelle): Lawyer Leo Fisher and his wife Sue are a sixty-one-year-old couple enjoying a quiet Sunday dinner at home. Until a man in a suit rings their front door claiming to be an SEC agent. By the end of the evening, two people will be shot, stabbed, and tortured. And two others will fare worse . . . *Murder on the Run* (with Scott Slaven): The middle-aged housekeeper found dead with a knife in her throat was bad. But the little boy was worse. After a bloody double homicide that puts Omaha, Nebraska, on the map, Detective Derek Mois promises the boy's parents he will catch the killer, no matter how long or far he runs . . .

In this entry from the thrilling short story anthology *FaceOff*, bestselling authors Douglas Preston & Lincoln Child along with R.L. Stine team up for the first time ever, pitting FBI agent Aloysius Pendergast against the most unusual villain he 's ever faced—Stine 's classic creation: Slappy the Ventriloquist Dummy. First introduced in R.L. Stine 's 400 million-copy bestselling *Goosebumps* series, Slappy is a dummy carved from coffin wood who boasts enormous strength and a sarcastic, sadistic personality. In contrast, Agent Pendergast is an elegant, intelligent man who never lets himself be ruffled by the particulars of an investigation. Yet when these two meet for the first time—at Stony Mountain Sanatorium—Pendergast is quite clearly out of his element, and nothing is as it seems... For more exciting pairs, check out all eleven stories in *FaceOff*!

The Monster of Perugia - The Framing of Amanda Knox, is a work of literary non-fiction that is unlike any other book about the events surrounding the murder of Meredith Kercher. By framing his narrative in terms of powerful analogies from history and literature, Dr. Waterbury illuminates the dark recesses of a gross miscarriage of justice. This is not only an informative book, it is a "wonderful, good read" in the words of one reviewer. Douglas Preston, bestselling

author of *The Monster of Florence* and numerous other books wrote: "*The Monster of Perugia* is a fascinating book... I highly recommend this well-written, clear, gripping, and ultimately infuriating book." *The Monster of Perugia* demolishes the forensic evidence put forth by the prosecution, but this book is not just about forensics. Amanda and Raffaele were wrongfully convicted, but *Monster of Perugia* doesn't just prove their innocence. It reaches behind the facade of justice slowly taking its course to lay bare the baseless demonization, the incompetent framing, and the unconscionable incarceration of Amanda Knox by corrupt and incompetent powers within the justice system of the small city of Perugia, Italy. "By the end, Waterbury makes us understand what it's like to be an entirely innocent victim of a corrupt system. He tells us the truth and calls us to action." Thomas Lee Wright, author.

INSTANT NEW YORK TIMES BESTSELLER Gideon Crew--brilliant scientist, master thief--is living on borrowed time. When his mysterious employer, Eli Glinn, gives him an eyebrow-raising mission, he has no reason to refuse. Gideon's task: steal a page from the priceless Book of Kells, now on display in New York City and protected by unbreakable security. Accomplishing the impossible, Gideon steals the parchment--only to learn that hidden beneath the gorgeously illuminated image is a treasure map dating back to the time of the ancient Greeks. As they ponder the strange map, they realize that the treasure it leads to is no ordinary fortune. It is something far more precious: an amazing discovery that could perhaps even save Gideon's life. Together with his new partner, Amy, Gideon follows a trail of cryptic clues to an unknown island in a remote corner of the Caribbean Sea. There, off the hostile and desolate Mosquito Coast, the pair realize the extraordinary treasure they are hunting conceals an even greater shock--a revelation so profound that it may benefit the entire human race . . . if Gideon and Amy can survive.

Home Sweet Murder St. Martin's Griffin

From celebrated Relic author Douglas Preston, Wyman Ford races to stop a rogue AI in *The Kraken Project*, a New York Times bestselling thriller “as chilling as it is provocative” (James Rollins) NASA is building a probe to be splashed down in the Kraken Mare, the largest sea on Saturn's great moon, Titan. It is one of the most promising habitats for extraterrestrial life in the solar system, but the surface is unpredictable and dangerous, requiring the probe to contain artificial intelligence software. To this end, Melissa Shepherd, a brilliant programmer, has developed "Dorothy," a powerful, self-modifying AI whose true potential is both revolutionary and terrifying. When miscalculations lead to a catastrophe during testing, Dorothy flees into the internet. Former CIA agent Wyman Ford is tapped to track down the rogue AI. As Ford and Shepherd search for Dorothy, they realize that her horrific experiences in the wasteland of the Internet have changed her in ways they can barely imagine. And they're not the only ones looking for the wayward software: the AI is also being pursued by a pair of Wall Street traders, who want to capture her code and turn her into a high-speed trading bot. Traumatized, angry, and relentlessly hunted, Dorothy has an extraordinary revelation—and devises a plan. As the pursuit of Dorothy converges on a deserted house on the coast of Northern California, Ford must face the ultimate question: is rescuing Dorothy the right thing? Is the AI bent on saving the world... or on wiping out the cancer that is humankind? At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
