“Christopher Moore is a very sick man, in the very best sense of the word.” —Carl Hiaasen
The undead rise again in *Bite Me*, the third book in New York Times bestselling author Christopher Moore’s wonderfully twisted vampire saga. Joining his farcical gems *Bloodsucking Fiends* and *You Suck*, Moore’s latest in continuing story of young, urban, nosferatu style love, is no *Twilight*—but rather a tsunami of the irresistible outrageousness that has earned him the appellation, “Stephen King with a whoopee cushion and a double-espresso imagination” from the *Atlanta Journal-Constitution* and inspired *Denver’s Rocky Mountain News* to declare him, “the 21st century’s best satirist.”

In a world where advertisements lead us to hope for a life free from suffering, facing the reality of suffering can be a particular challenge. Yet the reality of suffering is one that we all face in the course of our lives. While Christianity often has the reputation of a tradition that promotes the idea that all suffering is good for you and makes you a better person, there is, in fact, much more variety and nuance to the tradition. While there are those who advocate a wholesale acceptance, there are others who question the source of suffering and call for it to be fought against. This book delves into the world of five theologians--Gregory the Great, Julian of Norwich, Jeremy Taylor, C. S. Lewis and Ivone Gebara--to understand their perspectives and draw on their approaches as a way of understanding what Christian responses to suffering look like. This book constructs a contemporary theology that affirms the importance of the call to combat unjust suffering through acts of love and mercy, while also affirming that acceptance of the reality of endemic suffering, found in all five theologians, can provide us with opportunities to grow spiritually, live more faithfully and to experience the blessings in the midst of suffering that are a foretaste of heavenly bliss.

Based on a true story, this edition of *Devil's Knot* will tie-in to a major motion picture starring Academy Award winners Reese Witherspoon and Colin Firth. This riveting portrait of a small Arkansas town recounts the all-too-true story of a brutal triple murder and the eighteen-year imprisonment of three innocent teenagers. For weeks in 1993, after the grisly murders of three eight-year-old boys, police in West Memphis, Arkansas, seemed stumped. Then suddenly, detectives charged three teenagers - alleged members of a satanic cult - with the killings. Despite the witch-hunt atmosphere of the trials and a case that included stunning investigative blunders, the teenagers, who became known as the West Memphis Three, were convicted. Jurors sentenced Jason Baldwin and Jessie Misskelley to life in prison and Damien Echols, the accused ringleader, to death. The guilty verdicts were popular in their home state - even upheld on appeal - and all three remained in prison until their unprecedented release in August 2011. In *Devil's Knot*, award-winning investigative journalist Mara Leveritt presents the most comprehensive, insightful reporting ever done on this story - one of the greatest miscarriages of justice in American legal history. In-depth research, meticulous reconstruction of the investigation and close-up views of its key participants unravel the many tangled knots of this endlessly shocking case.

Since the death of her husband, Anne Dunne and her three children have struggled in every way. In a last ditch effort to save the family, Anne plans an elaborate sailing vacation to bring everyone together once again. But only an hour out of port, everything is going wrong. The teenage daughter, Carrie, is planning to drown herself. The teenage son, Mark, is high on drugs and ten-year-old Ernie is nearly catatonic. This is the worst vacation ever. Anne manages to pull things together bit by bit, but just as they begin feeling like a family again, something catastrophic happens. Survival may be the least of their concerns. Written with the blistering pace and shocking twists that only James Patterson can master, *SAIL* takes "Lost" and "Survivor" to a new level of terror.

Dude, Where's My Country? Forgotten Books

The moving story of a daughter ’ s quest to discover the truth about her beloved father ’ s hidden past. Ada Sibelius is raised by David, her brilliant, eccentric, socially inept single father, who directs a computer science lab in 1980s-era Boston. Home-schooled, Ada accompanies David to work every day; by twelve, she is a painfully shy prodigy. The lab begins to gain acclaim at the same time that David ’ s mysterious history comes into question. When his mind begins to falter, leaving Ada virtually an orphan, she is taken in by one of David ’ s colleagues. Soon she embarks on a mission to uncover her father ’ s secrets: a process that carries her from childhood to adulthood. What Ada discovers on her journey into a virtual universe will keep the reader riveted until *The Unseen World* ’ s heart-stopping, fascinating conclusion.

Coach Joe Moore vs. The University of Notre Dame Harper Collins

Mayors Richard M. Daley and Rahm Emanuel have touted and promoted Chicago as a "world class city." The skyscrapers kissing the clouds, the billion-dollar Millennium Park, Michelin-rated restaurants, pristine lake views, fabulous shopping, vibrant theater scene, downtown flower beds and stellar architecture tell one story. Yet, swept under the rug is the stench of segregation that compromises Chicago. The Manhattan Institute dubs Chicago as one of the most segregated big cities in the country. Though other cities - including Cleveland, Los Angeles, and Baltimore - can fight over that mantle, it's clear that segregation defines Chicago. And unlike many other major U.S. cities, no one race dominates. Chicago is divided equally into black, white, and Latino, each group clustered in their various turfs. In this intelligent and highly important narrative, Chicago-native Natalie Moore shines a light on contemporary segregation on the South Side of Chicago through reported essays, showing the life of these communities through the stories of people who live in them. The South Side shows the important impact of Chicago's historic segregation - and the ongoing policies that keep it that way.

Having moved from the Fens to the Midlands to the Scottish Borders, Jessie Noon finds herself struggling to leave the past behind.Following a family tragedy, Jessie Noon moved from the Fens to the Midlands and now lives in the Scottish Borders with a cat, a dog and - she is convinced - a ghost in the spare room. Her husband walked out almost a year ago, leaving a note written in steam on the bathroom mirror, and Jessie hasn’t seen her son for years. When Jessie meets Robert, a local outreach worker, they are drawn to one another and begin a relationship; meanwhile, Jessie has begun receiving messages telling her I'm on my way home.As a translator, Jessie worries over what seems like the terrible responsibility of choosing the right words. It isn’t exactly a matter of life and death, said her husband, but Jessie knows otherwise. This is a novel about communication and miscommunication and lives hanging in the balance (a child going missing, a boy in a coma, an unborn baby), occupying the fine line between life and death, between existing and not existing. NEW YORK TIMES BESTSELLER • The “compassionate” (People), “startling” (Baltimore Sun), “moving” (Chicago Tribune) true story of two kids with the same name from the city: One went on to be a Rhodes Scholar, decorated combat veteran, White House Fellow, and business leader. The other is serving a life sentence in prison. In development as a feature film executive produced by Stephen Curry, who selected the book as his “Underrated” Book Club Pick with Literati The chilling truth is that his story could have been mine. The tragedy is that my story could have been his. In December 2000, the Baltimore Sun ran a small piece about Wes Moore, a local student who had just received a Rhodes Scholarship. The same paper also ran a series of articles about four young men who had allegedly killed a police officer in a spectacularly botched armed robbery. The police were still hunting for two of the suspects who had gone on the lam, a pair of brothers. One was named Wes Moore. Wes just couldn ’ t shake off the unsettling coincidence, or the inkling that the two shared much more than space in the same newspaper. After following the story of the robbery, the manhunt, and the trial to its conclusion, he wrote a letter to the other Wes, now a convicted

murderer serving a life sentence without the possibility of parole. His letter tentatively asked the questions that had been haunting him: Who are you? How did this happen? That letter led to a correspondence and relationship that have lasted for several years. Over dozens of letters and prison visits, Wes discovered that the other Wes had had a life not unlike his own: Both had had difficult childhoods, both were fatherless; they ’ d hung out on similar corners with similar crews, and both had run into trouble with the police. At each stage of their young lives they had come across similar moments of decision, yet their choices would lead them to astonishingly different destinies. Told in alternating dramatic narratives that take readers from heart-wrenching losses to moments of surprising redemption, The Other Wes Moore tells the story of a generation of boys trying to find their way in a hostile world. BONUS: This edition contains a new afterword and a The Other Wes Moore discussion guide.

Developing a Contemporary Theology of Suffering in Conversation with Five Christian Thinkers: Gregory the Great, Julian of Norwich, Jeremy Taylor, C. S. Lewis, and Ivone Gebara Breakwater Books

"A suspense novel that also looks at the anatomy of a Philadelphia family rocked by the opioid crisis and the relationship between two sisters--one, suffering from addiction, who has suddenly gone missing amid a series of mysterious murders; the other a police officer who patrols the neighborhood from which she disappeared: a story about the formidable ties between place, family, and fate" -- **First-Class Father** Wipf and Stock Publishers

In April of 1914, fifteen-year-old C. S. Lewis walked into a sick neighbor ’ s bedroom for a visit. This neighbor, eighteen-year-old Arthur Greeves, was reading a book titled Myths of the Norsemen. Their meeting was a spark that would fan into a flame a friendship that lasted almost fifty years. Drawing on original research of the 296 letters written by Lewis to Greeves that span the life of their friendship, readers will explore the deep, emotional, and raw relationship of two dissimilar people where each unveiled himself to the other in ways they did with no one else. Embedded in this relationship is the trajectory of Lewis ’ s faith journey, starting out as an arrogant skeptic and transforming into the greatest apologist of the last one hundred years. Readers will be drawn into this beautiful friendship and in turn become better friends to those around them.
