The Murder of King Tut This is my first time to read a work of non-fiction by James Patterson. In *The Murder of King Tut: The Plot to Kill the Child King*, Patterson tells us King Tut's story from three time periods. Patterson first takes us to Ancient Egypt around 1490s B.C. when Pharaoh Amenhotep the Magnificent, King Tut's grandfather, ruled Egypt.

If King Tut was murdered, some research and evidence point to a few limited servants that could have been responsible for his death. Their motives were likely centered on greed or the changing environment Akhenaten (King Tut ' s father) had created upon his death. It was a known fact that Akhenaten brought about a major change in Egypt.
