The Murder of Princess Diana - The Truth Behind the Assasination of the People's Princess Penguin
Since Princess Diana's untimely death, the public has become increasingly

aware that there may have been more to the car crash than the establishment would like us to believe.

The Assassination of Princess Diana
Simon and Schuster

The death of Princess Diana, Princess of Wales, sent shockwaves around the world. A nation was left in mourning, but soon feelings of suspicion surfaced: was her death all that the Establishment might wish us to believe? Now, after an exhaustive two-year probe, investigative writer and former journalist Noel

Botham has dared to reveal what the people of Britain have always believed - that Diana's death was murder. Using his unique contacts in the secretive worlds of intelligence and royalty, the author has uncovered the facts that prove Diana was - as she herself predicted she would be - the victim of a professional hit squad. He presents a clear account of what really happened on that fateful day of 31 August 1997. Why was the killing sanctioned? How was it executed? Was there really

another car in the tunnel at the time of the crash? All of these questions and more, including how the truth was covered up by an official whitewash, are answered. This astounding book is what all enquiring minds have been waiting for, blowing the lid off the secrets the Establishment does not want us to know. The Murder of Princess Diana firmly lays to rest the theory that Diana's death was a tragic accident, and finally gives the people of Britain the explanation they deserve.

The Murder of Princess Diana
John Blake

The Accident Man Metro Publishing, Limited
REPUBLICATED TO COMMEMORATE THE 20TH ANNIVERSARY OF PRINCESS DIANA'S DEATH A whole nation stood paralysed at the news of Princess Diana's tragic death after a car crash in Paris in August 1997. However heartbroken about the accident that took the life of the People's Princess,

many people were sceptical about the government's official statements. After in-depth research of the circumstances of that fateful night, investigative writer and former journalist Noel Botham finally reveals what he alleges to be the truth – Princess Diana fell victim to a ruthlessly executed assassination. Twenty years later, the tragedy still shapes Britain as we know it today. How could the Establishment betray the trust of a whole nation? How was the killing executed? Was there really

another car in the tunnel at the time of the crash? Reporting from the innermost sanctums of British intelligence and royalty, Botham reveals shocking answers to what he claims is one of the UK's most successfully kept secrets. As Botham affirms, *The Murder of Princess Diana* firmly lays to rest the theory that Diana's death was a mere accident, and finally gives the people of Britain the explanation they deserve.

Diana conspiracy movement. This is an incisive review written by John Morgan, who has authored nine investigative books on the assassination of Princess Diana. He is viewed by many as the world's leading expert on the circumstances around the 1997 crash in Paris' Alma Tunnel. This is a must read for

anyone who has read - or intends to read - Alan Power's book, *The Princess Diana Conspiracy: The Evidence of Murder*.
Diana Anchor
An intimate portrait of the Princess of Wales describes her public and private life, reveals details about her marital problems, and discusses her attitudes toward motherhood and public service.

The Princess Diana Conspiracy SP Books
Was Princess Diana, arguably the most famous woman of the modern age, really murdered or was her death a tragic accident? "I found it difficult simply to accept that what happened in Paris was 'just one of those tragic things' and has it happened, the jury at the inquest agreed." - Michael Mansfield QC
Murder, Lies, and Cover-Ups The Murder of Princess Diana

On 31 August 1997, the world was stunned by the tragic death of the most popular and photographed woman of the modern age: Diana, Princess of Wales. The outpouring of public grief at this tragically early death was unprecedented in modern times. Now, more than 20 years on, Diana: The People's Princess celebrates both her life and her legacy. A dignified and unexploitative celebration of Diana's life, Diana: The People's Princess commemorates of Cambridge. The book of this remarkable woman's life from her childhood date with the marriage to her tragic premature death at the age of 36. Markle, who some compare to the Princess of Wales. Diana: The People's Princess is a respectful, sensitive and poignant tribute to this elegant, charming and sympathetic symbol of our times.

This investigation into the death of Princess Diana and her lover, Dodi Fayed, uts forward

evidence to suggest that the tragedy was not an accident.

Who Killed Diana?

Random House

What happened to Diana and Dodi in the Alma Tunnel on the night of August 31, 1997? Was Diana six weeks pregnant? Was she about to get engaged and married to Dodi? Had Dodi purchased an engagement ring for her? Was he planning to present

it to her that night? Was Andanson an SIS operative, trained to use his white Fiat Uno to tip the Mercedes car, causing it to career into the 13th pillar in the tunnel? Why was he found, deep in a forest, beheaded in his burnt out, keyless, locked car, with a bullet wound in his head? Is Tomlinson, ex-SIS agent,

absolutely right when he says the Mercedes car accident was a classically planned SIS method of execution, one he knew was being planned to assassinate a former Serbian leader? What was the bright light witnesses saw in the tunnel that night? Was it a strobe light used to blind the

driver? What was the	Princess of Wales.	"powers at work in

the British Establishment and one involving major figures in the French government - collided unintentionally with catastrophic results. From Bosnia to Baghdad, from Paris to Washington, from Angola to London this 'faction' thriller tells the compelling story of the British, French and American secret	services' involvement in the most iconic car crash in history...and beyond. The names, dates, places and events are real. Only the storyline is fiction. Or is it? As the former head of Scotland Yard's press bureau, crime correspondent for a Sunday newspaper, and personal adviser to Mohamed Al Fayed, the	author has a unique insight. Among the countless conspiracy theories, his is the most plausible account so far. This is a 'must read' for all students of the subject. <i>Diana CreateSpace</i> Exposes one of the greatest cover-ups of our time. Provides credibility to the lingering doubts of
---	---	---

a large section of the British and international public regarding the official line on the causes of the Paris crash. Deals with many of the troubling questions that have risen since the death of Diana. Lays down a huge challenge to those who believe the death of Diana, Princess of Wales was just a tragic

accident (back cover).

Cover-up of a Royal

Murder John Blake
Was Diana murdered?
Was the British Royal family involved? Was she pregnant and engaged to Dodi? Did the paparazzi or 'a blinding white flash' cause the crash? Was driver Henri Paul really drunk or were his blood tests switched? Since Princess Diana died in Paris on 31 August 1997 there have been more questions than answers about the

crash that killed her, despite lengthy official French and British investigations. This is the authoritative and up-to-date study into the death of Diana, Princess of Wales, which includes unique access to Diana's close friends and bodyguards, French and British detectives who probed the crash, and the official French investigation's dossier into the crash.
Diana Inquest Kings Road Publishing

There's a lot we haven't heard about the murder of Princess Diana! Belzer & Wayne are back, and with a big conspiracy and cover-up too. Did you know that: Diana specifically predicted that she would be assassinated. This book documents it very clearly in Diana's exact words.. Stories that the driver was	drunk were fabricated; he was not. Contrary to the official explanation, Diana's car was not closely followed by photographers and that was not the cause of the crash. And she was not pinned in the vehicle, but it took emergency crews an incredibly long 1 hour, 40 minutes to get Diana to a nearby	hospital; and that's why she bled to death as a result. The evidence trail and eyewitness interviews prove that the Mercedes was diverted into the tunnel by vehicles that blocked its exit. That the Mercedes had been stolen and had its computer chip changed out. The crash-scene analysis is indicative of an
---	--	---

assassination technique that is detailed specifically. Diana always wore her seat belt, but hers was defective on the night of the crash. And in yet another "coincidence," the regular traffic cameras in the tunnel were not functioning at the time of the crash, so there was no recording of it as

there would normally be. Diana's body was immediately embalmed-even though that was illegal-which made it impossible to determine if she was pregnant. This book documents all the factual evidence like it's never been done before.

Who Murdered Elvis? - 5th Anniversary Edition Pinnacle Books

Millions remember the tragic date when the world lost a princess and two boys lost their beloved mother. It was a freak accident-Diana, Dodi Fayed, and driver Henri Paul died fleeing aggressive paparazzi...or so officials led us to believe. But investigative journalist Noel Botham wasn't satisfied with the "official" story. The Murder of Princess

Diana documents his intensive probe into what happened that fateful night in Paris. Finally, here is a book that dares to ask—and answer—questions such as: Was the blood sample supposedly taken from Henri Paul's body actually his blood? Why was the tunnel cleaned with detergent before forensic investigations could take place? Why was Diana's body	partially embalmed before the post mortem? What were the connections between the driver of the Fiat Uno seen near the Mercedes and MI6? Was the man's subsequent fiery death really an accident? Did Diana's international campaign against landmines create a deadly conflict with the CIA? Culled from interviews with contacts from behind palace walls to	within the halls of the Pentagon, this shocking expose blows the lid off cover-ups arranged in the highest echelons of power. Now, at long last, the secrets are revealed; the lies are exposed—and the truth about Diana's death is brought to light. Diana: Her Last Love Saint Martin's Paperbacks After in-depth research of the circumstances of that fateful night,

the following five questions: Who hated the Princess? Who wanted her dead? Why did they want her dead? Who cooperated in the coverup? and who profited from the murder? To answer those questions the book also solves these riddles (and many others). -Why did the American Secret Service have 1100 pages of transcription of	Diana's phone conversations? -Why did it take Diana's ambulance almost 2 hours to get her to a hospital 4 miles away? -Why did the French police gather eyewitness testimony to the crash and then discard it? -Why did they clean up the crash site so quickly after Diana was pronounced dead? -Why was Mercedes Benz	blocked (by both governments) from inspecting the car for defects? -Why did the Mercedes kill its passengers at speeds lower than its crash test rating? -Why has no one investigated the concrete pillar to officially determine the angle of impact? -Who gave the order to break British law and wait from 1997 until 2007 to do an

inquest? -Why were all of the traffic cameras in and around the tunnel turned off the night of the crash? If that wasn't enough to garner your interest in this book, ask yourself a simple, logical question. Have you ever been threatened for witnessing a car accident? To date, at least seven witnesses have

either been assaulted or had had their lives threatened for witnessing Diana's fatal crash. Forget everything you have ever heard about Diana's death and prepare to be fascinated. This book will not disappoint you. *How They Murdered Princess Diana* SP Books Argues that the death of Princess

Diana was not accidental, examining events and circumstances surrounding the car accident and the subsequent investigation. Reissue. *Princess Diana* John Morgan This extensive book review - written by an expert on the murder of Princess Diana - exposes Alan Power as a fraudster. Over 200

separate errors are shown, but with Power's propensity for repetition there are actually well over 500. The most disturbing factor is the nature of the errors - the 180 page review reveals that Power has deliberately duped his readers. There are many instances of Power fraudulently altering sworn	witness evidence to fit with his pre-determined false scenario of what occurred. Alan Power Exposed shows that Power's book is a minefield of deceptive writing, manipulation of evidence, misinformation and misrepresentation of the facts. In the end it becomes impossible for the reader of The Princess Diana	Conspiracy to discern what is fact and what is fiction or fantasy. At one point Power writes: "Rest assured, my perception is not given to exaggeration or fancy but is based on the facts" - but unfortunately the truth is quite the opposite. Power's claims of carrying out a ten year investigation and
