From the #1 New York Times bestselling author of All the Bright Places comes an unforgettable summer novel, set on an island off the coast of Georgia, about a sensitive girl ready to live her bravest life—sex, love, heartbreak, and all. Before: With graduation on the horizon, budding writer Claudine Henry is focused on three things: college in the fall, become a famous author, and the ever-elusive possibility of sex. She

doesn't even need to be in love—sex is all she's looking for. Then her dad drops a bombshell: he and Claude's mom are splitting up. Suddenly, Claude's entire world feels like a lie, and the ground under her feet anything but stable. After: Claude's mom whisks them both away to a remote, mosquito-infested island off the coast of Georgia, a place where the two of them can start the painful process of mending their broken hearts. It's the last place Claude can imagine finding her footing, but then Jeremiah Crew happens. Miah is a local trail guide with a passion for photography, and a past he doesn't like to talk about. He's brash, enigmatic, and even more infuriatingly, he's the only one who seems to see Claude for who she wants to be. So when Claude decides to sleep with Miah, she tells herself it's just sex—exactly what she has planned. There isn't enough

---

time to fall in love, especially if it means putting her already broken heart at risk.

Compulsively readable and impossible to forget, Jennifer Niven's luminous new novel is an insightful portrait of a young woman determined to write her own next chapter--sex, resilience, mosquito bites, and all.

Although the surface thread is autobiographical, "Local DJ" is much more an interwoven narrative on Rock 'n Roll culture from the late '50s through present times. Perspective is subjectively recounted by one who was both involved with and influential upon the music over an extended period. The presentation is structurally arranged as a mosaic of interrelated stories with substantial personal

---

overview or, as more commonly referenced, "attitude." From the earliest days of Elvis through Z-Rock in the '90's, 'Local DJ' travels through time and space with instinctive grace. Sacramental with sin. A lifeweb spin. "Of all who had a major influence on me while growing up in the Midwest, none matched the audaciousness, tenacity and gonzo-like behavior of Peter Cavanaugh. He was more than just the rock 'n roll guru who gave America its first encounters with The Who, Bob Seger and all the great Detroit bands (Ted Nugent, Alice Cooper, MC5, etc.) He was the one who taught me how to go up against the powers-that-be and live to tell all. Thank you, Peter Cavanaugh, for saving a generation of Flint kids from the likes of Pat Boone" ---- MICHAEL MOORE --"Bowling For Columbine"/"Fahrenheit 9/11" Please visit [www.wildwednesday.com](http://www.wildwednesday.com)
