From the show's creators comes the groundbreaking, bestselling novel inspired by the hit Broadway show *Dear Evan Hansen*. *Dear Evan Hansen*, Today's going to be an amazing day and here's why... When a letter that was never meant to be seen by anyone draws high school senior Evan Hansen into a family's grief over the loss of their son, he is given the chance of a lifetime: to belong. He just has to stick to a lie he never meant to tell, that the notoriously troubled Connor Murphy was his secret best friend. Suddenly, Evan isn't invisible anymore--even to the girl of his dreams. And Connor Murphy's parents, with their beautiful home on the other side of town, have taken

him in like he was their own, desperate to know more about their enigmatic son from his closest friend. As Evan gets pulled deeper into their swirl of anger, regret, and confusion, he knows that what he's doing can't be right, but if he's helping people, how wrong can it be? No longer tangled in his once-incapacitating anxiety, this new Evan has a purpose. And a website. He's confident. He's a viral phenomenon. Every day is amazing. Until everything is in danger of unraveling and he comes face to face with his greatest obstacle: himself. A simple lie leads to complicated truths in this big-hearted coming-of-age story of grief, authenticity and the struggle to belong in an age of instant connectivity and profound isolation.

What exactly is manhood? How do guys get there? Tim Brown won the Heisman Trophy at Notre Dame and starred in the NFL for seventeen seasons. He left the game as a Los Angeles and Oakland Raiders legend and one of the most respected men in sports. Now "Mr. Raider" shares his amazing journey—the triumphs, the heartbreaks, the struggles with women, Al Davis, and God—as well as the principles and priorities that made him the man he is today. Much more than a sports memoir, *The Making of a Man* reveals how faith, family, honor, and integrity have everything to do with true manhood and a life well-lived. Whether you are a rabid fan or have little interest in football, a young boy or already facing the fourth quarter of your life, these pages will both challenge and inspire you to become the man you've always known you could be. Back Cover: When a man comes into your life and shows you something about yourself that you didn't know was in you, it's remarkable. The Apostle Paul did that for Timothy, encouraging him to preach and teach and reminding him, "Do not neglect your gift" (1 Tim. 4:14). Paul was a mentor to Timothy, ready to point out the gifts of his protégé and willing to help develop those gifts and pass on his knowledge. Lou Holtz did the same

for me, as well as for a whole lot of other guys. That's what a mentor does. I'll always be grateful that he inspired me to believe in myself. —Tim Brown Former Heisman Trophy Winner and NFL All-Pro “I've had the privilege of knowing Tim for over thirty years now. I've seen him beat the odds in many different areas of life, especially as a father and a mentor. I believe this book will help bring out your true greatness as you read stories about Tim's successes and struggles, and as you're inspired by his commitment to integrity as well as the life principles and the faith that have carried him through.” —Carey Casey, CEO, National Center for Fathering / fathers.com “Over the years, I've respected Tim Brown as an NFL opponent, a teammate, and a friend. In *The Making of a Man*, you will read what has made Tim the man he is today and learn vital lessons on what being a man is all about. Whether young or old, every guy should read this book.” —Jerry Rice, NFL Hall of Fame Wide Receiver Three-Time Super Bowl Champion

The Music of Central Asia surveys the rich and diverse musical life of a region that was once at the center of the trans-Eurasian Silk Road trade and that has now reemerged as a crucial arena of global geopolitics. This beautiful and informative volume offers a resource for Central Asians to learn about the musical heritage of their region and a detailed introduction to this heritage for readers and listeners worldwide. The Music of Central Asia balances "insider" and "outsider" perspectives with contributions by 27 authors from 14 countries. A companion website provides access to some 175 audio and video examples, listening guides and study questions, and transliterations and translations of the performed texts. The generously illustrated text is supplemented with boxes and side bars, musician profiles, and an illustrated glossary of musical instruments. The Music of Central Asia targets a broad, non-specialist readership, while specialists will find it an indispensable resource. The book is divided into four parts: an overview of the region's music and musical instruments; sections on "The Nomadic World" and "The World of Sedentary-Dwellers," which explore music and musical life in the context of Central Asia's two great

axes of civilization; and "Central Asia in the Age of Globalization," whose focus is the future of the past, or how musical heritage is being revitalized and reimagined in the contested cultural landscape of contemporary Central Asia. The Music of Central Asia can be read systematically to build comprehensive knowledge about interlinked topics—or used as a handy reference on specific musical styles, repertoires, and traditions. For instructors, the book's 35 chapters offer ample material for a semester-long course, while groups of chapters can serve as a module in courses devoted to broader topics in music, history, and culture.

#### A Study Guide for V.S. Naipaul's "Bend in the River" Rhinegold Education

Bestselling author John Ortberg shares how Jesus' influence has swept over history and how his vision of life continues to impact humanity today. Jesus' impact on our world is highly unlikely, widely inescapable, largely unknown, and decidedly double-edged. It is unlikely in light of the severe limitations of his earthly life; it is inescapable because of the range of impact; it is unknown because history doesn't connect dots; and it is doubled-edged because his followers have wreaked so much havoc, often in his name. He is history's most familiar figure, yet he is the man no one knows. His impact on the world is immense and non-accidental. From the Dark Ages to Post-Modernity he is the Man who won't go away. And yet . . . you can miss him in historical lists for many reasons, maybe the most obvious being the way he lived his life. He did not loudly and demonstrably defend his movement in the spirit of a rising political or military leader. He did not lay out a case that history would judge his brand of belief superior in all future books. His life and teaching simply drew people to follow him. He made history by starting in a humble place, in a spirit of love and acceptance, and allowing each person space to respond. His vision of life continues to haunt and challenge humanity. His influence has swept over history bringing inspiration to what has happened in art, science, government, medicine, and education; he has taught humans about dignity, compassion, forgiveness, and hope.
