## **This is how prime numbers sound like in C minor!**

Number theorist Marcus du Sautoy's book The Music of the Primes: Searching to Solve the Greatest Mystery in Mathematics compares the pattern the primes make to music. At first they seem to appear at random, like a kind of noise, but under analysis display a more musical structure.

Songs/Videos ft. either of our 2 "Primes", Paul or Eddie... Singing and/or dancing "Don't Look Back" with both Paul and Eddie's vocals prominent, "Just My Imagination" with Eddie & Paul featured ...

"The Primes" - YouTube

The Music of the Primes is about the search for a formula which will enable mathematicians to understand the distribution of prime numbers. Primes, you will remember, are those
