Gustav Holst - Wikipedia

Piano pedagogy is the study of the teaching of piano playing. Whereas the professional field of music education pertains to the teaching

of music in school classrooms or group settings, piano pedagogy focuses on the teaching of musical skills to individual piano students. This is often done via private or semiprivate instructions, commonly referred to as piano lessons.

The Music Tree publishes a wonderful series of books for children to learn music in a natural, logical manner. Also covers aspects of theory and has the student practice moving positions on the piano from the beginning instead of locking the student into reading for one hand position. LOVE this series as a parent and educator.
