The Muslim Discovery of Europe certainly demonstrates this, as he shows the political, social and economic mis-cues between Europe and the Near East over the last 1000 years. For much of that time, the rulers of the Middle East were not terribly interested in Europe (this may be suprising to Europeans), as socially and economically it was a backwater: the caliphs tended to look east.

The Muslim discovery of Europe (2001 edition) | Open Library

Europe began to press inward upon the dar al-Islam from the north, while encircling it, with the discovery of the sea route to India, from the south. But perhaps the event which dealt the severest blow to Muslim complacency was the French Revolution, which initiated the spread of a secular philosophy posing a greater threat to Islamic verities than Christendom had ever done.

The Muslim Discovery Of Europe

The Muslim Discovery of Europe is marred by editorial sloppiness: Many chapters were first published as separate articles and they have not been integrated. Nevertheless. the book again confirms Mr: Lewis's stature. Mr. Pipes a historian at the University of Chicago, is author of Slave Soldiers and Islam (Yale University Press).

...

The Muslim Discovery of Europe by Bernard Lewis is quite an interesting book, giving a view of history from the side of Muslims. As I read this book I couldn't shake the feeling that history was already written, set into motion by events that happened long ago.

The Muslim Discovery of Europe, by Bernard Lewis - J.B ...

Muslims had ruled much of Spain for over 700 years, dominating Europe culturally, educationally, and economically. The early explorers were, in many cases, Spanish soldiers who had fought in Spain or Africa and sailed the seas to destroy the power of Islam.

The Muslim Discovery of Europe :: Reviewed by Daniel Pipes

A leading Orientalist examines Muslim perceptions of Europe from the Arab conquests through the Napoleonic invasion of Egypt, some 1200 years—and, in the aggregate, condemns Muslims for failing to see and value the West as Westerners do. Drawing on diverse Arab, Turkish, and Persian writings, Lewis (The Emergence of Modern Turkey, The Middle East and the West) defines the practical and ...

a public intellectual and political commentator. Lewis is the Cleveland E. Dodge Professor Emeritus of Near Eastern Studies at Princeton University.

[Amazon.com: Customer reviews: The Muslim Discovery of Europe](#)

"The Muslim Discovery of Europe" is a must-read for anyone interested in Middle Eastern history, especially the period between 1500 and 1900. Bernard Lewis writes in a silky-smooth, easy-to-read style, yet the book is erudite and not "Middle Eastern history for dummies". Lewis explores how the "medieval iron curtain" between Christendom and Islam gradually broke down (to the extent that it did ...
