**One Night in Washington Llewellyn Worldwide Limited**

The mines of Jerome, Arizona, produced billions of dollars worth of copper, gold and silver. These riches supported a fabulously wealthy lifestyle-for the owners and managers. However, for the proud and skilled miners and their families, life was hard. In this book you will discover - What it was like to grow up in Jerome as the son of a "Mexican" miner - Why men crippled in the mine were never seen on the streets of Jerome - The ghostly story behind the discovery of the richest vein of ore in Jerome - Details of mining underground in the early days - How families survived the hard times - How the mining company manager wielded the power of life, death and even marriage

**Haunted New Orleans Llewellyn Worldwide**

Ghosts have been the entertaining subject of many works of fiction, but they're even more intriguing (and perhaps even scarier) when they are the focus of real-life hauntings in our own backyard. An employee of the St. James Hotel in New Mexico watches in shock as a fair-haired toddler with a terribly disfigured face disappears into the floor. This is just one of the paranormal mysteries Leslie Rule shares with us--a result of extensive interviews and research uncovering the reasons behind ghost sightings across the country. Coast to Coast Ghosts features dozens of spine-tingling, real-life ghost stories and approximately fifty black-and-white photographs taken by Rule, including some believed to have captured actual apparitions. Only the reader can decide. . . .

**Ghosts Among Us Grand Central Publishing**

From the celebrated author of The Secret Life of Bees and the forthcoming novel The Book of Longings, a novel about two unforgettable American women. Writing at the height of her narrative and imaginative gifts, Sue Monk Kidd presents a masterpiece

of hope, daring, the quest for freedom, and the desire to have a voice in the world. Hetty "Handful" Grimke, an urban slave in early nineteenth century Charleston, yearns for life beyond the suffocating walls that enclose her within the wealthy Grimke household. The Grimke's daughter, Sarah, has known from an early age she is meant to do something large in the world, but she is hemmed in by the limits imposed on women. Kidd's sweeping novel is set in motion on Sarah's eleventh birthday, when she is given ownership of ten year old Handful, who is to be her handmaid. We follow their remarkable journeys over the next thirty five years, as both strive for a life of their own, dramatically shaping each other's destinies and forming a complex relationship marked by guilt, defiance, estrangement and the uneasy ways of love. As the stories build to a riveting climax, Handful will endure loss and sorrow, finding courage and a sense of self in the process. Sarah will experience crushed hopes, betrayal, unrequited love, and ostracism before leaving Charleston to find her place alongside her fearless younger sister, Angelina, as one of the early pioneers in the abolition and women's rights movements. Inspired by the historical figure of Sarah Grimke, Kidd goes beyond the record to flesh out the rich interior lives of all of her characters, both real and invented, including Handful's cunning mother, Charlotte, who courts danger in her search for something better. This exquisitely written novel is a triumph of storytelling that looks with unswerving eyes at a devastating wound in American history, through women whose struggles for liberation, empowerment, and expression will leave no reader unmoved.

**Haunted Hotels Grand Central Publishing**

True stories of the spookiest sites in this beautiful South Carolina city--includes photos! On the historic streets of Charleston, true life is sometimes stranger than fiction. In this book, Ed Macy and Geordie Buxton share

stories of the paranormal in ghastly and sometimes dreadful detail. Combing through the oft-forgotten enclaves of the Holy City, they bring readers face to face with: The orphans who haunt a dorm at the College of Charleston A Citadel cadet who haunts a local hotel The specter of William Drayton at Drayton Hall Plantation And more! Enriched by historic background information and specific details that are often lost in ghost stories, this collection sparks curiosity about what might still be lurking in the alleyways of Charleston's storied streets.

#### The Hunters & The Haunted UNC Press Books

You may think you know the South for its food, its people, its past, and its stories, but if there's one thing that's certain, it's that the region tells far more than one tale. It is ever-evolving, open to interpretation, steeped in history and tradition, yet defined differently based on who you ask. This Is My South inspires the reader to explore the Southern States--Georgia, Kentucky, Louisiana, Mississippi, North Carolina, South Carolina, Tennessee, Virginia--like never before. No other guide pulls together these states into one book in quite this way with a fresh perspective on can't-miss landmarks, off the beaten path gems, tours for every interest, unique places to sleep, and classic restaurants. So come see for yourself and create your own experiences along the way!

#### The Amityville Horror Whitechapel Productions

An intellectual feast for fans of offbeat history, Ghostland takes readers on a road trip through some of the country's most infamously haunted places--and deep into the dark side of our history.

#### Coast to Coast Ghosts Whitechapel Productions

It was an irrational decision. Despite having just moved into a beautiful new house, the Williams family gave in to an odd, overwhelming desire to purchase and move into a Victorian home they had come upon by chance. They were curious, of course, as to why the house had, in the past, had such a high vacancy rate - no one ever seemed to live in it for a long period of time. But that curiosity didn't last long, because shortly after moving in, strange things began to happen. It became abundantly clear that the home's past owners had all had a reason for leaving: fear. The Williams' new home was haunted. At first, the family tried telling themselves there were logical explanations for the strange things they all were witnessing. But before long they came to accept the fact that they were sharing their home with ghosts. Haunted is the Williams family's story from the point of view of the mother, Dorah. Through her chilling reminiscences, we witness the all-too-real goings-on in the house. And we join the family as they seek a way to bring an end to the paranormal events that were occurring with ever more frequency and intensity, and learn why the events began in the first place.

#### Simon and Schuster

The former owner of the Myrtles Plantation in Louisiana, noted as "the most haunted house in

America," traveled to over 150 haunted inns and hotels throughout the U.S. and collected some of the creepiest ghost stories ever told. Packed with chilling stories, "Ghostly Encounters" is filled with practical information for anyone who dares to spend a night in a haunted house.

#### Tales from the Haunted South University Press of Colorado

"The World's Most Haunted House is a thrilling and authentic account of one of the most terrifying and well-documented poltergeist hauntings of modern times. I found this book to be fascinating and comprehensive. It should be required reading for anyone with a serious interest in these bizarre paranormal disturbances--but read it with the lights on!" --Dr. Andrew Nichols, director, American Institute of Parapsychology "The World's Most Haunted House grabbed me from the beginning... it is a page turner. This work is a contribution to the nonfiction paranormal genre and one that needs to be read." --Edwin F. Becker, author of True Haunting "As an eyewitness to the Lindley Street case, I have been very impressed by the author's painstaking research and his determination to hunt down the facts of this case. Bill Hall is one of the few to get it right!" --Paul F. Eno, award-winning journalist and cohost of CBS Radio's Behind the Paranormal with Paul and Ben Eno In this unprecedented work, the story of the 1974 Bridgeport, Connecticut poltergeist is at last revealed. A crowd of more than 2,000 onlookers gathered. National media reported jumping furniture, floating refrigerators, and attacking entities. Decades after the publicity quieted, more than 40 hours of never-before-released interviews with police officers, firefighters, and others tell the story as it actually unfolded: Relive the experience, the terror, the rampant emotions, and the unexplainable events that took place in that house as they happened. Have access to revealing excerpts from actual interviews, police reports, and rare documents. Access unreleased audio, poltergeist sounds, and an old radio broadcast. Return to 1974 and feel the Lindley Street experience from the inside. Find out why it is deemed the haunting that should have brought the paranormal into mainstream science.

#### Ghost Files Warner Books (NY)

From the renowned parapsychologist. "The holy grail of his work . . . from Hollywood to the White House to Amityville and beyond . . . fascinating insights" (Knight of Angels). Join paranormal expert and storyteller extraordinaire Hans Holzer as he explores ghostly manifestations of every variety and delves into the true nature of "the other side." In this groundbreaking book--featuring eye-opening photographs of ghostly apparitions and visitations--Holzer presents hundreds of case histories, tips on interpreting sounds and other signals from the beyond, and more.

**Ghostly Encounters** CreateSpace

This is the firsthand account of what Tony and Debra Pickman and their newborn son Taylor experienced in the now notorious Sallie House, from the day they moved in to the turn-of-the-century haunted house until they finally fled in terror. The story of the Sallie House and the fire-starting ghost girl who haunted it has sparked endless rumors and theories of murder, cover-ups, racism, and abuse. But the Pickmans know the real story because they lived it—and barely made it out alive. Now, for the first time, Tony and Debra reveal untold stories from their ordeal. They describe Sallie's seemingly protective fascination with their baby, and tell what it was like to live with menacing entities that scratched, bit, and terrorized their family. Along with historical research, the Pickmans share personal photographs and journal entries from their time spent living in the nightmare house that still haunts them today.

Ghost Hunting Dundurn

A compelling glimpse into the otherworldly nature of the spirits--protective forces, phantom pets, departed loved ones--that occupy Annie Wilder's haunted Victorian home. Original.

This Is My South Smithmark Pub

Frances Kermeen bought the Myrtles Plantation of St Francisville with the dream of turning the historic site into a cosy inn. When it turned out to be haunted, she feared losing customers but interest in the ghosts meant she gained custom. Here, she tells stories collected from 150 haunted hotels across America.
