The Mystery of Atlantis Bec McMaster

I ran up Shephard's Mountain to escape the Monsters that were chasing me... ..and the Demons that were haunting my memories. Instead, I fell into a world where Magic is the New Black and the Challenges I face have nothing to do with curling irons and study groups. Drae Hallow is the home of Rule 9 Academy where nobody is normal and we're all a little bit of strange. They've invited me to attend their School for Magicals. Apparently, there's something inside of me and it wants to come out to play. But I need to learn to control it before it controls me. I'm game... After all, I might be my Momma's trouble; but I've always been my Daddy's stubborn. I'll need every bit of it

too, because something else roams the woods after dark, and it doesn't have anything to do with Shifting 101. Together, with the help of others just like me, we'll have to uncover the lies before it's too late. The Magical world depends on us to find out the truth...or its Lights Out, Dark Ages and Witch Hunts all over again. If I'm not careful, my first semester might just be my last. Fire Born Dragon will resonate with fans of BR Kingsolver and G.K. DeRosa...

The Ice Dragon is an enchanting tale of courage and sacrifice for young readers and adults by the wildly popular author of the #1 New York Times bestselling Song of Ice and Fire series, George R.R. Martin. Lavish illustrations by acclaimed artist Luis Royo enrich this captivating and heartwarming story of a young girl and her dragon. In the world of A Song of Ice and Fire the ice dragon was a creature of legend and fear, for no man had ever tamed one. When it flew overhead, it left in its wake desolate cold and frozen land. But Adara was not afraid. For Adara was a winter child, born during the worst freeze that anyone, even

the Old Ones, could remember. Adara could not remember the first time she had seen the ice dragon. It seemed that it had always been in her life, glimpsed from afar as she played in the frigid snow long after the other children had fled the cold. In her fourth year she touched it, and in her fifth year she rode upon its broad, chilled back for the first time. Then, in her seventh year, on a calm summer day, fiery dragons from the North swooped down upon the peaceful farm that was Adara's home. And only a winter child—and the ice dragon who loved her—could save her world from utter destruction. This new edition of *The Ice Dragon* is sure to become a collector's item for fans of HBO's megahit *Game*

of Thrones. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
