There was once an emperor who was only interested in one thing, his clothes. He spent all his money on his outfits and had a different one for every time of day and every occasion. One day, two thieves arrived in town pretending to be weavers who knew how to make the most beautiful and sophisticated fabrics, which had the marvellous property of only being visible to those who did their job well.. It was the perfect offer for our king, who immediately placed an order. Hans Christian Andersen (1805-1875) was a Danish author, poet and artist. Celebrated for children's literature, his most cherished fairy tales include "The Emperor's New Clothes", "The Little Mermaid", "The Nightingale", "The Steadfast Tin Soldier", "The Snow Queen", "The Ugly Duckling" and "The Little Match Girl". His books have been translated into every living language, and today there is no child or adult that has not met Andersen's whimsical characters. His fairy tales have been adapted to stage and screen countless times, most notably by Disney with the animated films "The Little Mermaid" in 1989 and "Frozen", which is loosely based on "The Snow Queen", in 2013.

Thanks to Andersen's contribution to children's literature, his birth date, April 2, is celebrated as International Children's Book Day.

The Bare Naked Book Penguin
The Truth About Sex and Waiting ... Uncovered and Revealed Purity. Sex. Boys. Waiting. Something about those words makes everything complex in a heartbeat. Is there something wrong with me if I don't kiss a boy after a date? Or am I doomed if I did? Is waiting a one-way trip to life as a crazy cat woman? And what if I, um, think about a certain boy a certain way? It seems the lady at church and your friends have two very different opinions on the subject. And the purity talks aren't always cutting it. Bekah Hamrick Martin knows the waiting game isn't easy or straight-forward. In *The Bare Naked Truth*, she lays everything on the table—including some embarrassing moments—as she explores the honest, naked truth behind what God means by purity. With additional entries from popular authors, you'll see the bare naked approach to waiting isn't always easy, but it's worth the risk.

Locker Room Diaries G Street Chronicles

The surprisingly hopeful story of how a straight, nonpromiscuous, everyday girl contracted HIV and how she manages to stay upbeat, inspired, and more positive about life than ever before. At nineteen years of age, Marvelyn Brown was lying in a stark white hospital bed at Tennessee Christian Medical Center, feeling hopeless. A former top track and basketball athlete, she was in the best shape of her life, but

she was battling a sudden illness in the intensive care unit. Doctors had no idea what was going on. It never occurred to Brown that she might be HIV positive. Having unprotected sex with her Prince Charming had set into swift motion a set of circumstances that not only landed her in the fight of her life, but also alienated her from her community. Rather than give up, however, Brown found a reason to fight and a reason to live. *The Naked Truth* is an inspirational memoir that shares how an everyday teen refused to give up on herself, even as others would forsake her. More, it's a cautionary tale that every parent, guidance counselor, and young adult should read.

Dress Code Bantam

A comical and poignant memoir of a gay man living life as he pleased in the 1930s. In 1931, gay liberation was not a movement—it was simply unthinkable. But in that year, Quentin Crisp made the courageous decision to "come out" as a homosexual. This exhibitionist with the henna-dyed hair was harassed, ridiculed and beaten.

Nevertheless, he claimed his right to be himself—whatever the consequences. *The Naked Civil Servant* is both a comic masterpiece and a unique testament to the resilience of the human spirit. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With

more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators. *The Naked Truth Sourcebooks, Inc.*

Leslie Nielsen Everbind

Are you constantly stepping on the scale and feeling weighed down?

Good, cause I've got something to tell you: Throw out the f*cking scale, it's lying to you! Now, in this raw and honest book, Sam bears it all when it comes to the day to day struggles of mental illness. Through the painful honesty of depression, anxiety, eating disorders and suicide attempts, she wrote this real life book while admitted to the Psych Ward. Sam not only helps to inspire others, but knows first-hand that being naked with mental illness can be overwhelming.

Sharing secret information can be both courageous and make one feel vulnerable, in a world where mental health stigma greatly exists. The majority of women are covering up mental illness both physically and mentally. We're mothers. We're wives. We're bosses and colleagues. We're sisters. It's time to quit living a lie in quiet desperation, realize that the scale does not measure our self-worth and get f*cking naked with the truth. Sam is a working mother of two beautiful, powerful and strong girls and she is on a mission to help women everywhere. When her eating disorder began at the age of 13, she needed to have that shoulder to lean on. To have someone acknowledge her feelings. The #nakedtruth saved her life. Sam is using her story to help EMPOWER other women to speak their #nakedtruth, take back their power and to say 'F*CK THE SCALE'.

The Naked Truth Annick Press

Can you really feel better as you get older? Is aging without illness possible? Is your own internal fountain of youth waiting to be

discovered? Yes, yes, and YES! says Suzanne Somers, the bestselling author of *The Sexy Years*. It can all be true when you take advantage of the science of antiaging medicine—a revolutionary approach to achieving the ageless life. Suzanne Somers has already introduced millions of women to bioidentical hormone replacement therapy and changed the way we look at menopause. Now, in *Ageless*, Suzanne introduces an inspiring, medically validated approach to reversing the aging process and maintaining a healthy, vibrant, mentally sharp, sexually active life—while building the body's natural defenses against age-related diseases. Suzanne talks about:

- How antiaging medicine can help detox the body of harmful pollutants and chemicals and strengthen our weakest glands and organs
- The dangers of perimenopause and how women can treat it
- Why so many hysterectomies are unnecessary, how birth control pills may have contributed to the rise of hysterectomies, and how to restore your body to perfect hormonal balance after having one
- How andropause is a real condition for men, and how men can lose weight, regain their youthful physiques, and restore health, energy, and sexuality, all through bioidentical HRT
- The importance of sleep and the healing work that nature does during this time to balance hormones and increase energy

In this “antiaging bible,” Suzanne brings together prominent, Western-trained antiaging doctors to show how the traditional medical approach is woefully inadequate. Its standard of care has been to treat all symptoms with drugs, but in

Ageless you will find out how this approach does not make us better. With antiaging medicine you can heal your body rather than keep a chronic condition at bay with drugs. *Ageless* shows you how to keep your “insides” young, and how this manifests on the outside. *The Bare Naked Truth* Lindhardt og Ringhof

I realize when you're on the outside looking in it appears that celebrities, athletes and people with powerful careers have very exquisite and perfect lives. Exquisite may be true but not perfect...definitely not for a Grammy award winning artist with his peculiar sexual fantasies, nor my clandestine meetings with a basketball star, my rendezvous with a singer/actor, my crazy escapades with superstar rappers, nor my friendship with a reality show star. Come with me as I take you from the most luxurious hotel rooms to multi-million dollar mansions. We'll go on some of the craziest escapades and reveal secrets that may make the biggest sinner cringe. As I sift through a long list, I'll spare no details when it comes to my time spent pleasing these men in ways their wives and girlfriends weren't--all for the mighty dollar. I'll also let you deep into the mind and sensitive side of Sasha Cream, how my career as a porn star, entertainer and call-girl began, along with my personal views on life, love and sex vs money, power and respect. Delve into my world...ALL FACT, no fiction...exposing the industry with *The Naked Truth*, on page at a time. ~Sasha Cream

He's Not the One Simon and Schuster

"WHERE ARE THE BREAST

CANCER THRIVERS WHO LOOK LIKE ME?" That's what For the Breast of Us founders Jasmine Souers and Marissa Thomas asked themselves when they were diagnosed with breast cancer at 26 and 35. Not a quick Google search nor a hashtag was available to help them connect to other young survivors of color. In 2020, For the Breast of Us gave #BreastCancerBaddies the opportunity to go #Naked4BC and be the women they once searched for after their breast cancer diagnosis. And more than simply sharing photos of their bodies, these Baddies are sharing the often overlooked aspect of breast cancer journeys: the impact of cancer on their body image and sense of self. It is our hope that women of color affected by breast cancer will be inspired, encouraged and validated as they explore images and personal experiences of these incredible women.

Real Sex Zonderkidz

In this groundbreaking narrative, longtime Washington Post reporter Craig Timberg and award-winning AIDS researcher Daniel Halperin tell the surprising story of how Western colonial powers unwittingly sparked the AIDS epidemic and then fanned its rise. Drawing on remarkable new science, Tinderbox overturns the conventional wisdom on the origins of this deadly pandemic and the best ways to fight it today. Recent genetic studies have traced the birth of HIV to the forbidding equatorial forests of Cameroon, where chimpanzees carried the virus for millennia without causing a major outbreak in humans. During the Scramble for Africa, colonial companies blazed new

routes through the jungle in search of rubber and other riches, sending African porters into remote regions rarely traveled before. It was here that humans first contracted the strain of HIV that would eventually cause 99 percent of AIDS deaths around the world. Western powers were key actors in turning a localized outbreak into a sprawling epidemic as bustling new trade routes, modern colonial cities, and the rise of prostitution sped the virus across Africa. Christian missionaries campaigned to suppress polygamy, but left in its place fractured sexual cultures that proved uncommonly vulnerable to HIV. Equally devastating was the gradual loss of the African ritual of male circumcision, which recent studies have shown offers significant protection against infection. Timberg and Halperin argue that the same Western hubris that marked the colonial era has hamstrung the effort to fight HIV. From the United Nations AIDS program to the Bush administration's historic relief campaign, global health officials have favored well-meaning Western approaches--abstinence campaigns, condom promotion, HIV testing--that have proven ineffective in slowing the epidemic in Africa. Meanwhile they have overlooked homegrown African initiatives aimed squarely at the behaviors spreading the virus. In a riveting narrative that stretches from colonial Leopoldville to 1980s San Francisco to South Africa today, Tinderbox reveals how human hands unleashed this epidemic and can now overcome it, if only we learn the lessons of the past. The Naked Truth About PERIMENOPAUSE Simon and

Schuster

This is a book about fruit, but not apples and oranges. The other fruit. This is a book about sex, but not just sex. Sex is never alone. This is a book about love and truth, about you and I and him and her. It's about finding something beautiful, delightful, joyful, precious and good and taking big bites of it. It's about taking the dirty clothes off of that fruit and seeing it for the naked beauty it is. Or, at least, can be...

The Naked Truth about Hedonism II Potter Craft

The Naked Truth takes you inside the limiting beliefs that may be keeping you stuck. Joie lets you see the raw and painful side of womanhood and how you can glean important lessons from every twist and turn.

Tinderbox Archway Publishing

Stories, essays, poems, and personal reminiscences from the sage of Lake Wobegon When, at thirteen, he caught on as a sportswriter for the Anoka Herald, Garrison Keillor set out to become a professional writer, and so he has done—a storyteller, sometime comedian, essayist, newspaper columnist, screenwriter, poet. Now a single volume brings together the full range of his work: monologues from A Prairie Home Companion, stories from The New Yorker and The Atlantic, excerpts from

novels, newspaper columns. With an extensive introduction and headnotes, photographs, and memorabilia, The Keillor Reader also presents pieces never before published, including the essays "Cheerfulness" and "What We Have Learned So Far." Keillor is the founder and host of A Prairie Home Companion, celebrating its fortieth anniversary in 2014. He is the author of nineteen books of fiction and humor, the editor of the Good Poems collections, and a member of the American Academy of Arts and Letters.

Fat Sex Da Capo Lifelong Books Beginning with Wizard's First Rule and continuing with six subsequent fantasy masterpieces, Terry Goodkind has thrilled and awed millions of readers worldwide. Now, in Naked Empire, Goodkind returns with a broad-canvas adventure of epic intrigue, violent conflict, and terrifying peril for the beautiful Kahlan Amnell and her husband, the heroic Richard Rahl, the Sword of Truth. Richard Rahl has been poisoned. Saving an empire from annihilation is the price of the antidote. With the shadow of death looming near, the empire crumbling before the invading hordes, and time running out, Richard is offered not only his own life but the salvation of a people, in

exchange for delivering his wife, Kahlan, into bondage to the enemy. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Microaggressions and Marginality Brazos Press SEX. Splashed across magazine covers, billboards, and computer screens--sex is casual, aggressive, and absolutely everywhere. And everybody's doing it, right? In Real Sex, heralded young author Lauren F. Winner speaks candidly to Christians about the difficulty--and the importance--of sexual chastity. With honesty and wit, she talks about her struggle to live a celibate life. Never dodging tough terms like "confession" and "sin," Winner grounds her discussion of chastity first and foremost in Scripture. She confronts cultural lies about sex and challenges how we talk about sex in church. Her biblically grounded observations and suggestions will be especially valuable to unmarried Christians struggling with the sexual mania of today's culture. Real Sex is essential reading for Christians grappling with chastity and a valuable tool for pastors.
