In the absence of a definitive answer as to whether narcissism has increased to epidemic proportions, my own take is that from where we sit, older generations do find it irresistible to deride adolescents and young adults as narcissistic and excessively self-focused.

### The Narcissism Epidemic and What We Can Do About It ...

Narcissism -- a very positive and inflated view of the self -- is everywhere. It's what you have if you're a politician and you've strayed from your wife, and it's why five times as many Americans undergo plastic

surgery and cosmetic procedures today than did just ten years ago.

*THE BIG IDEAS The Narcissism Epidemic* Narcissism-an inflated view of the self-is everywhere. Public figures say it's what makes them stray from their wives. Parents teach it by dressing children in T-shirts that say "Princess.". Teenagers and young adults hone it on Facebook, and celebrity newsmakers have elevated it to an art form.
