This new spirit of capitalism triumphed thanks to a remarkable recuperation of the "artistic critique"—that which, after May 1968, attacked the alienation of everyday life by capitalism and bureaucracy. At the same time, the "social critique" was disarmed by the appearance of neocapitalism and remained fixated on the old schemas of ...

The Protestant Ethic and the Spirit of Capitalism is a book written by sociologist and economist Max Weber in 1904-1905. The original version was in German and it was translated into English by Talcott Parsons in 1930. In the book, Weber argues that Western capitalism developed as a result of the Protestant work ethic.

Weber - Protestant Ethic and Spirit of Capitalism

The "spirit" is a positive expression used to inspire commitment to the continuation of capitalism. Passive non-resistance is not enough, the system needs active commitment from both workers, managers, and leaders. This is a classic modern work of sociology, which sets out to unpick the relationship between society, politics, and the mechanisms of the economy.

The New Spirit of Capitalism appeared in French in December 1999, almost seventeen years ago, and there has been no flagging of interest in it since, either in France or abroad. Its career is ongoing, with new translations and reprints every year – for example, by Verso this year.

The New Spirit of Capitalism by Luc Boltanski

Essentially, The New Spirit of Capitalism is the history of a perilous dialectic, the dangerous Hegelian dance of critique and capitalism. Capitalism has, more often than not, exhibited a near-limitless capacity to absorb and mobilize even the most devastating critiques, integrating them into its chain of command.

The concept spirit of capitalism is here used in this specific sense, [6] it is the spirit of modern capitalism. For that we are here dealing only with Western European and American capitalism is obvious from the way in which the problem was stated. Capitalism existed in China, India, Babylon, in the classic world, and in the Middle Ages.
