Pulitzer Prize-winning literary critic Michiko Kakutani shares 100 personal, thought-provoking essays about books that have mattered to her and that help illuminate the world we live in today—with beautiful

illustrations throughout. “A book tailor-made for bibliophiles.”—Oprah Winfrey “An ebullient celebration of books and reading.”—Publishers Weekly (starred review) In the introduction to her new collection of essays, *Ex Libris: 100+ Books to Read and Reread*, Michiko Kakutani writes: “In a world riven by political and social divisions, literature can connect people across time zones and zip codes, across cultures and religions, national boundaries and historical eras. It can give us an understanding of lives very different from our own, and a sense of the shared joys and losses of human experience.” Readers will discover novels and memoirs by some of the most gifted writers working today; favorite classics worth reading or rereading; and nonfiction works, both old and new, that illuminate our social and political landscape and some of today’s most pressing issues, from climate change to medicine to the consequences of digital innovation. There are

essential works in American history (The Federalist Papers, The Writings and Speeches of Martin Luther King, Jr.); books that address timely cultural dynamics (Elizabeth Kolbert's The Sixth Extinction, Daniel J. Boorstin's The Image, Margaret Atwood's The Handmaid's Tale); classics of children's literature (the Harry Potter novels, Where the Wild Things Are); and novels by acclaimed contemporary writers like Don DeLillo, William Gibson, Chimamanda Ngozi Adichie, and Ian McEwan. With richly detailed illustrations by lettering artist Dana Tanamachi that evoke vintage bookplates, *Ex Libris* is an impassioned reminder of why reading matters more than ever.

“ Gorgeous writing, gorgeous

story. ” —Sandra Cisneros  
Fifteen-year-old Ana Cancion never dreamed of moving to America, the way the girls she grew up with in the Dominican countryside did. But when Juan Ruiz proposes and promises to take her to New York City, she has to say yes. It doesn't matter that he is twice her age, that there is no love between them. Their marriage is an opportunity for her entire close-knit family to eventually immigrate. So on New Year's Day, 1965, Ana leaves behind everything she knows and becomes Ana Ruiz, a wife confined to a cold six-floor walk-up in Washington Heights. Lonely and miserable, Ana hatches a reckless plan to escape. But at the bus terminal, she is stopped by Cesar, Juan's free-spirited younger brother, who convinces her to stay. As the Dominican Republic slides into political turmoil, Juan returns to protect his family's assets, leaving Cesar to take care of Ana. Suddenly, Ana is free to take English lessons at a local church, lie on the beach at Coney Island, see a movie at Radio City Music Hall, go dancing with Cesar, and imagine the possibility of a different kind of life in America. When Juan returns, Ana must decide once again between her heart and her duty to her family. In bright, musical prose that reflects the energy of New York City, Angie Cruz's *Dominicana* is a vital portrait of the immigrant experience and the timeless coming-of-age story of a young

"Zade Holder has always been a free-spirited young woman, from a long dynasty of tarot-card readers, fortunetellers, and practitioners of magick.

Growing up in a small town and never quite fitting in, Zade is determined to forge her own path. She leaves her home in Tennessee to break free from her overprotective mother Dela, the local resident spellcaster and fortuneteller. Zade travels to Las Vegas and uses supernatural powers to become part of a premiere magic show led by the infamous magician Charles

Spellman. Zade fits right in with his troupe of artists and misfits.

After all, when everyone is slightly eccentric, appearing 'normal' is much less important. Behind the scenes of this multimillion-dollar production, Zade finds herself caught in a love triangle with Mac, the show's good-looking but rough-around-the-edges technical director and Jackson, the tall, dark, handsome and charming bandleader. Zade's secrets and the struggle to choose between Mac or Jackson creates reckless tension during the grand finale of the show. Using Chaos magick, which is known for being unpredictable, she tests her abilities as a spellcaster farther than she's ever tried and finds herself at death's door. Her fate is left in the hands of a mortal who does not believe in a world of real magick, a fortuneteller who knew one day Zade would put herself in danger and a dagger with mystical

The New York Times Garden Book W. W. Norton & Company In the bustling streets and cloistered homes of Lagos, a cast of vivid characters—some haunted, some defiant—navigate danger, demons, and love in a quest to lead true lives. As in Nigeria, vagabonds are those whose existence is literally outlawed: the queer, the poor, the displaced, the footloose and rogue spirits. They are those who inhabit transient spaces, who make their paths and move invisibly, who embrace apparitions, old vengeance and alternative realities. Eloghosa Osunde's brave, fiercely

inventive novel traces a wild array of characters for whom life itself is a form of resistance: a driver for a debauched politician with the power to command life and death; a legendary fashion designer who gives birth to a grown daughter; a lesbian couple whose tender relationship sheds unexpected light on their experience with underground sex work; a wife and mother who attends a secret spiritual gathering that shifts her world. As their lives intertwine—in bustling markets and underground clubs, churches and hotel rooms—vagabonds are seized and challenged by spirits who command the city's dark energy. Whether running from danger, meeting with secret lovers, finding their identities, or vanquishing their shadow selves, Osunde's characters confront and support one another, before converging for the once-in-a-lifetime gathering that gives the book its unexpectedly joyous conclusion. Blending unvarnished realism with myth and fantasy, *Vagabonds!* is a vital work of imagination that takes us deep inside the hearts, minds, and bodies of a people in duress—and in triumph.

The New York Times Book of Politics Simon and Schuster The acclaimed, award-winning author of *The Resisters* takes measure of the fifty years since the opening of China and its unexpected effects on the lives of ordinary people. It is a unique book that only Jen could write—a story collection accruing the power of a novel as it proceeds—a work that Cynthia Ozick has called "an art beyond art. It is life itself." Beginning with a cheery letter penned by a Chinese girl in heaven to "poor Mr. Nixon" in hell, Gish Jen embarks on a fictional journey through U.S.-China relations, capturing the excitement of a world on the brink of tectonic change. Opal Chen reunites with her Chinese sisters after forty years; newly

cosmopolitan Lulu Koo wonders why Americans "like to walk around in the woods with the mosquitoes"; Hong Kong parents go to extreme lengths to reestablish contact with their "number-one daughter" in New York; and Betty Koo, brought up on "no politics, just make money," finds she must reassess her mother's philosophy. With their profound compassion and equally profound humor, these eleven linked stories trace the intimate ways in which humans make and are made by history, capturing an extraordinary era in an extraordinary way. Delightful, provocative, and powerful, *Thank You, Mr. Nixon* furnishes yet more proof of Gish Jen's eminent place among American storytellers.
