A New York Times Book Review Editors' Choice A gorgeous, unflinching love letter to Flint, Michigan, and the resilience of its people, Kelsey Ronan's *Chevy in the Hole* follows multiple generations of two families making their homes there, with a stunning contemporary love story at its center. In the opening pages of *Chevy in the Hole*, August "Gus" Molloy has just overdosed in a bathroom stall of the Detroit farm-to-table restaurant where he works. Shortly after, he packs it in and returns home to his family in Flint. This latest slip and recommitment to sobriety doesn't feel too terribly different from the others, until Gus meets Monae, an urban farmer trying to coax a tenuous rebirth from the city's damaged land. Through her eyes, he sees what might be possible in a city everyone else seems to have forgotten or, worse, given up on. But as they begin dreaming up an oasis together, even the most essential resources can't be counted on. Woven throughout their story are the stories of their families—Gus's white and Monae's Black—members of which have had their own triumphs and devastating setbacks trying to survive and thrive in Flint. A novel about the things that change over time and the things that don't, *Chevy in the Hole* reminds us again and again what people need from one another and from the city they call home.

A New York Times Editors' Choice Book Named a Most Anticipated Book of 2022 by Literary Hub and Goodreads A playful history of the humble index and its outsized effect on our reading lives. Most of us give little thought to the back of the book—it's just where you go to look things up. But as Dennis Duncan reveals in this delightful and witty history, hiding in plain sight is an unlikely realm of ambition and obsession, sparring and politicking, pleasure and play. In the pages of the index, we might find Butchers, to be avoided, or Cows that sh-te Fire, or even catch Calvin in his chamber with a Nonne. Here, for the first time, is the secret world of the index: an unsung but extraordinary everyday tool, with an illustrious but little-known past. Charting its curious path from the monasteries and universities of thirteenth-century Europe to Silicon Valley in the twenty-first, Duncan uncovers how it has saved heretics from the stake, kept politicians from high office, and made us all into the readers we are today. We follow it through German print shops and Enlightenment coffee houses, novelists' living rooms and university laboratories, encountering emperors and popes, philosophers and prime ministers, poets, librarians and—of course—indexers along the way. Revealing its vast role in our evolving literary and intellectual culture, Duncan shows that, for all our anxieties about the Age of Search, we are all index-rakers at heart—and we have been for eight hundred years.

**NEW YORK TIMES BESTSELLER • REESE'S BOOK CLUB PICK •** A "tender, beautiful and radiantly outraged" (The New York Times Book Review) novel that follows a year of seismic romantic, political, and familial shifts for a teacher and her students at a boarding school for the deaf, from the acclaimed author of *Girl at War* "For those who loved the Oscar-winning film CODA, a boarding school for deaf students is the setting for a kaleidoscope of experiences." —The Washington Post **ONE OF THE MOST ANTICIPATED BOOKS OF 2022**—Oprah Daily, The Millions, Lit Hub, Publishers Weekly, BookPage True biz (adj./exclamation; American Sign Language): really, seriously, definitely, real-talk True biz? The students at the River Valley School for the Deaf just want to hook up, pass their history finals, and have politicians, doctors, and their parents stop telling them what to do with their bodies. This revelatory novel plunges readers into the halls of a residential school for the deaf, where they'll meet Charlie, a rebellious transfer student who's never met another deaf person before; Austin, the school's golden boy, whose world is rocked when his baby sister is born hearing; and February, the hearing headmistress, a CODA (child of deaf adult(s)) who is fighting to keep her school open and her marriage intact, but might not be able to do both. As a series of crises both personal and political threaten to unravel each of them, Charlie, Austin, and February find their lives inextricable from one another—and changed forever. This is a story of sign language and lip-reading, disability and civil rights, isolation and injustice, first love and loss, and, above all, great persistence, daring, and joy. Absorbing and assured, idiosyncratic and relatable, this is an unforgettable journey into the Deaf community and a universal celebration of human connection.

A "delightful" (Vanity Fair) collection from the longest-running, most influential book review in America, featuring its best, funniest, strangest, and most memorable coverage over the past 125 years. Since its first issue on October 10, 1896, The New York Times Book Review has brought the world of ideas to the reading public. It is the publication where authors have been made, and where readers first encountered the classics that have enriched their lives. Now the editors have curated the Book Review's dynamic 125-year history, which is essentially the story of modern American letters. Brimming with remarkable reportage and photography, this beautiful book collects interesting reviews, never-before-heard anecdotes about famous writers, and spicy letter exchanges. Here are the first takes on novels we now consider masterpieces, including a long-forgotten pan of Anne of Green Gables and a rave of Mrs. Dalloway, along with reviews and essays by Langston Hughes, Eudora Welty, James Baldwin, Nora Ephron, and more. With scores of stunning vintage photographs, many of them sourced from the Times's own archive, readers will discover how literary tastes have shifted through the years—and how the Book Review's coverage has shaped so much of what we read today.

In the bustling streets and cloistered homes of Lagos, a cast of vivid characters—some haunted, some defiant—navigate danger, demons, and love in a quest to lead true lives. As in Nigeria, vagabonds are those whose existence is literally outlawed: the queer, the poor, the displaced, the footloose and rogue spirits. They are those who inhabit transient spaces, who make their paths and move invisibly, who embrace apparitions, old vengeance and alternative realities. Eloghosa Osunde's brave, fiercely inventive novel traces a wild array of characters for whom life itself is a form of resistance: a driver for a debauched politician with the power to command life and death; a legendary fashion designer who gives birth to a grown daughter; a lesbian couple whose tender relationship sheds unexpected light on their experience with underground sex work; a wife and mother who attends a secret spiritual gathering that shifts her world. As their lives intertwine—in bustling markets and underground clubs, churches and hotel rooms—vagabonds are seized and challenged by spirits who command the city's dark energy. Whether running from danger, meeting with secret lovers, finding their identities, or vanquishing their shadowselves, Osunde's characters confront and support one another, before converging for the once-in-a-lifetime gathering that gives the book its unexpectedly joyous conclusion. Blending unvarnished realism with myth and fantasy, *Vagabonds!* is a vital work of imagination that takes us deep inside the hearts, minds, and bodies of a people in duress—and in triumph.

A New York Times Book Review Editors' Choice Part memoir and part literary true crime, *Tell Me Everything* is the mesmerizing story of a landmark sexual assault investigation and the female private investigator who helped crack it open. Erika Krouse has one of those faces. "I don't know why I'm telling you this," people say, spilling confessions. In fall 2002, Erika accepts a new contract job investigating lawsuits as a private investigator. The role seems perfect for her, but she quickly realizes she has no idea what she's doing. Then a lawyer named Grayson assigns her to investigate a sexual assault, a college student who was attacked by football players and recruits at a party a year earlier. Erika knows she should turn the assignment down. Her own history with sexual violence makes it all too personal. But she takes the job anyway, inspired by Grayson's conviction that he could help change things forever. And maybe she could, too. Over the next five years, Erika learns everything she can about P. I. technique, tracking down witnesses and investigating a culture of sexual assault and harassment ingrained in the university's football program. But as the investigation grows into a national scandal and a historic civil rights case, Erika finds herself increasingly consumed. When the case and her life both implode at the same time, Erika must figure out how to help win the case without losing herself.

Pulitzer Prize – winning literary critic Michiko Kakutani shares 100 personal, thought-provoking essays about books that have mattered to her and that help illuminate the world we live in today—with beautiful illustrations throughout. "A book tailored for bibliophiles." —Oprah Winfrey "An ebullient

celebration of books and reading. ” —Publishers Weekly (starred review) In the introduction to her new collection of essays, *Ex Libris: 100+ Books to Read and Reread*, Michiko Kakutani writes: “ In a world riven by political and social divisions, literature can connect people across time zones and zip codes, across cultures and religions, national boundaries and historical eras. It can give us an understanding of lives very different from our own, and a sense of the shared joys and losses of human experience. ” Readers will discover novels and memoirs by some of the most gifted writers working today; favorite classics worth reading or rereading; and nonfiction works, both old and new, that illuminate our social and political landscape and some of today ’ s most pressing issues, from climate change to medicine to the consequences of digital innovation. There are essential works in American history (The Federalist Papers, The Writings and Speeches of Martin Luther King, Jr.); books that address timely cultural dynamics (Elizabeth Kolbert ’ s *The Sixth Extinction*, Daniel J. Boorstin ’ s *The Image*, Margaret Atwood ’ s *The Handmaid ’ s Tale*); classics of children ’ s literature (the Harry Potter novels, *Where the Wild Things Are*); and novels by acclaimed contemporary writers like Don DeLillo, William Gibson, Chimamanda Ngozi Adichie, and Ian McEwan. With richly detailed illustrations by lettering artist Dana Tanamachi that evoke vintage bookplates, *Ex Libris* is an impassioned reminder of why reading matters more than ever.

“ [L]ike reading a great tragicomic Irish novel. ” —James Wood, *The New Yorker* “ Masterful . . . astonishing. ” —Cullen Murphy, *The Atlantic* “A landmark history . . . Leavened by the brilliance of O’Toole’s insights and wit. ” —Claire Messud, *Harper ’ s Winner* • 2021 An Post Irish Book Award — Nonfiction Book of the Year • from the judges: “ The most remarkable Irish nonfiction book I ’ ve read in the last 10 years ” ; “ [A] book for the ages. ” A celebrated Irish writer ’ s magisterial, brilliantly insightful chronicle of the wrenching transformations that dragged his homeland into the modern world. Fintan O ’ Toole was born in the year the revolution began. It was 1958, and the Irish government—in despair, because all the young people were leaving—opened the country to foreign investment and popular culture. So began a decades-long, ongoing experiment with Irish national identity. In *We Don ’ t Know Ourselves*, O ’ Toole, one of the Anglophone world ’ s most consummate stylists, weaves his own experiences into Irish social, cultural, and economic change, showing how Ireland, in just one lifetime, has gone from a reactionary “ backwater ” to an almost totally open society—perhaps the most astonishing national transformation in modern history. Born to a working-class family in the Dublin suburbs, O ’ Toole served as an altar boy and attended a Christian Brothers school, much as his forebears did. He was enthralled by American Westerns suddenly appearing on Irish television, which were not that far from his own experience, given that Ireland ’ s main export was beef and it was still not unknown for herds of cattle to clatter down Dublin ’ s streets. Yet the Westerns were a sign of what was to come. O ’ Toole narrates the once unthinkable collapse of the all-powerful Catholic Church, brought down by scandal and by the activism of ordinary Irish, women in particular. He relates the horrific violence of the Troubles in Northern Ireland, which led most Irish to reject violent nationalism. In O ’ Toole ’ s telling, America became a lodestar, from John F. Kennedy ’ s 1963 visit, when the soon-to-be martyred American president was welcomed as a native son, to the emergence of the Irish technology sector in the late 1990s, driven by American corporations, which set Ireland on the path toward particular disaster during the 2008 financial crisis. A remarkably compassionate yet exacting observer, O ’ Toole in coruscating prose captures the peculiar Irish habit of “ deliberate unknowing, ” which allowed myths of national greatness to persist even as the foundations were crumbling. Forty years in the making, *We Don ’ t Know Ourselves* is a landmark work, a memoir and a national history that ultimately reveals how the two modes are entwined for all of us.

A humorous, uplifting look at mindfulness, from beloved illustrator Grant Snider “ Find a quiet spot away from all distraction / Listen to your breath / Watch your thoughts float past you / Forget the obligations of today / Try not to consider your eventual decay / Let yourself drift away / Arise, connected with the Earth / Awakened to the Universe. ” In *The Art of Living*, cartoonist Grant Snider, author of *The Shape of Ideas* and *I Will Judge You by Your Bookshelf*, has created an all-new collection of one- and two-page comics that map his inner thoughts, poetic observations, and frequent failures at living mindfully. With both humor and a touch of reality, *The Art of Living* centers on mindfulness, but also empathy, relaxation, gratitude, and awareness—evergreen subjects that are more important and relevant now than ever. With a striking package, *The Art of Living* is an extension of the themes of Snider ’ s first two books—which explored the creative process and the love of reading—and is the perfect gift for those in a need of reflection, commiseration, hope, and a little extra self-care. Above all, Snider’s cartoons will inspire and encourage a more thoughtful way of experiencing the world.

The acclaimed, award-winning author of *The Resisters* takes measure of the fifty years since the opening of China and its unexpected effects on the lives of ordinary people. It is a unique book that only Jen could write—a story collection accruing the power of a novel as it proceeds—a work that Cynthia Ozick has called “ an art beyond art. It is life itself. ” Beginning with a cheery letter penned by a Chinese girl in heaven to “ poor Mr. Nixon ” in hell, Gish Jen embarks on a fictional journey through U.S.-China relations, capturing the excitement of a world on the brink of tectonic change. Opal Chen reunites with her Chinese sisters after forty years; newly cosmopolitan Lulu Koo wonders why Americans “ like to walk around in the woods with the mosquitoes ” ; Hong Kong parents go to extreme lengths to reestablish contact with their “ number-one daughter ” in New York; and Betty Koo, brought up on “ no politics, just make money, ” finds she must reassess her mother ’ s philosophy. With their profound compassion and equally profound humor, these eleven linked stories trace the intimate ways in which humans make and are made by history, capturing an extraordinary era in an extraordinary way. Delightful, provocative, and powerful, *Thank You, Mr. Nixon* furnishes yet more proof of Gish Jen ’ s eminent place among American storytellers.
